Robert Higgs

Speak Out Against The New Right:

Women of the New Right Rebecca Klatch, 2010-09-13 The first coherent picture of who joins such movements as the New Right and how they think

Speak Out, Against the New Right Herbert F. Vetter, 1982 Twenty three important figures in government the arts medicine religion business and science assess the New Right s inroads into our political system and present level headed rebuttals to these vociferous attacks on women s rights sex education in the schools welfare programs abortion international detente and more A fresh perspective on the political battle of the new millennium Speak Out provides valuable tactics for responsible activism

Criticizing Science Myrna Perez, 2024-12-17 This work is an examination of the criticisms of science from both left and right wing political movements through the lens of the scientist Stephen Jay Gould

Ideological Possession and the Rise of the New Right Laurie M. Johnson, 2019-05-16 Political theorist Laurie M Johnson deals with Jung s analysis of the effects of modern scientific rationalism on the development of communism fascism and Nazism in the 20th century and applies this analysis to the rise of the New Right in the 21st century Jung s thought provides much needed insight into contemporary ideologies such as neoliberalism Identitarianism and the Alt Right Johnson explains Jungian analytical psychology as it relates to these topics with a chapter devoted to Jung s views of Friedrich Nietzsche who exemplifies the modern problem with his proclamation that God is dead and an in depth discussion of Jung s views on truth and the psychological function of religion as a safeguard against deadly mass movements She then turns to Jung s treatment of anti-Semitism and the Nazi movement and his views on race and racism Johnson applies these historical insights to the current manifestations of mass psychological disruption in the clash between neoliberals and the right wing populist and Identitarian movements on the rise in North America and Europe She concludes by discussing the search for an authentic and meaningful life in a West that rejects extremism and is open to authentic spiritual experiences as a counterbalance to mass mindedness Ideological Possession and the Rise of the New Right will appeal to both undergraduate and graduate students of psychology and intellectual history The book will also be of interest to those wishing to understand the new nationalist nativist and Identitarian movements

New Right, New Racism Amy Elizabeth Ansell, 2016-07-27 New Right New Racism is a comparative analysis of the role of racialized symbols in the right turn of US and British politics in the late 1970s through to today The author argues that the symbol of race has been central to the New Right s project to redefine the cultural codes and broader social imaginary upon which the consensus politics of the post war years was built In the process of mobilizing race as an ideological articulator of the exit from consensus politics the New Right has promoted a new form of racism qualitatively distinct from more traditional forms

The Age of Evangelicalism Steven P. Miller, 2014-04-10 At the start of the twenty first century America was awash in a sea of evangelical talk The Purpose Driven Life Joel Osteen The Left Behind novels George W Bush Evangelicalism had become so powerful and pervasive that political scientist Alan Wolfe wrote of a sense in which we are all evangelicals now Steven P Miller offers a

dramatically different perspective the Bush years he argues did not mark the pinnacle of evangelical influence but rather the beginning of its decline *The Age of Evangelicalism* chronicles the place and meaning of evangelical Christianity in America since 1970 a period Miller defines as America's born again years This was a time of evangelical scares born again spectacles and battles over faith in the public square From the Jesus chic of the 1970s to the satanism panic of the 1980s the culture wars of the 1990s and the faith based vogue of the early 2000s evangelicalism expanded beyond churches and entered the mainstream in ways both subtly and obviously influential Born again Christianity permeated nearly every area of American life It was broad enough to encompass Hal Lindsey's doomsday prophecies and Marabel Morgan's sex advice Jerry Falwell and Jimmy Carter It made an unlikely convert of Bob Dylan and an unlikely president of a divorced Hollywood actor As Miller shows evangelicalism influenced not only its devotees but its many detractors religious conservatives secular liberals and just about everyone in between *The Age of Evangelicalism* contained multitudes it was the age of Christian hippies and the silent majority of *Footloose* and *The Passion of the Christ* of Tammy Faye Bakker the disgraced televangelist and Tammy Faye Messner the gay icon Barack Obama was as much a part of it as Billy Graham *The Age of Evangelicalism* tells the captivating story of how born again Christianity shaped the cultural and political climate in which millions of Americans came to terms with their times

