*Sociological Perspectives on Media Piracy in the Philippines and Vietnam* Vivencio O. Ballano, 2015-12-26 This book addresses the persistence of the optical media piracy trade in the Philippines and Vietnam It goes beyond arguments of defective law enforcement and copyright legal systems by applying sociological perspectives to examine the socio economic forces behind the advent of piracy in the region Using documentary and ethnographic data in addition to resistance and ecological theories in sociology of law and technology as the overall theoretical framework the book investigates factors that contribute to this phenomenon and factors that impede the full formalization of the optical media trade in the two countries These factors include the government s attitude towards the informal sector and strong resistance to tougher IPR protection unstable and sometimes conflicting policies on technologies burdensome business registration process and weak enforcement of business regulations bureaucratic corruption and loopholes in law enforcement system as well as trade ties with China In addition to that the book highlights the social background of the actors behind the illegal business of counterfeit CDs and DVDs thereby explaining the reasons they continue to persist in this type of trade It invites policymakers law enforcers advocates of anti piracy groups and the general public to use a more holistic lens in understanding the persistence of copyright piracy in developing countries shifting the blame from the moral defect of the traders to the current problematic copyright policy and enforcement structure and the difficulty of crafting effective anti piracy measures in a constantly evolving and advancing technological environment Classical Sociological Theory George Ritzer, Jeffrey Stepnisky, 2020-03-27 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Classical Sociological Theory Eighth Edition provides a comprehensive overview of the major theorists and schools of sociological thought from the Enlightenment roots of theory through the early 20th century The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of classical authors as well as to compare and contrast classical theories *Methods of Criminology and Criminal Justice Research* Mathieu Deflem, Derek M.D. Silva, 2019-08-26 As scholarly work on crime deviance criminal justice and social control advances and sophisticated methods of investigation develop chapter authors demonstrate the methodological maturity and diversity of current empirical research in criminology and criminal justice

**Handbook of Classical Sociological Theory** Seth Abrutyn, Omar Lizardo, 2021-11-01 This is the first handbook focussing on classical social theory It offers extensive discussions of debates arguments and discussions in classical theory

and how they have informed contemporary sociological theory The book pushes against the conventional classical theory pedagogy which often focused on single theorists and their contributions and looks at isolating themes capturing the essence of the interest of classical theorists that seem to have relevance to modern research questions and theoretical traditions This book presents new approaches to thinking about theory in relationship to sociological methods     The Intersectional Approach Michele Tracy Berger, Kathleen Guidroz, 2010-01-01 Intersectionality or the consideration of race class and gender is one of the prominent contemporary theoretical contributions made by scholars in the field of women s studies that now broadly extends across the humanities social sciences and natural sciences Taking stock of this transformative paradigm The Intersectional Approach guides new and established researchers to engage in a critical reflection about the broad adoption of intersectionality that constitutes what the editors call a new social literacy for scholars In eighteen essays contributors examine various topics of interest to students and researchers from a feminist perspective as well as through their respective disciplines looking specifically at gender inequalities related to globalization health motherhood sexuality body image and aging Together these essays provide a critical overview of the paradigm highlight new theoretical and methodological advances and make a strong case for the continued use of the intersectional approach both within the borders of women s and gender studies and beyond Contributors Lidia Anchisi Gettysburg College Naomi Andre University of Michigan Jean Ait Belkhir Southern University at New Orleans Michele Tracy Berger University of North Carolina at Chapel Hill Kia Lilly Caldwell University of North Carolina at Chapel Hill Elizabeth R Cole University of Michigan Kimberle Crenshaw University of California Los Angeles Bonnie Thornton Dill University of Maryland Michelle Fine Graduate Center City University of New York Jennifer Fish Old Dominion University Mako Fitts Seattle University Kathleen Guidroz Mount St Mary s University Ivette Guzman Zavala Lebanon Valley College Kaaren Haldeman Durham North Carolina Catherine E Harnois Wake Forest University AnaLouise Keating Texas Woman s University Rachel E Luft University of New Orleans Gary K Perry Seattle University Jennifer Rothchild University of Minnesota Morris Ann Russo DePaul University Natalie J Sabik University of Michigan Jessica Holden Sherwood University of Rhode Island Yvette Taylor University of Newcastle United Kingdom Nira Yuval Davis University of East London     *Contemporary Sociological Theory and Its Classical Roots* George Ritzer, Jeffrey Stepnisky, 2022-04-18 Contemporary Sociological Theory and Its Classical Roots The Basics is a brief survey of sociology s major theorists and theoretical approaches from the Classical founders to the present The authors connect many theorists together into chapters with broad headings Contemporary Integrative Theories Contemporary Theories of Everyday Life etc that offer students a big picture synthesized view of the entire span of sociological theory     **Classical Theorists in the Social Sciences** Dejo Abdulrahman, 2023-05-05 This book is a useful companion to every social science student who desires an understanding of classical theoretical developments in and evolution of the disciplines     **Law & the Beautiful Soul** Alan Norrie, 2013-03-04 Starting from concrete legal issues Alan Norrie develops a critical vision of law in its relation to

