Leadership and Change in Human Services David Race, 2003-08-29 For over forty years Wolf Wolfensberger has been a significant figure in the world of human services especially in the field of learning disability His work on normalization and citizen advocacy in the late 1960s and early 1970s has been acknowledged by supporters and critics alike to have been fundamental to developments in a number of countries most notably his adopted country and the USA Canada Australasia and the UK His further work in developing the theory of social role valorization the successor to normalisation and as a commentator on broader trends in society and their effects on vulnerable people and services for them has ensured his place as a major voice for values and the human worth of all people Never afraid of controversy his views have brought him into conflict with institutional vested interests and radical groups alike In Leadership and Change in Human Services David Race introduces the reader to Wolfensberger s key ideas through a series of extracts with commentary from his published work Throughout the edited selection the emphasis is on placing Wolfensburger s work in contemporary context and examining its continuing relevance today Including a comprehensive bibliography of Wolfensburger s written output this text offers an invaluable source of reference to all those concerned with

the recent history of the human services      **EBOOK: Intellectual Disability: Social Approaches** David Race,2007-09-16  
This book has an unusual format and its intentions and underlying constructions are stimulating This is a critical text that should be required reading for all students of health disability social medicine therapy and nursing programmes At the price currently 19 99 it represents excellent value for money and is affordable for individual students to purchase Learning Disability Practice This could have been a triumphant book instead it is a sober one and far more useful for it Based on an around the world tour of countries where the concepts of normalization and Social Role Valorization have been influential the book offers a comparative account of the ways these ideas have worked out in seven different national contexts more than thirty years after their introduction From the Foreword by John O'Brien The Centre on Human Policy Syracuse University USA In addition to its useful comparative approach this text demystifies and clarifies a number of complex issues Iain Carson University of Manchester UK How do services in different countries vary across the lifespan What lessons can the different countries learn from one another Based on the author's own experience from over thirty years in the field this thought provoking book offers a comparative study of services for people with intellectual disabilities in seven countries England Australia Canada New Zealand Norway Sweden and the USA Through the author's discussions with people with intellectual disabilities parents and families and those involved with services at a professional and academic level the book provides a critical reflection on intellectual disability services across the lifespan Each chapter contains the following key features A brief Instant Impacts reflection of an incident or a person encountered in the country concerned A short history of services in the country and a summary of the current service system A detailed look at services through the age range including issues around screening and pre birth Drawing on the author's own experience of being a parent of a child with intellectual disabilities Adam's World Tour boxes include a summary of the author's views on the likely services Adam might receive in the country concerned Intellectual Disability is key reading for students of social work learning disability nursing social policy and community work as well as those training to work with people with intellectual disabilities in health and social care services Because of its unique approach however it is as relevant to families of people with intellectual disabilities as it is to professionally qualified practitioners and policy makers      Leadershift Emmanuel Gobillot,2011-05-03 Leadershift is about adapting and changing traditional models of leadership in response to the influence of mass collaboration Mass collaboration is a form of collective action which occurs when large numbers of people work independently on a single project exemplified by websites such as YouTube Facebook and Second Life As the traditional models of working are radically altered those in leadership roles need to understand their place in this new hierarchy and how to respond Mass collaboration requires a form of leadership that is prepared to let go of the experience expertise and control it holds precious and be able to see mass participation as an opportunity to create value rather than a threat to its existence

**Constructions of Disability** Claire Tregaskis,2004-07-31 This innovative book discusses the meaning of inclusion

through the exploration of the interactions between disabled and non disabled people at a community leisure centre By exploring the nature of this interface an understanding of how people create potential for both disability and inclusion is revealed This book takes a very different approach to that of existing texts which have tended to concentrate mainly on disabled people s exclusion The advantage of this new approach is that it adds an extra dimension to our understanding of how discriminatory practice is variously perpetuated and challenged *Constructions of Disability* is valuable reading for all people who are working towards increased social inclusion for disabled people including theorists and students of disability studies and learning difficulty leisure management and disability service providers and their families Using a practical case study approach it explores the impact that social interaction between disabled and non disabled people can have increasing or decreasing disabled people s opportunities for inclusion Examples of both inclusive and discriminatory practice are described in detail and the positive and negative effects of these actions on the participants are demonstrated and discussed This insightful book offers a wide range of practical suggestions for the future development of more inclusive theory policy and practice

**Valuing People with a Learning Disability** Steve Mee,2012 Most health and social care service providers claim to value those with a learning disability Yet there can sometimes be a huge gulf between stated intentions and what happens in everyday practice In a few cases that have recently hit the headlines there have even been allegations of systematic abuse This timely book asks three vital questions What do we mean by valuing How does the process of valuing work What needs to happen to ensure that we value people with a learning disability Too often practitioners tend to say they are all right in theory but not in the real world In this book Dr Steve Mee draws on his experience as a practitioner and lecturer on a learning disability nursing course in which he has successfully used stories to bridge the gap between academic theory and everyday practice Each chapter introduces the reader to a particular area of theory and illustrates it with uniquely powerful memorable stories from practice as well as examples from recent news and historic accounts Reading the book will give practitioners new insight empathy and sensitivity that will make a lasting difference to their practice It invites practitioners to truly reflect on whether they can claim to value the people they support

REVIEWER COMMENT I feel this is a very important piece of work in an area that is often misunderstood From reading the authors work I have questioned my own approach to valuing people and found myself lacking in some areas even though I was of the opinion that I did truly value people with a learning difficulty

*Understanding Disability* Ranu Uniyal,Fatima Rizvi,2023-11-02 This edited volume brings together contributions on disability studies organized around two themes literary and sociological aspects The contributors include academics disability activists and researchers from within and outside the Indian periphery While the book strengthens the disability discourse and contributes to building academic scholarship on this subject it also promotes disability activism by giving space to both direct practitioners and persons with disabilities The chapters discuss various analytical and literary aspects of the marginalization

experienced by the disabled community and bring forth new and elaborate perspectives It draws connections across multiple identities and includes personal narratives across nations cultures and societies It is an excellent research resource on disability studies in India for scholars and students in the area of humanities education law sociology and social work while at the same time also addressing the global context      Community Care in Perspective J. Welshman,J. Walmsley,2006-10-31  
This cohesive collection fills a major gap in medical and social history by offering a detailed account of community provision for so called vulnerable adults in the UK from 1948 2005 It examines key issues such as charity versus rights the role of the market in care provision and the changing construction of social categories      **The British National Bibliography** Arthur James Wells,2002      Cumulated Index to the Books ,1999