The New Right Michael Malice, 2019-05-14 The definitive firsthand account of the movement that permanently broke the American political consensus What do internet trolls economic populists white nationalists techno anarchists and Alex Jones have in common Nothing except for an unrelenting hatred of evangelical progressivism and the so called Cathedral from whence it pours forth Contrary to the dissembling explanations from the corporate press this movement did not emerge overnight nor are its varied subgroups in any sense interchangeable with one another As united by their opposition as they are divided by their goals the members of the New Right are willfully suspicious of those in the mainstream who would seek to tell their story Fortunately author Michael Malice was there from the very inception and in *The New Right* recounts their tale from the beginning Malice provides an authoritative and unbiased portrait of the New Right as a movement of ideas ideas that he traces to surprisingly diverse ideological roots From the heterodox right wing of the 1940s to the Buchanan Rothbard alliance of 1992 and all the way through to what he witnessed personally in Charlottesville *The New Right* is a thorough firsthand accounting of the concepts characters and chronology of this widely misunderstood sociopolitical phenomenon Today's fringe is tomorrow's orthodoxy As entertaining as it is informative *The New Right* is required reading for every American across the spectrum who would like to learn more about the past present and future of our divided political culture

The Wiley Blackwell Companion to Religion and Ecology John Hart, 2017-03-24 In the face of the current environmental crisis which clearly has moral and spiritual dimensions members of all the world's faiths have come to recognize the critical importance of religion's relationship to ecology *The Wiley Blackwell Companion to Religion and Ecology* offers a comprehensive overview of the history and the latest developments in religious

engagement with environmental issues throughout the world Newly commissioned essays from noted scholars of diverse faiths and scientific traditions present the most cutting edge thinking on religion s relationship to the environment Initial readings explore the ways traditional concepts of nature in Christianity Judaism Islam Buddhism and other religious traditions have been shaped by the environmental crisis Readings then address the changing nature of theology and religious thought in response to the challenges of protecting the environment Various conceptual issues and themes that transcend individual traditions climate change bio ethics social justice ecofeminism and more are then analyzed before a final section examines some of the immediate challenges we face in caring for the Earth while looking to the future of religious environmentalism Timely and thought provoking Companion to Religion and Ecology offers illuminating insights into the role of religion in the ongoing struggle to secure the future well being of our natural world With a foreword by Ecumenical Patriarch Bartholomew I and an Afterword by John Cobb The New Right in the New Europe Seán Hanley,2007-08-07 This book considers the emergence of centre right parties in Eastern Europe following the fall of communism focusing primarily on the case of the Czech Republic Although the country with the strongest social democratic traditions in Eastern Europe the Czech Republic also produced the region s strongest and most durable party of the free market right in V clav Klaus Civic Democratic Party ODS Se n Hanley considers the different varieties of right wing politics that emerged in post communist Europe exploring in particular detail the origins of the Czech neo liberal right tracing its genesis to the reactions of dissidents and technocrats to the collapse of 1960s reform communism He argues that rather than being shaped by distant historical legacies the emergence of centre right parties can best be understood by examining the responses of counter elites outside or marginal to the former communist party state establishment to the collapse of communism and the imperatives of market reform and decommunization This volume goes on to consider the emergence of right wing forces in the disintegrating Civic Forum movement in 1990 the foundation of the ODS the right s period in office under Klaus in 1992 97 and its subsequent divisions and decline It concludes by analyzing the ideology of the Czech Right and its growing euroscepticism **The Reagan Revolution and the Rise of the New Right** Kenneth J. Heineman,2021-06-24 For students of U S history The Reagan Revolution explores how a Hollywood upstart and eventual conservative leader became one of the most successful and influential presidents in U S history one whose presidency helped to define the end of the Cold War This book covers Ronald Reagan s long rise to the presidency and the conservative political revolution he brought about in the 1980s Spurning the moderate values and policies Republicans had previously championed Reagan s revolution continues to play an outsized role in America s political life This important reference book gives browsers and readers alike an opportunity to focus on many of the intertwined issues of the 1980s abortion gay rights law and order the Cold War tax cuts de industrialization the Religious Right and the political divisions that made Reagan s legislative victories possible The book opens with a concise biography covering Reagan s rise from radio personality and actor to governor and president

Subsequent chapters cover politics and policy. Chapters also include an important review of Reagan's legendary public relations operations, morning in America and the perfection of the television photo op and the ways in which 1980s popular culture influenced and was influenced by his presidency. This section portrays Reagan as a product of Hollywood who keenly understood the importance of public opinion and creating a positive image.