morality and socio historical context Traced historically the conflicts he describes can be read today in law s treatment of legality and justice judgment and responsibility Joint winner of the Hart Socio Legal Studies Association Book Prize 2006

Explorations in Classical Sociological Theory Kenneth Allan,Sarah Daynes,2016-09-22 Praised for its conversational tone personal examples and helpful pedagogical tools the Fourth Edition of Explorations in Classical Sociological Theory Seeing the Social World is organized around the modern ideas of progress knowledge and democracy With this historical thread woven throughout the chapters the book presents a diverse selection of major classical theorists including Marx Spencer Durkheim Weber Mead Simmel Martineau Gilman Douglass Du Bois Parsons and the Frankfurt School Kenneth Allan and new co author Sarah Daynes focus on the specific views of each theorist rather than schools of thought and highlight modernity and postmodernity to help contemporary readers understand how classical sociological theory applies to their lives **A Sociotheological Approach to Catholic Social Teaching** Vivencio O. Ballano,2022-10-31 This book introduces

Catholic social teaching CST and its teaching on the common good to the reader and applies them in the realm of public health to critically analyze the major global issues of COVID 19 that undermine public interest It uses the sociotheological approach that combines the moral principles of CST and the holistic analysis of modern sociology and also utilizes the secondary literature as the main source of textual data Specifically it investigates the corporate moral irresponsibility and

some unethical business practices of Big Pharma in the sale and distribution of its anti COVID vaccines and medicines the injustice in the inequitable global vaccine distribution the weakening of the United States Congress s legislative regulation against the pharmaceutical industry s overpricing and profiteering the inadequacy of the World Health Organization s WHO law enforcement system against corruption and the lack of social monitoring in the current public health surveillance system to safeguard the public good from corporate fraud and white collar crime This book highlights the contribution of sociology in providing the empirical foundation of CST s moral analysis and in crafting appropriate Catholic social action during the pandemic It is hoped that through this book secular scholars social scientists religious leaders moral theologians religious educators and Catholic lay leaders would be more appreciative of the sociotheological approach to understanding religion and COVID 19 This book brings into dialogue two bodies of literature documents of Catholic social teaching and modern sociology and its core thinkers and texts The author does especially well to describe how taking the sociotheological turn will benefit the credibility and dissemination of Catholic social thought Rev Fr Thomas Massaro S J Professor of Moral Theology Jesuit School of Theology Santa Clara University Berkeley California      *Popular Music* Tara Brabazon,2011-10-03 An incredibly wide ranging critical account of popular music The book is an essential resource for all staff and students in the field John Storey Centre for Research in Media and Cultural Studies University of Sunderland Organized in accessible sections and covering the main themes of research and teaching it examines The key approaches to understanding popular music The main settings of exchange and consumption The role of technology in the production of popular music The main genres of popular music The key debates of the present day Barbazon writes with verve and penetration Her approach starts with how most people actually consume music today and transfers this onto the plain of study The book enables teachers and students to shuffle from one topic to the other whilst providing an unparalleled access the core concepts and issues As such it is the perfect study guide for undergraduates located in this exciting and expanding field Tara Brabazon is Professor of Communication at University of Ontario Institute of Technology UOIT      **An Invitation to Ethnomethodology** David Francis,Stephen Hester,2004-06-22 This book offers a new and rigorous approach to observational sociology that is grounded in ethnomethodology and conversation analysis Throughout the authors encourage the reader to explore the social world at first hand beginning with the immediate family context and then moving out into the public realm and organizational life Examples of observational analysis are given with reference to topic areas such as family life education medicine crime and deviance and the reader is shown how to conduct their own inquiries using methods and materials that are readily and ordinarily available Drawing on both original material and published studies Francis and Hester demonstrate how observational sociology can be carried out with an attention to detail typically overlooked by more traditional ethnographic approaches      **European Approaches to International Relations Theory** Jörg Friedrichs,2004-03 Jorg Friedrich presents an important new introduction to the existence and relevance of European approaches to IR theory and sets an

