Speak A Comedy:

The Rise of Classical English Criticism James Edward Routh,1915

Do You Talk Funny? David Nihill,2016-03-08

Public speaking can be terrifying For David Nihill the idea of standing in front of an audience was scarier than cliff jumping into a thorny pit of spiders and mothers in law Without a parachute or advanced weaponry Something had to change In what doesn't sound like the best plan ever David decided to overcome his fears by pretending to be an accomplished comedian called Irish Dave for one full year crashing as many comedy clubs festivals and shows as possible One part of the plan was at least logical he was already Irish and already called Dave In one year David went from being deathly afraid of public speaking to hosting a business conference regularly performing stand up comedy and winning storytelling competitions in front of packed houses And he did it by learning from some of the best public speakers in the world stand up comedians Do You Talk Funny 7 Comedy Habits to Become a Better and Funnier Public Speaker shows how the key principles of stand up comedy can be applied to your speaking engagements and presentations to make you funnier more interesting and better looking Or at least two of the three Whether you are preparing for a business presentation giving a wedding toast defending your thesis raising money from investors or simply want to take on something you're afraid of this book will take you from sweaty to stage ready You'll learn how to Craft a story and content that your audience will want to listen to Find the funniest parts of your material and how to get to them faster Deal with stage fright Master the two most important parts of your performance timing and delivery Ten percent of the author's proceeds from this book will go to Arash Bayatmakou via Help Hope Live until he is fully back on his feet and thereafter to one of the many facing the same challenges after suffering a severe spinal cord injury

Disability and Masculinities Cassandra Loeser,Vicki Crowley,Barbara Pini,2017-05-02 In recent years attending to diversity in the cultivation of embodied identity has been given additional impetus as a result of intersectionality theory Despite this a key gap remains in terms of knowledge about masculinity and disability This book addresses this lacuna through ten empirical chapters organised through the inter related themes of corporeality pedagogy and the critique of otherness Each of the chapters positions the subject of masculinity and disability as a site of cultural pedagogy by affirming different ways of knowing of masculinity beyond dominant ideologies that normalise a particular masculine body and relegate disabled masculinities to the position of abnormal Other Part One focuses on pedagogy Through the materialities of medicalized colonialism imprimaturs of relational genealogies compounding differences and an analytical exposition of some of the neo colonial conditions of the Global South within spatially considered places of the Global North Chapter 1 examines the denial of human rights to the Indigenous Anishinaabe community of Shoal Lake 40 in Canada Chapter 1 theorises masculine corporeality in terms that take seriously First Nations national and transnational body politics seriously Chapter 2 examines the ways that movement and affect serve as a form of pedagogy for boys with autism spectrum in schools Part Two s focus on corporeality includes an examination of the nexus of disability and diagnosis in the context of transgender men s experiences of mental health and a discussion of the ways that intersex individuals who identify as men and have experienced genital normalising surgery actively negotiate pluralised masculinities The focus on media in Part Three encompasses a study of the mis interpellation of the disabled male subject in Australian male literature research on the discursive strategies utilised in media representations of disabled veterans in Turkey and an analysis of the political implications of depictions of masculinity disability and sexualities in a variety television program Part Four s theme of self stylisation takes up the questions of men s reconstructions of masculinity in light of Lyme Disease the potential pleasures of heterosexuality for young men with a hearing disability in the realm of Australian Rules Football and the diverse ways that disabled men negotiate patriarchal masculinity in intimate relationships Funny Dostoevsky Lynn Ellen Patyk,Irina Erman,2024-06-13

Tapping into the emergence of scholarly comedy studies since the 2000s this collection brings new perspectives to bear on the Dostoevskian light side Funny Dostoevksy demonstrates how and why Dostoevsky is one of the most humorous 19th century authors even as he plumbs the depths of the human psyche and the darkest facets of European modernity The authors go beyond the more traditional categories of humor such as satire parody and the carnivalesque to apply unique lenses to their readings of Dostoevsky These include cinematic slapstick and the body in Crime and Punishment the affective turn and hilarious and deadly impatience in Demons and ontological jokes in Notes from Underground and The Idiot The authors coincidentally all women including some of the most established scholars in the field alongside up and comers address gender and the marginalization of comedy culminating in a chapter on Dostoevsky s funny and furious women and explore the intersections of gender and humor in literary and culture studies Funny Dostoevksy applies some of the latest findings on humor and laughter to his writing while comparative chapters bring Dostoevsky s humor into conjunction with other popular works such as Chaplin s Modern Times and Lin Manuel Miranda s Hamilton Written with a verve and wit that Dostoevsky would appreciate this boldly original volume illuminates how humor and comedy in his works operate as vehicles of deconstruction pleasure play and transcendence **The Saturday Evening Post** ,1917 *Black Comedians on Black Comedy* Darryl Littleton,2006 Applause Books Black Comedians on Black Comedy is the only up to date book to examine African American humor Comedian Darryl Littleton traces the history and evolution of black comedy in his narrative and through the 125 interviews he conducted with some of the top African American comedians in the world Those interviewed include Dick Gregory Sinbad Eddie Murphy Mike Epps Cedric the Entertainer Nick Cannon Bernie Mac Eddie Griffin Damon Wayans Arsenio Hall Chris Rock Marla Gibbs Robert Townsend and John Witherspoon Nell Gwyn--comedian Frank Frankfort Moore,1901 *The borough, continued. Myers,Nicole Graham,2025-09-04 Bringing together the distinct but connected disciplines of theology and ethics Stand up Comedy Theology and Ethics adds to the growing field of humor and religion Beginning by re considering what we know about jokes and laughter the authors propose that more attention needs to be paid to the quasi sacramental magical quality of jokes and the ways laughter can shift the affective states of an audience They then turn their attention to key issues and debates within stand up comedy First is the comical legitimacy or illegitimacy of comedians who employ humor ambiguously so that we are not sure at who or what they are punching Second is the phenomenon of canceling comedians for their behavior off stage Third is the sociopolitical possibilities of stand up Ultimately the authors argue that there is theological religious and ethical significance to contemporary stand up comedy
