

# SOCIAL WORK AND DIRECT PAYMENTS

Jon Glasby and Rosemary Littlechild

# Social Work And Direct Payments

**Martin Brett Davies**

## **Social Work And Direct Payments:**

*Social work and direct payments* Glasby, Jon, Littlechild, Rosemary, 2002-07-03 The 1996 Community Care Direct Payments Act came into force in 1 April 1997 empowering social services departments to make cash payments to some service users in lieu of direct service provision Social work and direct payments guides readers through the issues at stake in this fundamental area of practice The book summarises and builds on current knowledge and research about direct payments in the UK and considers developments in other European countries It identifies good practice in the area and explores the implications of direct payments both for service users and for social work staff

**A Dictionary of Social Work and Social Care** John Harris, Vicky White, 2018-01-10 This new edition has been fully revised and updated to provide over 1 800 A Z definitions of terms from the field of social care concentrating on social work as a significant area within this field Covering social work theories methods policies organizations and statutes as well as key terms from interdisciplinary topics overlapping with health and education this is the most up to date dictionary of its kind available It also provides extended entries on specialisms such as children and families domestic violence and residential care and has been extensively updated to include new legislation Useful appendices include a glossary of acronyms and a Table of Legislation Regulations and Codes of Practice cross referenced to Dictionary entries Entry level bibliographies and web links provide further resources and the web links are listed and regularly updated on a dedicated companion website Written by two leading figures in the field and a team of eleven contributors A Dictionary of Social Work and Social Care is a must have for students of social work social care and related subjects as well as for qualified social workers undertaking continuing professional development programmes

**Practical Social Work Law** Siobhan E. Laird, 2014-05-01 Practical Social Work Law analysing court cases and inquiries presents legal issues associated with social work in an accessible format It approaches the law in a way that is less daunting and more engaging by examining actual court cases and public inquiries and explores the stories of real people and the legal and ethical dilemmas practitioners will face The text adopts a problem centred approach to learning by introducing the reader to key aspects of the law through a series of real life situations it addresses basic principles regarding the operation of the law and explores the lessons for good practice Each chapter addresses a specific area of social work law including family breakdown safeguarding children youth justice adults with disabilities mental health and mental capacity Landmark cases cases drawn from the lower courts tribunals and ombudsman s decisions are included throughout presenting an accessible account of the application of the law Practical Social Work Law is an essential text for undergraduate postgraduate and recently qualified social workers who are wrestling with the complexity of the law and the professional dilemmas it poses for their practice This book is unusual for a law book in that it is not only a reference book but also a very readable volume It is set out clearly and provides a sound basis for student social workers new to the law and a refresher for qualified practitioners Catherine Poulter RSW Integrated Community Services Carmarthenshire County Council

**Social Work**

**Practice with Adults** Di Galpin, Natalie Bates, 2009-10-09 Based on the experiences of social work practitioners this book provides a detailed account of contemporary practice issues that can influence social work with adults Written by different authors each chapter covers a range of topical debates from the assessment of needs rights and risk in learning disability services to direct payments and the implementation of individual budgets This book is a useful resource for social work students completing the Consolidation and Preparation for Specialist Practice CPSP programmes and those embarking on the Post Qualifying Specialist Award in Social Work with Adults      *Social Work, Social Policy and Older People* Robert Johns, 2011-01-04 It is essential for social work students to know about social policy to know why studying social policy is important in the social work degree and to understand how social policy when implemented has a real impact on the everyday life of vulnerable people This book provides plenty of examples of this impact tracing the development of welfare provision for older people right through the twentieth century leading up to an analysis of contemporary developments which students will need to know about in order to practice effectively      **Direct Payments and Personal Budgets** Glasby, Jon, Littlechild, Rosemary, 2016-01-13 This third edition of the leading textbook on personalization in social welfare payment systems in the United Kingdom brings the analysis wholly up to date taking into account the major changes enacted by the Coalition Government since 2009 and pointing the way to the likely future when all social welfare payments and support will be delivered directly via a personal budget This close examination of the theory and practice will be essential to scholars policy makers and practitioners      Sensory Awareness and Social Work Michelle Evans, Andrew Whittaker, 2010-05-11 Understanding sensory needs is fundamental for social work and care management practice Social workers are trained to reflect on their own practice make useful application of theory and promote anti discriminatory practice at all times This book will assist students in identifying people who have a sensory need and enable them to have the knowledge skills and values to address this Designed specifically to encourage students to build confidence and develop skills essential to best practice this book is specifically structured to address all aspects of sensory need      *A Textbook of Social Work* Brian Sheldon, Geraldine Macdonald, 2010-02-25 This textbook provides a comprehensive discussion of social work practice and its evidence base It strikes a balance between the need for social workers to understand the social economic cultural and psychological factors which give rise to clients problems and the need to know how best to respond with practical measures

