Society Transformed Hungary In Timespace Perspective:

Hungary's Crisis of Democracy Peter Wilkin, 2016-08-26 This book examines the crisis of democracy that has arisen in Hungary since the election of the Fidesz government in 2010. After moving swiftly to transform the Hungarian constitution, Fidesz created a new political system which has led its critics to argue that the era of democracy in Hungary is over. US Senator John McCain has gone so far as to describe Hungary as an illiberal democracy on a path toward fascism. The author argues that Fidesz has sought to challenge the capitalist and democratic transformation that shaped Hungary for 20 years after the fall of communism by increasing the power of the state over crucial aspects of the economy, society, and the political system. In so doing, Fidesz's actions resemble those undertaken by many authoritarian states that have emerged since the end of the Second World War, all aiming to build up a national capitalism and protect their economies whilst undertaking nation building. To make sense of this, the author draws upon two traditions of thought: world systems analysis, which situates Hungary in the context of its incorporation in the modern capitalist world system after the fall of communism, and anarchist social thought, which provides a unique way of seeing the actions of states and political elites. In so doing, the book argues that the events unfolding in Hungary cannot be explained on the basis of Hungarian exceptionalism but must be situated in the broader political and economic context that has shaped the development of Hungary since 1990. The form of capitalism introduced in Hungary and across the region of East and Central Europe has systematically undermined the strong state and social security that had existed under communism, and when added to the failure of the left and liberals in the region, it has paved the way for far right and neo fascist political movements to emerge, claiming the mantle of defenders of society from the market. This represents a fundamental threat to the enlightenment traditions that have shaped dominant modern political ideologies and raises profound problems for both the EU and NATO.

Symbolic Traces of Communist Legacy in Post-Socialist Hungary Lisa Pope Fischer, 2016-09-12 In *Symbolic Traces of Communist Legacy in Post socialist Hungary*, Lisa Pope Fischer shows how personal practices symbolically refurbish elements from the Communist era to fit present day challenges. A generation who lived through the socialist period adapted to post socialist Hungary in a global context. Life histories weave together case studies of gift giving, procurement strategies, harvest ritual, healthcare, and socialist kitsch to illustrate turns towards mysticism, neo traditionalism, nostalgia, nationalism, and shifts in time place. People's unrequited past longing for future possibilities of a Western society facilitate desires for a lost way of life. Not only does this work gain understanding of an aging population's life experiences and the politics of everyday practices, but also social change in a modern global world.

Understanding Post-Communist Transformation Richard Rose, 2009-01-21 The fall of the Berlin Wall launched the transformation of government, economy, and society across half of Europe and the former Soviet Union. The text compares how ordinary people have coped with the stresses and opportunities of transforming into post Communist societies.

The Sovietization of Rural Hungary, 1945-1980 József Ö. Kovács, Gergely Krisztián Horváth, Gábor Csikós, 2023-06-05 In

this book the experiential history of the Soviet style social transformation projects between 1945 and 1980 is discussed through the example of rural Hungary The book interprets state socialism as a modernization project Existing socialism was a form of dictatorship in which authorities sought to transform the mentalities of their subjects from the individual level to the global scale This project depended on socio economic homogenization one important method of asserting state power was the transformation of property rights land redistribution collectivization Communist modernization discriminated against the inhabitants of rural areas who were the primary victims of collectivization and the discriminatory effects of the rules implemented by policymakers The resulting radical changes in peasant lifestyles would become a source of social pathologies However not the authorities but contemporary scholars considered the social costs of these actions The book aims at Weberian disenchantment and contributes to the deconstruction of the common image of Hungarian socialism the happiest barrack The intended audience includes readers at the graduate level in the fields of history political science and anthropology general readers interested in the history of communism It is hoped that the research questions inspire new research for exploring convergent and divergent elements in social transformation in former communist countries

Hungary since 1945 Árpád von Klimó, 2017-12-14 Lying on the political fault line between East and West for the past seventy five years the significance of Hungary in geopolitical terms has far outweighed the modest size of its population This book charts the main events of these tumultuous decades including the 1956 Uprising the end of Hungarian communism entry into the European Union and the rise to power of Viktor Orbán and the national conservative ruling party Fidesz

