Samuel E. Martin, 2013-09-10 A handy introduction to the Korean language that is concise simple and useful Much more than
Korean phrasebook Practical Korean has been written to fill a specific need that of the hundreds of thousands of people now
visiting Korea for business or holidays or even living there for a year or two who wish to learn something of the spoken
Korean language around them The grammatical structure of Korean is particularly complicated and difficulties plague
foreign students learning Korean Samuel E Martin renowned Asian language expert and professor emeritus at Yale

University has simplified some of the common problems to acquaint the reader with the most useful way to say a lot of everyday things without having to memorize long lists of grammatical rules The compact size makes it ideal for traveling to Korea or reading on a plane train or bus The sentences are almost all given in the polite yo style which is both the simplest and the most widely used From this manner another common style the Intimate style is easily derived by merely dropping the final particle From a practical point of view this is the quickest and simplest way to put a foreigner into direct communication with Koreans including the use of a Korean phrasebook The student will quickly make progress learning to comprehend and speak Korean The material is presented using the romanization method of written Korean that is officially authorized by the Korean government as well as the native Korean script Hangeul Practical Korean is grouped into 47 lessons that cover all the common topics of conversation grammar and vocabulary **El-Hi Textbooks & Serials in Print, 2003** ,2003 *Bowker's Complete Video Directory* ,2000 **The ICNALE Guide** Shin'ichiro Ishikawa,2023-03-28 This book provides a practical and extensive guide for the International Corpus Network of Asian Learners of English ICNALE a unique dataset including more than 15 000 samples of Asian learners L2 English speeches and essays It also offers approachable introductions to a variety of corpus studies on the aspects of Asian learners L2 English Key topics discussed in the book include background aims and methods of learner corpus research principles designs and applications of the ICNALE vocabulary grammar and pragmatics in Asian learners L2 English and individual differences of Asian learners and assessments of their speeches and essays With many case studies and hands on guides to utilise ICNALE data to the fullest extent The ICNALE Guide is a unique resource for students teachers and researchers who are interested in a corpus based analysis of L2 acquisition **On Cassette** ,1991 **Words on Cassette, 2002** R R Bowker Publishing,2002