agenda for the progressive development of a Eurodiscipline of IR studies      **ECRM2015-Proceedings of the 14th European Conference on Research Methods 2015** Dr Vincent Cassar, Dr Frank Bezzina, 2015-06-01 Complete proceedings of the 14th European Conference on Research Methodology for Business and Management Studies Valletta Malta Published by Academic Conferences and Publishing International      **Introduction to Qualitative Research Methods** Steven J. Taylor, Robert Bogdan, Marjorie L. DeVault, 2015-10-19 An informative real world guide to studying the why of human behavior Introduction to Qualitative Research Methods is a practical comprehensive guide to the collection and presentation of qualitative data Unique in the market this book describes the entire research process from design through writing illustrated by examples of real complete qualitative work that clearly demonstrates how methods are used in actual practice This updated fourth edition includes all new case studies with additional coverage of mixed methods non sociological settings funding and a sample interview guide The studies profiled are accompanied by observation field notes and the text includes additional readings for both students and instructors More than just theory this guide is designed to give you a real world practitioner s view of how qualitative research is handled every step of the way Many different disciplines rely on qualitative research as a method of inquiry to gain an in depth understanding of human behavior and the governing forces behind it Qualitative research asks why and how and the data is frequently complex and difficult to measure This book shows you how to effectively handle qualitative work regardless of where it s being applied Understand the strengths and limitations of qualitative data Learn how experts work around common methodological issues Compare actual field notes to the qualitative studies they generated Examine the full range of qualitative methods throughout the research process Whether you re studying sociology psychology marketing or any number of other fields especially in the social and behavioral sciences human behavior is the central concern of your work So what drives human behavior That s what qualitative research helps to explain Introduction to Qualitative Research Methods gives you the foundation you need to begin seeking answers      *Theory for the Working Sociologist* Fabio Rojas, 2017-04-04 Theory for the Working Sociologist makes social theory easy to understand by revealing sociology s hidden playbook Fabio Rojas argues that sociologists use four different theoretical moves when they try to explain the social world how groups defend their status how people strategically pursue their goals how values and institutions support each other and how people create their social reality Rojas uses famous sociological studies to illustrate these four types of theory and show how students and researchers may apply them to their interests The guiding light of the book is the concept of the social mechanism which clearly and succinctly links causes and effects in social life Drawing on dozens of empirical studies that define modern sociology and focusing on the nuts and bolts of social explanation Rojas reveals how areas of study within the field of sociology that at first glance seem dissimilar are in fact linked by shared theoretical underpinnings In doing so he elucidates classical and contemporary theory and connects both to essential sociological findings made throughout the history of the field Aimed at

undergraduate students graduate students journalists and interested general readers who want a more formal way to understand social life Theory for the Working Sociologist presents the underlying themes of sociological thought using contemporary research and plain language

### **Sociology Classic And Popular Approaches Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Sociology Classic And Popular Approaches has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sociology Classic And Popular Approaches has opened up a world of possibilities. Downloading Sociology Classic And Popular Approaches provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sociology Classic And Popular Approaches has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sociology Classic And Popular Approaches. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sociology Classic And Popular Approaches. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sociology Classic And Popular Approaches, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in

unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sociology Classic And Popular Approaches has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
