doesn't have an accent this could be because they have the same accent as you. A person's accent is part of their history and their identity. If you are working for any US client you might be in trouble if you don't speak like a native American. American accent is the most popular accent in the world. Spread around the world by American cinema, music, television, etc. this is the easiest accent for most people to understand, whether native speakers or non-native speakers. This is understood by most people worldwide. Most people expect to hear the accent they're familiar with. Anything else stands out. Speak English Like A Native American Will Help You in your career advancement, look more professional, boost your career tremendously. Who This Book Is For: If you are in the management role, English clearly is important so that you don't feel hesitant to speak up or ask questions. Otherwise you will feel like a bit of a second class citizen if you don't have a good accent. If you are managing international meetings and need to be understood by a lot of different nationalities in the meetings. If you are misunderstood by people around you and it's frustrating to have to repeat yourself again and again. If you want to move to Australia, England, the U.S. This book will take your English to the next level. You can start real conversations with native English speakers. You have studied English for years and yet you still do not speak well. When you speak English you make grammar mistakes. Your pronunciation is not clear. Worst of all you feel nervous and shy when you try to speak English. You read English well but after all these years you still cannot speak well. The problem is we learn traditional grammar in schools, colleges. With traditional grammar you can become a good writer but not a good fluent speaker. You can read but still you feel shy to speak English. English is not just a list of words and grammar rules. Speaking fluent English is usually just about knowing the right thing to say in any given situation. This book will tell you how to feel stronger, calmer and more powerful when speaking English. You may find it difficult to learn and speak English in the absence of right guidance. This book provides a blueprint to practice everyday conversation. Is it possible to learn a new language? Can it be possible for you to speak like a true native American? Of course the answer is yes. And I will show you how to enjoy it. *Speak Business English Like an American for Native Chinese Speakers* Amy Gillett, 2008-07-01. *Speak Business English Like an American for Native Chinese Speakers* is a popular new book, audio CD set designed to help you succeed on the job, whatever you're doing, wherever you're working. Hashimoto, 2017-12-05 This book probes for a post native speakerist future It explores the nature of English and Japanese native speakerism in the Japanese context and possible grounds on which language teachers could be employed if native speakerism is rejected i e what are the language teachers of the future expected to do and be in practice It reveals the problems presented by the native speaker model in foreign language education by exploring individual teacher researcher narratives related to workplace experience and language based inclusion exclusion as well as Japanese native speakerism in the teaching of Japanese as a foreign language It then seeks solutions to the problems by examining the concept of post native speakerism in relation to multilingual perspectives and globalisation generally with a specific focus on education

Speak Better Business English and Make More Money Amy Gillett, 2010-06-25 [Cheater's Guide to Speaking English Like a Native](#) Boye Lafayette De Mente, 2011-12-27 Increase your fluency of English through the mastery of common English idioms and expressions All Native English speakers use a large number of proverbs and colloquial expressions in their daily conversations These common sayings which evolved over the centuries are like codes that reveal the cultural values and attitudes of the speakers To obtain complete fluency in the English language it is necessary to be familiar with these expressions and know how and when to use them With a user friendly format The Cheater's Guide to Speaking English like a Native is a shortcut to achieving that goal *How To Speak English Like A Native* David Chris, What if I claim that the entire English language consists of just Five Words Would that sound ludicrous Let me prove it right here Whenever we are speaking English we are talking about either Subjects or Ideas Subjects means we are referring to either Somebody or Something And Ideas mean we are talking about the either the Subject's state of being their actions or their possessions In other words all of spoken English can be boiled down to Five Root Words Somebody Something Be Do Have Now take any sentence that comes to mind and check if the above Formula is correct or not I call this the Supreme Pattern of English Language or SPEL Formula And if you master the SPEL Formula you will be able to master Spoken English One of the biggest mistakes I see in most books teaching speaking is that they focus on Grammar and big impressive words The problem is that a bigger vocabulary doesn't mean more fluency You need to learn English the way you learned your native language on a subconscious level And this book teaches you step by step how to learn spoken English the way babies learn without the need for Grammar but with true fluency This book is ideal for job interviewees employees who want to give a presentation business owners who want to pitch their services college students and anyone who wants to develop fluency while speaking English Get this book follow the steps and become a master English speaker **Speak English Like an American: Learn**
