## **Special Delivery Canadas Postal Heritage:**

**Special Delivery** Chantal Amyot, Bianca Gendreau, John Willis, Francine Brousseau, Canadian Museum of Civilization, Canadian Postal Museum, 2000-01-01 This sumptuously illustrated book recreates the excitement of mail call from the days when mail arrived in New France once a year to today when parcel post delivers the treasures we've ordered by e-mail. More than 200 richly coloured photographs display choice Canadian Postal Museum artifacts. Archival photos show all aspects of sending, processing and receiving mail in the past and modern photos show the satellite-monitored jets and trucks that move today's huge volume of mail.

**More than words** John Willis, 2007-01-01 More Than Words features the work of more than twenty scholars from Canada and abroad on post-related topics. Drawing on recent trends in social and cultural history, these new essays address the history and importance of the post from such perspectives as infrastructure, technology, nation building and interpersonal communications. Published in English. [Home Children Bundle](#) Mary Pettit, Gail H.

Corbett, Marjorie Kohli, Kenneth Bagnell, 2013-12-26 In the early years after Confederation in Canada, the rising nation needed workers that could take advantage of the abundant resources. Until the time of the Depression, 100,000 impoverished children from the British Isles were sent overseas by well-meaning philanthropists to solve the colony's farm labour shortage. They were known as the home children and they were lonely and frightened youngsters to whom a new life in Canada meant only hardship and abuse. This bundle of titles tells the entire story from many angles and in its many facets: from historical recounting to genealogical information to the personal story of one such child, Mary Janeway. Includes *The Golden Bridge*, *The Little Immigrants*, *Mary Janeway*, *Nation Builders*, *Whatever Happened to Mary Janeway*.

**Anxious Days and Tearful Nights** Martha Hanna, 2020-10-22 What was it like to be a soldier's wife in Canada during the First World War? More than 80,000 Canadian women were married to men who left home to fight in the war and its effects on their lives were transformative and often traumatic. Yet the everyday struggles of Canadian war wives lived far from the battlefields of France have remained in the shadows of historical memory. *Anxious Days and Tearful Nights* highlights how Canadian women's experiences of wartime marital separation resembled and differed from those of their European counterparts. Drawing on the letters of married couples separated by wartime service and the military service records of hundreds of Canadian soldiers, Martha Hanna reveals how couples used correspondence to maintain the routine and the affection of domestic life. She explores how women managed households and budgets, how those with children coped with the challenges of what we today would call single parenthood, and when and why some war wives chose to relocate to Britain to be nearer to their husbands. More than anything else, the life of a war wife, especially a war wife separated from her husband for years on end, was marked and marred by unrelieved psychological stress. Through this close personal lens, Hanna reveals a broader picture of how war's effects persist across time and space.

**Whatever Happened to Mary Janeway?** Mary Pettit, 2012-06-30 Home child Mary Janeway runs away from her farm placement, grows into adulthood and ultimately comes to terms with life in Hamilton.

Ontario Sixteen year old Mary Janeway a home child is desperate to escape from her rural home child placement and flees to London Ontario to find a domestic position When conditions become unbearable she moves on vowing never to relinquish her freedom again After she arrives in Hamilton as a young bride she quickly adapts to the urban conveniences and the marvels of new inventions that include electric sewing machines sulphur matches street stoplights a one horsepower Brunswick refrigerator the advent of the zipper and the beginning of radio But even the latest technology can't stop the ravages of disease and other family tragedies Mary lives through two world wars the Spanish Influenza and the Great Depression In spite of many hardships she remains a strong resilient woman well into her senior years and makes many contributions to Hamilton the city she calls home