**Active Social Work with Children with Disabilities** Julie Adams, Diana Leshone, 2025-02-28 Active Social Work with Children with Disabilities provides a comprehensive social worker s guide to working with children with disabilities exploring current issues from the perspective of both the social worker and the family Many people are afraid of working in this field of social work and this book dispels the myths and fears about working with children with disabilities and build the social worker s confidence in an area that is often left behind within the social work world The book will help you to undertake a social work assessment with a child with a disability consider the holistic needs of the child and the family explore the impact

of grief and loss upon the family build emotional intelligence and resilience within families communicate with children with disabilities communication techniques The new SEND legislation and issues around Safeguarding of Children with Disabilities and Transition to Adult Social Care for the young person are explored and activities and scenarios help you to critically reflect and explore theory and practice further      Social Work with Older People Karin Crawford, Janet Walker, 2008-08-08 This second edition looks in detail at the role of the social worker who engages with older people It enables the reader to develop the key skills required to understand the mental and physical needs of older people in society while encouraging plenty of discussion and critical independent thought Furthermore this book is a source of contemporary research and offers the reader insights into government legislation and policy It is an essential read for any student who wants to develop a distinctive focus on social work with older people      **Social Work and Dementia** David Moore, Kirsty Jones, 2012-06-22 This practical book enables those already practicing or joining social work to consider the various ways that people can be supported to live well with dementia Areas focused on include how the personalisation agenda is changing services through self directed support re enablement and telecare how risk can be managed while choice and independence are maintained and how safeguarding of people with dementia can be positively practiced The authors present information on essential new developments in the field of dementia care including changes in legislation and Government policy as well as providing examples of positive practice from around the country      **Developments in Direct Payments** Janet Leece, Joanna Bornat, 2006-01-11 From a campaigning concept in the 1970s direct payments the substitution of cash for services have become a key part of UK government social care provision This book charts the change critically evaluating progress take up inclusion and access to direct payments by different user groups      *Reconstruction of Social Work Through Personalisation* Felix. U. A Ugwumadu, 2011-03-15 The growing older people population and their increasing needs for care is now presenting significant difficulties to both national government and local authorities because of constriction of formal caregivers and family units Inevitably a change of this magnitude within the complex system in which older people services operate everywhere attracts a range of responses from the very enthusiastic to the very dismissive and hostile response Thus family directed support care system would provide the possibilities to bridge the gaps within health and social care and the delivery of personalisation for later care for older people in their own home Older people is no longer interested to be cared in an institutional settings but wish their care to be provided by those they know well and who are familiar with their needs and standards they are used to      **Social Work in Northern Ireland** Heenan, Deirdre, Birrell, Derek, 2011-03-23 Over the past 40 years social work in Northern Ireland has been responsive to a number of changing contexts and environments Throughout the Troubles social workers had to develop methods of ensuring services were delivered in spite of the surrounding violence and civil disturbance At the same time they developed imaginative and creative new services in response to needs and demands This book outlines the historical development of social work in Northern

Ireland looking at what has been achieved and analyzing the challenges for the future It considers the role of social work in a society emerging from conflict facing demographic technological and economic changes Social work in Northern Ireland has been dismissed by policy makers and academics as unique special or different and therefore not worthy of attention This book demonstrates that international audiences have much to learn from the social work response to a changing political landscape

Social Work Patricia Higham, 2006-03-23 Comprehensive and user friendly The book is helpfully constructed around a number of key themes starting with a good attempt to define social work from historical and international perspectives and moving on to address key issues concerning the practice knowledge values and skills required from contemporary social work in the UK I believe social work students newly qualified and experienced social workers will find this a valuable resource especially when one is confronted by challenges in practice Professional Social Work Social Work is a good overview that should refresh learner and tutor alike Practice assessors may find this book a useful update for their work with students and also a neat refresher It is a well written and up to date text with a good sense of where future challenges lie for the social work profession in the UK Higham is confident enough to voice the profession's uncertainties as well as mapping the changing organisational landscape that social workers might populate This book is likely to appear on many social work reading lists It has the potential to provide good learning opportunities for post qualifying as well as pre qualifying training Health and Social Care in the Community The unique aspect of this book which distinguishes it from other competitors is that it is constructed explicitly around the key roles and benchmark statements this book will offer something new and interesting to the growing field of social work education literature and is likely to be relevant to both students and practitioners in the UK and elsewhere Dr Caroline Skehill Queens University Belfast What is the role of social work What does it mean to be a social worker What are the changes affecting social work training Social Work Introducing Professional Practice addresses these questions and provides an understanding of the knowledge values and skills requirements of professional social work The author has played a key role in constructing the subject benchmarks for the social work degree and offers a reflective and thoughtful commentary upon training education and practice Written in a lively and readable style the book captures the essence of the changes sweeping through social work and engages the reader in these debates Key features of this book include Comprehensive content structured around the guidelines for training and practice Bridges the gap between theory and real life practice Student friendly features such as case studies discussion questions further reading and a glossary This exciting publication will be a core textbook for trainee social workers as they progress through the qualifying social work degree or as they begin their practice as newly qualified workers seeking to consolidate their learning