After Communism: Perspectives on Democracy (p) Donald R. Kelley, 2003 In this collection top scholars of Soviet and post Soviet studies convene to explore communism's aftermath They consider state building and constitutionalism the transition to market capitalism and democracy across Eastern Europe the political development of Muslim states the complex and differential developments of electoral systems the risks and opportunities of nationalism and new political and economic activities in Russia from corruption to contracts Editor Donald Kelley introduces the volume with a synthesis of the theoretical and empirical findings of the volume and his brief chapter introductions place each contribution in relation to the other essays and to larger debates on democratization

Many Globalizations Peter L. Berger, Samuel P. Huntington, 2002 Many Globalizations is an attempt to account for the cultural impact of globalisation in the lives of ordinary citizens from ten countries The results of the study portray vast numbers of people intermixing participation in a global economy with indigenous values and lifestyles

Local Governance in Central and Eastern Europe T. Lankina, A. Hudalla, H. Wollmann, 2008-01-23 This book examines local government performance in key areas of social services and economic promotion in eight towns in the Czech Republic Hungary Poland and Russia It dispels the myth that socio economic givens or inter governmental systems are key determinants of local development

Globalization, Uncertainty, and Men's Careers Hans-Peter Blossfeld, Melinda Mills, Fabrizio Bernardi, 2006-01-01 Globalization argue the contributors to this book

has remarkably accelerated social and economic change in modern societies One such change is manifested in the world of work and careers This book explores whether the forces of globalization affect the erosion of standard career patterns of mid career men in twelve OECD countries Overwhelming evidence against the individualization of inequality thesis is provided it is argued that equality remains largely stratified by factors such as occupational class and educational level and in some countries has even grown over time

East European Cinemas Anikó Imre, 2005-09-14 Eastern Europe has produced rich and varied film cultures Czech Hungarian and Serbian among them whose histories have been intimately tied to the transition from Soviet domination to the complexities of post Communist life This latest volume in the AFI Film Readers series presents a long overdue reassessment of East European cinemas from theoretical psychoanalytic and gender perspectives moving the subject beyond the traditional area studies approach to the region s films This ambitious collection situating Eastern Europe s many cinemas within global paradigms of film study will be an essential work for all students of cinema and for anyone interested in the relation of film to culture and society

Inventing the Needy Lynne Haney, 2002-06-03 In her beautifully written deeply researched and elegantly argued book Lynne Haney shows how much American policy makers can learn from Hungary s social welfare experience By unpacking the very different strategies that Hungary has adopted during the past half century Haney s account illuminates basic policy choices about how a society any society addresses the problems of poverty It makes

