You Can Overcome the Jealousites in Your Life KaShana

Gallentine, 2011-02-11 What is a jealousite you might ask The term jealous means very watchful or careful in guarding or keeping resentfully suspicious of a rival or a rivals influence resentfully envious resulting from such feelings requiring exclusive loyalty An ite is a native inhabitant or citizen of a descendent from or offspring of an adherent of believer in or member of A jealousite is anyone that God wants to deal with who is in need of cleansing from jealousy and envy in your territory and life even if its yourself So youve fallen into the pit of sin and jealousy and envy has a hold on you Is it to late for you or those in your territory or life who may be struggling with this sin The answer is no So many are stuck or at a stand still in life while others are watching enviously at those who are pursuing ahead We can no longer ignore this crisis for it affects our relationships on all levels Whether it be in your home in the workplace in your school in your church in your family in your friendships or in your nation Jealousy and envy is lurking through the eyes and hearts of those who are in need of a God sized transformation If you are tired of living an average defeated self consumed and insecure life this book was designed with you in mind You dont have to sit back and watch others get to the finish line You can get in the race and finish your course also No longer do you have to compare yourself to others but you can find peace with God and others by accepting your value and worth You yes you are called to make a difference and a contribution in the lives of others This books message is a beckoning call for healing deliverance restoration and forgiveness to the broken hearted If youve been desiring to get ahead in life to advance beyond the pain sufferings and struggles youve been experiencing this is your time