**Social Work with Adults** Martin Brett Davies, 2012-03-20 This best selling book explores the crucial role of social workers in securing a better future for vulnerable and disadvantaged adult service users Tackling the problems most common to this branch of social work it focuses on four major themes personalization mental health substance use and old age Edited

by the highly respected Martin Davies and with contributions from some of the leading names in the field Social Work with Adults provides a clear map and guidance to help navigate between the different elements of social work knowledge and practice Whether a student on an undergraduate degree taking a module on working with adults or a qualified professional wanting to ensure they are providing the very best service they can this is essential reading The breadth and depth of coverage makes this text a perfect handbook for students of adult social work      Post-Qualifying Social Work Practice Patricia Higham,2008-11-20 A valuable resource for all those engaged in post qualifying social work practice It is impressive in its coverage of contemporary social work practice across the four countries of the UK Professor Jackie Powell University of Southampton The PQ landscape is complex and changing fast so the reader will be grateful to Pat Higham and her colleagues for this clear and comprehensive analysis of PQ Professor Mark Doel Sheffield Hallam University a comprehensive introduction to social work education at post qualifying level It identifies the key issues qualified social workers need to consider in contemporary practice and enables them to engage in critical reflection through the development of their post qualifying expertise Professor John Harris University of Warwick This core textbook provides an authoritative overview of the post qualifying awards in social work Written in response to recent policy and training guidelines the book will enhance social workers post qualifying knowledge skills and values within specialist areas of practice The book will Use critical self appraisal to construct different ways of thinking about and doing social work Encourage reflection on their practice Enable social workers to build confidence in their professional identity Move from competence to increased capability and to expertise Help social workers to explore values dilemmas Increase social workers knowledge for practice Promote learning and career development This book examines core assumptions about post qualifying practice that values and relationships including partnerships with service users are essential to good practice that social workers will work in diverse organisational structures and that social workers in the United Kingdom should become aware of European models of social work      Mental Health Social Work in Context Nick Gould,2009-12-04 This volume helps to prepare students for social work practice and to develop their knowledge concerning promoting the social inclusion of people with mental health problems the changing context of multidisciplinary mental health services an integrated evidence base for practice and working with people with mental health problems across the life course This book is intended to reflect social perspectives drawn from the social and policy sciences as well as incorporating some knowledge from clinical psychiatry      An A-Z of Social Work Law Robert Johns,Jacqueline Harry,2021-09-15 Puzzled by terminology skills law or theory Revising for your placement or exam Then look no further This series of concise and easy to use A Zs will be your guide Designed for both students and newly qualified social workers this book will introduce you to over 300 key laws legal terms and legal processes in a concise and no nonsense way It covers all areas of social work practice adults children and families mental health and youth justice ensuring you have the knowledge you need to apply the law appropriately ethically and with confidence      **The McDonaldization of**

**Social Work** Donna Dustin, 2016-02-17 Based upon George Ritzer's McDonaldization of Society thesis and incorporating aspects of social theory this book examines the introduction of care management to social work practice Donna Dustin analyzes care management as an example of the managerial application of efficiency calculability predictability and control to social work practice These principles put to good use in organizations that produce tangible outputs at a profit are being increasingly applied in non profit public sector organizations where the outcomes require intangibles such as professional relationships The author examines whether the McDonaldization process heightens dilemmas such as cost versus rights for professionals working in the social services Using social theory to frame her research with care managers and their managers in the UK the author examines the day to day implications of care management for social work practice and questions whether the construction of service users as customers contributes to empowering practice The book's in depth analysis of the policy background implementation and practice of care management will resonate with social workers in other national contexts such as the US where the care management model has been introduced
