Miraculous Gifts Thomas R. Edgar,2001-07-25 Miraculous Gifts is a discussion of spiritual gifts in light of the basic differences between cessationalism and Pentecostalism Many studies of this issue are written from a primarily theological perspective and while theological arguments are valid charismatics assert that this controversy concerns biblical gifts and miracles and is therefore a matter of faith to believe their claims with theological arguments proving unsatisfactory The fundamental question is Is this what the Bible discusses is it biblical Miraculous Gifts attempts to answer that question by providing a biblically based analysis of spiritual gifts in view of the charismatic controversy [Memory Verses of the Bible from A-Z](#) Tracy R. My Love is Mine Celine Maria, 2025-02-21. This intimate collection of poetry and prose dives deep into the not so gentle and unruly art of becoming. It speaks to the thoughts that stir in the stillness of the night where exhilaration flirts with the agony of despair and where fierceness smoulders in both grace and anger. Through these lyrical verses, I find myself adrift seeking solitude, perseverance, heat, and a safe haven wherever it may be found. Somehow amidst it all, the chaotic fire of love unfolds in all its tender and raw forms. I am full of contradictory wounds, scars that ache to heal. But if they don't, maybe it's time to just learn to dance with my demons once and for all. Open the pages and get lost in this wondrous journey titled *My Love is Mine*.
