*Speak of the Devil* Maya Daniels, 2019-06-19 She was his to protect but they stole her away Eric spent centuries protecting his kind by staying as far away from the Order as possible When one of the founders gave him an offer he couldn't refuse he met Helena He knew the moment he set eyes on her that she was his Archangel Michael however had different plans His actions set things into motion none of them could predict Correcting his mistake might not save him from Eric's wrath because the Prince of Hell has only one thing on his mind He will have Helena safe or the Heavens will burn The Broken Halos series in order The Devil is in the Details Book 1 *Speak of the Devil* Book 2 *Encounter with the Devil* Book 3 *The Devil in Disguise* Book 4 coming soon      **Andrei Bitov** Ellen Chances, 1993-11-11 This is the first book on Andrei Bitov one of contemporary Russia's most original writers It plots his evolution from his early publications of the post Stalin years to his mature masterpieces of the glasnost era Ellen Chances assesses his place both in the Russian literary tradition from Pushkin onwards and as part of a broader international cultural heritage including Dickens Fellini and Proust She explores his themes from the psychological effects of Stalin on Soviet society to universal questions such as the human being's relationship with nature history and culture and discovers in his deeply philosophical and intensely psychological writings an innovative methodology ecological prose that goes beyond modernist and post modernist fragmentation in search of the wholeness of life      ***Speak of the Devil*** George Sewell, 1995      ***Speaking of Satan in Zambia*** Johanneke Kroesbergen-Kamps, 2023-03-01 In this book it is argued that narratives about Satanism which have become popular in the Christian context of Zambia from the 1990s onwards make cultural sense because of their links to traditional African notions as well as contemporary Christian theologies These narratives also resonate with unease regarding the cultural change which is connected by Zambians to modernity Narratives about Satanism further make personal sense to their narrators the pastors who provide a platform for them and their audiences These arguments contribute to the academic study of religion in Africa in particular of African Christianity and of witchcraft related phenomena as well as to the global study of discourses on Satanism and other conspiracy theories All of these disciplines are related to the topic of Satanism in Zambia but the phenomenon itself has not been discussed at length which makes the existing academic literature incomplete and inadequate The comprehensive focus on the case of narratives about Satanism in Zambia offers new insights and enhances current theoretical reflection The research presented in this book is original carried out during fieldwork spanning from 2012 to 2017 in Zambia and literature study in the years after that Methodologically the research is based on participant observation in churches in which testimonies of ex Satanists were presented as well as participation in the Fingers of Thomas a Roman Catholic group which investigates rumours about Satanism Furthermore it is based on interviews with pastors and students

of theology active in the deliverance ministry from Pentecostal as well as mainline churches and also on interviews with people who have had experiences of Satanism Finally the research is based on an analysis of collected testimonies of ex Satanists as they were presented in these interviews in churches on radio programmes in newspapers and in other sources
