## Speaking To God:

*You Can Hear the Voice of God* Steve Sampson, 2015-03-10 When you talk to God do you ever feel as if you are not getting through You're not alone At some point most believers find themselves grappling with difficult questions like Would God really talk to me personally and How do I know it's truly God talking and not my own thoughts But here's the good news Hearing God is simpler than you think It's possible to have a relationship with God that involves both speaking and listening In fact it's God's desire He wants to talk to you In this revised and expanded edition of a classic work author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice but expecting to hear it Sampson's uncomplicated practical perspective will help you cultivate the two way conversation with God you've always longed for Before long you'll hear Him speaking into your circumstances and relationships expressing His love for you and showing you the next steps to take in your life Don't settle for a one sided conversation with God Break through this barrier and develop a sensitive heart that hears and responds to God's still small voice With clarity and humor Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing Bishop Mark J Chironna M A Ph D Church on the Living Edge Orlando Florida

*Speaking God!* Gary M. Sylvas, Sr., 2006-05-18      *The Secret Power of Speaking God's Word* Joyce Meyer, 2007-10-15 1

New York Times bestselling author Joyce Meyer teaches readers how to create change in their lives and truly receive God's blessings. Includes powerful Scriptures covering over 50 topics such as patience, loneliness, and wisdom.      *The God who Speaks* Ben Campbell Johnson, 2004. This is a print on demand book and is therefore non-returnable. As Christians, we believe that God speaks; that God has spoken to people down through the centuries and still speaks to us today. But just how does God speak to us? Has his speech changed over time? And how do we hear the voice of God? In this insightful book, Ben Campbell Johnson explores the subject of divine speech, highlighting its importance to faith and leading Christian believers into the practice of listening for God's voice in daily life. Johnson first explores the biblical foundations of divine communication, tracing the ways that God has spoken to humankind from the calling of Abraham to the appearance of Jesus to the continuing work of the Spirit in the early church. He then gleams important lessons about God's language from a wide range of Christian figures throughout history: Polycarp, Julian of Norwich, Teresa of Avila, Henri Nouwen, and others. As this historical record shows, God communicates with us in a variety of ways. In exploring these different modes of God's speech, Johnson deftly guides readers into the practice of intensive listening, a way of posing issues to God and discerning his response. Numerous anecdotes illuminate Johnson's discussion, and each chapter ends with questions for reflection and discussion, as well as suggestions for journaling. Johnson concludes the book by recounting a number of personal experiences that vividly illustrate the value of learning to listen to God's voice. At a time when many Christians hunger for a more personal, meaningful connection with God, this book shows readers how to discern divine language and forge a closer, richer relationship with the God who speaks.      *Command Your Future: The Power of Speaking God's Word* Ted White, Command Your Future.
