Cammish,Ruth Aedo-Richmond,Aparna Narayanan,Rose Njoroge,1997 Global *The Impact of Social Policy* Victor George,Profesor Paul Wilding,2023-02-03 First published in 1984 The Impact of Social Policy analyses and evaluates the effects of social policy on British society in the post war period The focus is on the consequences of social policy and the authors differentiate clearly between the objectives of social policy and what it actually achieves What governments and individuals claim that social policy does and what happens in practice are not always one and the same thing George and Wilding examine the impact of social policy in a coherent and logical way looking at the social the economic and the political aspects They conclude that social services are conducive to economic growth and that they are an important instrument for enhancing social well being although they do not reduce socio economic inequalities to any substantial degree They also point out that although social services buttress political stability they have not prevented a political crisis in the welfare state This book will be of interest to students of sociology public policy political science and economics **Writing the Women's Movement** Mala Khullar,2005 Contributed articles presented earlier at several seminars on women s studies and feminism in India

Gender, Management and Leadership in Initial Teacher Education Barbara Thompson,2016-10-26 This book highlights the difficulties that women working as managers and leaders in initial teacher education face Teacher education is at the forefront of education reforms and yet little is known about the professional lives of those who work within it Whereas many women are moving into positions of

authority in teacher training some existing women managers are being marginalized within new internally differentiated layers of managerial structures Yet other female managers mainly new appointees seem to endorse the discourses associated with new managerialist practices Simultaneously some women who manage in teacher training are engaged in a struggle for survival individually and professionally In the main men seem to be missing from authority positions and will conclude that in the current climate the management of teacher training is no job for a man