Comparative Health Policy and the New Right Christa Altenstetter, Stuart C. Haywood, 1991-06-18 A compilation of essays which examine the response of the new Right to health policy issues. While economic circumstances dictate the pressures placed on policy makers, it is argued that there is a gap between the rhetoric they espouse and the actions/initiatives taken.

Liberalism Versus Conservatism François B. Gérard, 2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians, marketers, and even the ever-peering government. We are being targeted daily by flaming liberals, left-wing liberals, right-wing conservatives, compassionate conservatives, religious conservatives, and liberals, pinko liberals, middle-of-the-road liberals, conservatives, and liberals, pinko liberals, middle-of-the-road liberals, and conservatives, and of course by neoconservatives and neoliberals. The search is on for kindred souls, the types who will open their wallets to support whatever it is the hucksters are peddling. But what do these concepts mean and do their torchbearers grasp the underlying philosophies or do they care? This bibliography lists over hundreds of entries under each category which are then indexed by title and author.

Furious Minds Laura K. Field, 2025-11-04 The story of the radical conservative intellectual movement shaping Donald Trump's agenda and how it threatens American freedoms, values, and democracy. Donald Trump is not a big thinker, but his 2016 presidential victory presented a grand opportunity for people who are and it set off a radicalization and reconfiguration of the American conservative intellectual world. In *Furious Minds*, Laura Field, who spent close to a decade in conservative academic circles, chronicles the rise of the New Right, the network of academics, public intellectuals, and influencers who provide ideological fuel to Trumpism. This movement includes figures such as Patrick Deneen, Christopher Rufo, Peter Thiel, and JD Vance. Their agenda is built to last and it has dire long-term implications for liberal democracy. The New Right has precedents in American history, but it is distinct for its youthfulness, misogyny, and extraordinary successes, most notably the elevation of Vance to the vice presidency. The movement, which draws together associates of the right-wing Claremont Institute, National Conservatives, Postliberals, and the Hard Right, advocates nationalist economics, tight borders, isolationism, and reactionary social values. It helped to strategize January 6th and created Project 2025. But above all, the New Right is engaged in a vast culture war against modern liberal pluralism. It is determined to harness state power and use it in new illiberal ways, from college campuses to the international scene, all driven by the fantasy of restoring a pure America. Incisive and urgent, *Furious Minds* tells the story of the thinkers of the New Right and their powerful assault on American freedoms, values, and ideals.

[The Routledge Companion to Literature and Human Rights](#) Sophia McClennen, Alexandra Schultheis Moore, 2018-02-05 The *Routledge Companion to Literature and Human Rights* provides a comprehensive transnational and

interdisciplinary map to this emerging field offering a broad overview of human rights and literature while providing innovative readings on key topics The first of its kind this volume covers essential issues and themes necessarily crossing disciplines between the social sciences and humanities Sections cover subjects with pieces on subjectivity humanity identity gender universality the particular the body forms visiting the different ways human rights stories are crafted and formed via the literary the visual the performative and the oral contexts tracing the development of the literature over time and in relation to specific regions and historical events impacts considering the power and limits of human rights literature rhetoric and visual culture Drawn from many different global contexts the essays offer an ideal introduction for those approaching the study of literature and human rights for the first time looking for new insights and interdisciplinary perspectives or interested in new directions for future scholarship Contributors Chris Abani Jonathan E Abel Elizabeth S Anker Arturo Arias Ariella Azoulay Ralph Bauer Anna Bernard Brenda Carr Vellino Eleni Coundouriotis James Dawes Erik Doxtader Marc D Falkoff Keith P Feldman Elizabeth Swanson Goldberg Audrey J Golden Mark Goodale Barbara Harlow Wendy S Hesford Peter Hitchcock David Holloway Christine Hong Madelaine Hron Meg Jensen Luz Ang lica Kirschner Susan Maslan Julie Avril Minich Alexandra Schultheis Moore Greg Mullins Laura T Murphy Hanna Musiol Makau Mutua Zoe Norridge David Palumbo Liu Crystal Parikh Katrina M Powell Claudia Sadowski Smith Mark Sanders Karen Magrethe Simonsen Joseph R Slaughter Sharon Sliwinski Sidonie Smith Domna Stanton Sarah G Waisvisz Belinda Walzer Ban Wang Julia Watson Gillian Whitlock and Sarah Winter

