Social Worker Empowerment In Child Protection Court:

Social Worker Empowerment in Child Protection Court Barry Friesen, 1990-06-01 **Social Worker Empowerment in Child Protection Court** Barry Friesen, 1990 *Law for Social Workers* Helen Carr, David Goosey, 2017

Law for Social Workers has been supporting social work students and professionals for over 25 years. Written by an expert lecturer team with practical experience, this book provides the perfect combination of legal explanation and practical insight and is the ideal text to see students through their course and career. This edition continues to provide an accurate jargon-free account of the law social workers need to know, with helpful diagrams and case studies included throughout to explain areas of difficulty and ensure understanding for students and professionals at all levels. The 14th edition includes an expanded Social Worker's Toolkit offering practical advice on topics such as going to court, preparing evidence, and writing reports, providing the ideal support while on placement or in the workplace. The book is accompanied by a fully interactive Online Resource Centre with a wealth of resources for both students and lecturers.

Using the Law in Social Work Robert Johns, 2014-09-23

This book will help social work students gain a secure foothold in understanding aspects of law as applied to social work practice. It is not a law manual or full of complicated legal jargon remote from the everyday realities of practice, but rather brings the reader closer to safe, legally appropriate social work. It not only covers recent changes to legislation such as The Children and Families Act 2014 and The Care Act 2014, but also other key areas of legislation and policy, including human rights, youth justice, child protection, and mental capacity. There are updates to case law and codes of practice, and numerous case studies and reflective activities to help underpin knowledge and learning. Affordable, practical, and tells you exactly what you need in order to pass assignments and prepare for practice. Key updates include new information on The Children and Families Act 2014, The Care Act 2014, Working Together to Safeguard Children 2012, Mental Capacity Act 2005. This book is in the Transforming Social Work Practice series. All books in the series are affordable, mapped to the Social Work Curriculum, practical with clear links between theory, practice, and written to the Professional Capabilities Framework.

Child Law for Social Work Jane Williams, 2008-05-18

An invaluable resource for all social workers in practice with children and families, this book examines key issues such as child protection, family support, care planning, adoption, and case preparation for court. With illustrative case studies throughout, the text is divided into two sections. Part 1 explores the legal context of social work practice with children, examining how international human rights standards are absorbed within domestic law. Part 2 explores the application of the law, policies, and systems to individual case work, illustrating rights-based thinking in practice. Accessible to those without a background in law, the book highlights links between social work standards and legal values and rules. With promotion of the rights of children and families, a measure of professional competence, and legal obligation, the book helps readers satisfy social work standards and use their knowledge of the law to improve their practice. The book is vital reading for all levels of social work student, including those undertaking

the post qualifying award in child care as well as being an indispensable resource for practitioners working with children and families Jane Williams is a lecturer in law at the University of Swansea She specialises in social work law and children s rights Other publications include Children and Citizenship SAGE 2007 co edited with Antonella Invernizzi Social Work Practice and the Law Lyn K. that governments utilize to secure children's safety Synthesizing data from across the world the authors suggest a global typology of child protection systems for understanding the diversity of service responses

Family Group Conferences in Social Work Deanna Edwards, Kate Parkinson, 2018-06-27 Family group conferences FGCs are a strengths based approach to social work practice empowering families to take responsibility for decision making It is a cost effective service which is currently used by the majority of local authorities This collection discusses the origins and theoretical underpinnings of family led decision making and brings together the current research on the efficacy and limitations of FGCs into a single text This insightful book also covers topics such as the use of FGCs in different areas of children and families social work uses case studies to illustrate current practice and explores whether FGCs should become a mainstream function of children and families social work

Exploring the Dynamics of Personal, Professional and Interprofessional Ethics Divya Jindal-Snape, Elizabeth S. F. Hannah, 2014-03-01 Although codes of conduct and ethics can offer guidance professionals who provide services to other people must regularly exercise their own judgment in increasingly complex and demanding work situations Because of their complexity these situations can lead to conflict between personal professional and interprofessional ethics in social work and other people centered fields Drawing on theory research and practice the contributors to this interdisciplinary volume systematically analyze these ethical dilemmas and offer practical suggestions that are sure to interest students academics and professionals

Law for Social Workers Hugh Brayne, Helen Carr, David Goosey, 2015 This new edition gives a clear and up to date picture of how the Children Act 1989 is working All chapters have been updated with the latest case law legislation and guidance

Children, Autonomy and the Courts Aoife Daly, 2017-12-18 In this book Aoife Daly argues that where courts decide children's best interests for example about parental contact the UN Convention on the Rights of the Child's right to be heard is insufficient and autonomy should instead be the focus Global law and practice indicate that children are regularly denied due process rights in their own best interest proceedings and find their wishes easily overridden It is argued that a children's autonomy principle respecting children's wishes unless significant harm would likely result would ensure greater support for children in proceedings and greater obligations on adults to engage in transparent decision making This book is a call for a reconceptualisation of the status of children in a key area of children's rights