indispensable reading for those on both sides of the Atlantic who care about the lives of the poor David Kirp author of *Gender Justice* *Inventing the Needy* is a theoretically engaged and methodologically innovative ethnography of Hungarian welfare regimes from 1948 to 1996 Studying the state from below her multi layered and multi sited analysis of the transformations in state policies and institutional practices and their effects on everyday life is an important contribution to comparative studies of welfare states the social construction of the materialization and materialization of need as well as to critical socialist postsocialist and feminist studies Well written lucidly argued thoughtful and thought provoking Gail Kligman author of *The Politics of Duplicity* *Controlling Reproduction in Ceausescu's Romania* *Inventing the Needy* stands at the forefront of a new generation of revisionist scholarship It dispenses with the sharp dichotomies of capitalism and communism and forsakes triumphal interpretations of the transition to the free market and liberal democracy Looking at Hungary through the eyes of women and their experiences with successive welfare regimes Lynne Haney offers a more balanced and variegated picture of the state socialist past and a more sober account of the capitalist present *Inventing the Needy* is a brilliant combination of ethnography history and theory Michael Burawoy co author of *Global Ethnography* *Forces Connections and Imaginations in a Postmodern World* Lynne Haney's provocative original and altogether brilliant study of welfare restructuring in Hungary in the wake of 1989 challenges us to rethink gender states and social policies in both east and west while providing essential conceptual tools for doing so Ann Shola Orloff coauthor of *States Markets Families Gender Liberalism and Social Policy in Australia Canada Great Britain and the United States* This important book engages the central issue sociology faces after the fall of communism *Inventing the Needy* is a careful empirically well documented and beautifully written analysis of the Hungarian welfare system during and after socialism Haney shows that a critical analysis of capitalism is possible from the perspective of a socialist alternative even today She challenges transitologists who often contrast an idealized capitalist present with a homogeneous and negative view of socialism This book is a must for those interested in theoretical debates about socialism and capitalism and in the welfare state and gender relations under and after socialism Ivan Szelenyi author of *Privatizing the Land Rural Political Economy in Post Communist and Socialist Societies* and co author of *Making Capitalism without Capitalists* *Class Formation and Elite Struggles in Post Communist Central Europe* **Tourists, Signs and the City** Michelle M. Metro-Roland, 2016-02-24 Drawing upon the literature of landscape geography tourism studies cultural studies visual studies and philosophy this book offers a multi disciplinary approach to understanding the interaction between urban environments and tourists This is a necessary prerequisite for cities as they make themselves into enticing destinations and compete for tourists attention It argues that tourists make sense of and draw meaningful conclusions about the places in which they tour based upon the interpretation of the signs or elements encountered within the built environment elements such as graffiti and lamp posts The writings of the American pragmatist Charles S Peirce on interpretation provide the theoretical model for explaining the way in which mind and world or thoughts and objects result in

tourists interacting with place This theoretical framework elucidates three applied studies undertaken with foreign visitors to the Hungarian capital of Budapest Based upon extensive ethnographic field work these studies focus on tourists interpretation of the urban landscape with particular attention paid to the encounters with national culture the role of architecture and the importance of the prosaic in urban tourism

Women's Access to Political Power in

Post-Communist Europe Richard E. Matland, Kathleen A. Montgomery, 2003-05-01 This book considers women's access to formal positions of powers in the newly formed democracies of post communist Europe While acknowledging the relevance of recent history this book takes an important step away from the communist legacy and explicitly argues for a framework based on causal variables identified in the existing literatures from industrialized democracies on women and politics and legislative recruitment After a brief introduction the second chapter sets forth a general theoretical framework which posits that the level of female legislative representation in a given country is a function of the relative supply of and demand for female candidates After a chapter considering a broad overview of public opinion on women and politics in Eastern Europe thirteen country chapters spanning the spectrum of Eastern European democracies address and test hypotheses about the key variables affecting the supply and demand sides of the equation in individual countries Relevant aspects of the communist cultural and developmental legacy are addressed but authors give particular attention to political factors such as electoral rules and the characteristics of the emerging party systems that vary within the Eastern European countries The new democracies of Eastern Europe provide a novel context in which to test and extend our theories about the consequences of political institutions for the quality of democracy Since institutional arrangements are more malleable than developmental or cultural characteristics those variables also offer the greatest promise to scholars and practitioners wondering what can be done to improve women's access to formal arenas of political power How can we build democracies that are stable lasting and representative A careful analysis of the post communist context can help us to address issues concerning institutional design and development that has relevance well beyond the Eastern European context

[The Oxford Handbook of Music and World Christianities](#) Suzel Ana Reily, Jonathan M. Dueck, 2016-03-16 The Oxford Handbook of Music and World

Christianities investigates music's role in everyday practice and social history across the diversity of Christian religions and practices around the globe The volume explores Christian communities in the Americas Europe Africa Asia and Australia as sites of transmission transformation and creation of deeply diverse musical traditions The book's contributors while mostly rooted in ethnomusicology examine Christianities and their musics in methodologically diverse ways engaging with musical sound and structure musical and social history and ethnography of music and musical performance These broad materials explore five themes music and missions music and religious utopias and other oppositional religious communities music and conflict music and transnational flows and music and everyday life The volume as a whole then approaches Christian groups and their musics as diverse and powerful windows into the way in which music religious ideas capital and power circulate

and change between places now and historically It also tries to take account of the religious self understandings of these groups presenting Christian musical practice and exchange as encompassing and negotiating deeply felt and deeply rooted moral and cultural values Given that the centerpiece of the volume is Christian religious musical practice the volume reveals the active role music plays in maintaining and changing religious moral and cultural values in a long history of intercultural and transnational encounters