Rethinking the French New Right Tamir Bar-On, 2013-04-12 This book focuses on the philosophy politics and impact of the New Right which originated in France and has since influenced activism ideology and policy in a number of European countries This book explores the idea that revolutionaries do not necessarily need to come from the left nor use arms in order to overturn liberal democracy In the post World War Two era the extremists of the revolutionary right took three different paths 1 parliamentary 2 extra parliamentary and 3 metapolitical The New Right nouvelle droite ND in France took the metapolitical path but that did not mean it abandoned its revolutionary desire to smash liberal democracy throughout Europe The book examines four interpretations of the New Right These interpretations include the following 1 The New Right as a fascist or quasi fascist movement 2 The New Right as a challenge to the traditional right left dichotomy which has structured European political debates for more than 200 years 3 The New Right as an alternative modernist movement which rejects liberal and socialist narratives of modernity accepts the technical but not political or cultural effects of modernity and longs for a pan European political framework abolishing liberal multiculturalism and privileging ethnic dominance of so called original Europeans and 4 The New Right as a variant of political religion and conversionary processes The book concludes by analysing the positions cultural and political impact and relationship to democracy of the New Right This work will be of great interest to students and scholars of racism fascism extremism European politics French politics and contemporary political theory

The Rise of the Dutch New Right Merijn Oudenampsen, 2020-09-13 In the past 20

years a wave of right wing populist movements has swept over Europe changing the face of European politics The Netherlands has been one of the more iconic countries to partake in this shift Known internationally as an emblem of progressivism and tolerance the country soon became a frontrunner in the revival of nationalist and anti immigrant sentiment This is the first study to offer an extensive engagement with the ideas behind the Dutch swing to the right The emergence of Dutch populism this book shows formed an integral part of a broader conservative tendency identified as the Dutch New Right In the US and the UK the term New Right has been used to describe conservative backlash movements that arose in opposition to the progressive movements of the 1960s The Dutch swing to the right this book argues formed a belated iteration of the New Right backlash that occurred overseas This text will be essential reading for students and scholars in the fields of European Studies and Political Science and Dutch politics and society more specifically

The Challenge of Liberty Robert Higgs, 2006-02-01 Is Classical Liberalism Still Vital The quest for freedom has always been as much a battle of ideas as it is a popular struggle Classical liberal pioneers such as John Locke and Adam Smith stressed the inherent worth of the individual inalienable rights and the benevolent consequences of the cooperative peaceful pursuit of one's own happiness These ideas became the intellectual scaffolding for much of the West's most fundamental institutions and achievements Yet after its 19th century high water mark classical liberalism lost much of its passion focus and popular support Intellectual trends increasingly began to support coercive egalitarianism empire and central planning at the expense of individual liberty personal responsibility private property natural law and free institutions But the eclipse of classical liberalism by contemporary liberalism and conservatism is passing The Challenge of Liberty restores the ideas and ideals of classical liberalism and shows how its contemporary exponents defend such pillars of free societies as individual rights human dignity market processes and the rule of law

The Meanings of Rights Costas Douzinas, Conor Gearty, 2014-05 Questioning some of the repetitive and narrow theoretical writings on rights a group of leading intellectuals examine human rights from philosophical theological historical literary and political perspectives

Germany's New Right as Culture and Politics R. Woods, 2007-01-10 This is the first full length study in English of the New Right in Germany and it breaks new ground by considering the New Right as a political and a cultural movement The book examines the often contradictory motives that feed into New Right political pronouncements and explores the cultural thinking that feeds into extreme political commitment

The Complete Idiot's Guide to Criminal Investigation Alan Axelrod, Guy Antinozzi, 2002 This book is the ideal entry point to learning about criminal investigation and forensics including both the theoretical and practical aspects of the ways society copes with and the way law enforcement investigates crime today

Speak Out Against The New Right Introduction

In the digital age, access to information has become easier than ever before. The ability to download Speak Out Against The New Right has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Speak Out Against The New Right has opened up a world of possibilities. Downloading Speak Out Against The New Right provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Speak Out Against The New Right has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Speak Out Against The New Right. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Speak Out Against The New Right. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Speak Out Against The New Right, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Speak Out Against The New Right has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Speak Out Against The New Right Books

1. Where can I buy Speak Out Against The New Right books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
