

Principles of Sociology (SOC-100-110/J10)

Professor E.K. Healy, Spring 2022
Elgin Community College
Melly Rasmussen

Week 2: The Sociological Imagination and An Introduction to Sociology

Reading Notes

The Sociological Imagination

C. Wright Mills

<https://www.thoughtco.com/sociological-imagination-3026756>

Mills, C. Wright. "The Promise." In *The Sociological Imagination*. Oxford University Press, 1959.

- Being Trapped/Introduction (p. 1)
 - Life is full of traps:
 - Personal troubles cannot be overcome
 - It is all around the person's job, family, or income (p. 1)
 - Society rises, and a person falls:
 - someone can become poor or rich
 - a person can lose their job while the other one gains one
 - people get separated and are alone (p. 1)
- Defining Troubles and sociological changes (p. 1)
 - Trouble is all about what happens during history:
 - is not entirely true
 - is mainly about how they associate themselves with their own lives and the course of history (p. 1)
 - It's all about intricate connections and history-making
 - people can't see this because their troubles blind them.
 - History shows the drastic changes in society:
 - It happens when we see how different each gender acts and how the gender roles are switched
 - "The history that now affects every individual in world history. Within this scene and this period, in the course of a single generation, one-sixth of humankind is transformed from all that is feudal and backward into all that is modern, advanced, and fearful. " (Mills, 1)
- The Shaping of History depends on information and what someone needs to know (p.2)