A Good Comrade Roger Gough,2006-08-23 Few political lives have been as dramatic or as marked by sudden changes of fortune as that of Janos Kadar Hungary's communist leader from 1956 to 1988 A reformist who at first supported Imre Nagy's 1956 attempt to distance his country from Soviet domination Kadar eventually threw in his lot with the Soviet Union and the repression which followed Hungary's attempt at revolution in 1956 Was he an ambitious ruthless party functionary or a tragic visionary who sought to preserve a modicum of independence for his country by abandoning its aspirations and his friends In this the first biography in English since the collapse of the Soviet bloc Roger Gough paints a vivid picture of Kadar's personality and career whilst analysing his significance for Hungary and his place in the history of European communism A Good Comrade is a powerful portrait of a man who dominated Hungarian political life for three decades

When Left Moves Right Maria Snegovaya,2024 In *When Left Moves Right* Maria Snegovaya argues that the transition era pro market convergence of mainstream parties particularly the neoliberal policies adopted by former communist left parties left reform losers electorates in precarious economic situations such as working class electorates without political representation Subsequently these social groups were incorporated by emerging populist political actors

Elections Without Order Richard Rose,Neil Munro,2002-08-15 Publisher Description *Social Psychology and Politics* Joseph P. Forgas,Klaus Fiedler,William D. Crano,2015-04-17 Social psychology and politics are intricately related and understanding how humans manage power and govern themselves is one of the key issues in psychology This volume surveys the latest theoretical and empirical work on the social psychology of politics featuring cutting edge research from a stellar group of international researchers It is organized into four main sections that deal with political attitudes and values political communication and perceptions social cognitive processes in political decisions and the politics of intergroup behavior and social identity The contributions address such exciting questions as how do political attitudes and values develop and change What role do emotions and moral values play in political behavior How do political messages and the media influence political perceptions What are the psychological requirements of effective democratic decision making and why do democracies sometimes fail How can intergroup harmony be developed and what is the role of social identity in political processes As such this volume integrates the role of cognitive affective social and cultural influences on political perception and behavior offering an overview of the psychological mechanisms underlying political processes It provides essential reading for teachers students researchers and practitioners in areas related to power social influence and political behavior

A Society Transformed Rudolf Andorka,Tamás Kolosi,Richard Rose,György Vukovich,1999-01-06 In the past half century

every Central and East European society has been twice subject to transformation Initially Hungary was transformed by communist style modernization increasing industry expanding secondary education and improving health The second shock was the collapse of the communist regime and the introduction of democratic institutions and a market economy How much or how little impact has institutional change had on the lives of ordinary people Drawing on detailed surveys highlighted in tables and figures the authors identify long term changes in Hungary from the late 1940s to the late 1980s and provide an in depth analysis of the impact of the collapse of the communist system in the 1990s They also compare long term and short term change in Hungary with trends in other Central and Eastern European countries

Society Transformed Hungary In Timespace Perspective Introduction

In today's digital age, the availability of Society Transformed Hungary In Timespace Perspective books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Society Transformed Hungary In Timespace Perspective books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Society Transformed Hungary In Timespace Perspective books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Society Transformed Hungary In Timespace Perspective versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Society Transformed Hungary In Timespace Perspective books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Society Transformed Hungary In Timespace Perspective books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Society Transformed Hungary In Timespace Perspective books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Society Transformed Hungary In Timespace Perspective books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Society Transformed Hungary In Timespace Perspective books and manuals for download and embark on your journey of knowledge?

FAQs About Society Transformed Hungary In Timespace Perspective Books

1. Where can I buy Society Transformed Hungary In Timespace Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Society Transformed Hungary In Timespace Perspective book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Society Transformed Hungary In Timespace Perspective books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets:

You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Society Transformed Hungary In Timespace Perspective audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Society Transformed Hungary In Timespace Perspective books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
