Social Problems Causes Consequences Interventions:

Social Problems Richard Bourne, Jack Levin, 1983 Social Problems in a Free Society Myles J. Kelleher, 2004-09-02

The future of the sociologist's profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems. This book calls for the rethinking of the culture of social, political, and economic liberty to create a resurgence of a sociological agenda. *Social Problems in a Free Society* offers an original perspective on social problems such as violations of the principles of individual rights and the free market. This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today's radical social problems theory.

Empirically Based Interventions Targeting Social Problems John S. Wodarski, Laura M. Hopson, 2019-11-12. This unique volume demonstrates the effectiveness of applying an evidence-based practice process to the solution of selected social problems. It focuses on social work interventions addressing family, community, and societal factors. Research indicates that reinforcement for positive behavior at the group, organizational, and community levels, as opposed to interventions focusing on the individual, are more likely to result in meaningful improvement in well-being. Chapters address issues such as child maltreatment, educationally disadvantaged children, violence in schools, adolescent sexuality, substance abuse, crime, urban decline, and homelessness, unemployment, marital conflict, and chronic medical problems. *Empirically Based Interventions Targeting Social Problems* is a relevant resource for practitioners and counseling professionals whose work involves interventions with children and families as well as communities. It also is a useful text for graduate students in social work as well as students preparing for other helping professions including psychology, sociology, marital and family counseling, and child development.

Social Problems Jack Levin, 2000 Thailand's Industrialization and its Consequences Medhi Krongkaew, 1995-06-12. Professor Krongkaew is one of Thailand's best-known academic economists, and he has brought together an impressive number of authorities on the modern Thai economy. The resulting book should be of great value to anyone wanting an authoritative and comprehensive overview of recent developments in one of Asia's most dynamic economies. Anne Booth, School of Oriental and African Studies, University of London. The book is divided into 4 parts. Part 1 gives an overview of Thai industrialization and the roles of agriculture, manufactured exports, direct foreign investment, and tourism as major contributors to recent fast economic growth. Part 2 analyses the impact of industrialization on government finance, monetary policy, urbanisation, and household welfare. Part 3 further investigates impact on political development, social values, the environment, and education, health, and science and technology. Part 4 looks at a future role of Thailand as a newly industrialized country in Asia.

Guns in American Society Gregg Lee Carter, 2012-05-04. Thoroughly updated and greatly expanded from its original edition, this three-volume set is the go-to comprehensive resource on the legal, social, psychological, political, and public health aspects of guns in American life.
