cinematographer A Hidden History of Film Style is the first study to focus on the collaborations between directors and cinematographers a partnership that has played a crucial role in American cinema since the early years of the silent era Christopher Beach argues that an understanding of the complex director cinematographer collaboration offers an important model that challenges the pervasive conventional concept of director as auteur Drawing upon oral histories early industry trade journals and other primary materials Beach examines key innovations like deep focus color and digital cinematography and in doing so produces an exceptionally clear history of the craft Through analysis of several key collaborations in American cinema from the silent era to the late twentieth century such as those of D W Griffith and Billy Bitzer William Wyler and Gregg Toland and Alfred Hitchcock and Robert Burks this pivotal book underlines the importance of cinematographers to both the development of cinematic technique and the expression of visual style in film

Transnational Cinematography Studies Roberto Schaefer, Lindsay Coleman, Daisuke Miyao, 2016-12-27 Transnational Cinematography Studies introduces new perspectives to the discipline of film and media studies First this volume focuses on a crucial yet largely unexplored area in film and media studies the substantial communication between critical studies of cinema and film production practices This book integrates theories and practices of cinematographic technology Secondly Transnational Cinematography Studies expands the scope of film and media studies into the arena of transnationalism Cinema is now discussed in terms of globalization of audio visual cultures with regard to such issues as Hollywood film studios so called runaway productions and multi national co productions Hollywood remakes of Asian horror films or Hong Kong martial arts films and the growing significance of international film festivals However this volume proposes that globalization is not in itself new in the history of cinema and that cinema has always been at the forefront of transnational culture from the beginning of its history

From IBM to MGM Andrew Utterson, 2019-07-25 Andrew Utterson's unique study charts the beginnings of digital cinema addressing both how filmmakers used new digital technologies and how attitudes and anxieties about the rise of the computer were represented in films such as Lang's *Desk Set* Godard's *Alphaville* Kubrick's *2001 A Space Odyssey* and Crichton's *Westworld*

Becoming Judy Chicago Gail Levin, 2018-10-16 Born to Jewish radical parents in Chicago in 1939 Judy Cohen grew up to be Judy Chicago one of the most daring and controversial artists of her generation Her works once disparaged and misunderstood by the critics have become icons of the feminist movement earning her a place among the most influential artists of her time In *Becoming Judy Chicago* Gail Levin gives us a biography of uncommon intimacy and depth revealing the artist as a person and a woman of extraordinary energy and purpose Drawing upon Chicago's personal letters and diaries her published and unpublished writings and more than 250 interviews with her friends family admirers and critics Levin presents a richly detailed and moving chronicle of the artist's unique journey from obscurity to fame including the story of how she found her audience outside of the art establishment Chicago revolutionized the way we view art made by and for women and fundamentally changed our understanding of women's contributions to art and to society

Influential and bold The Dinner Party has become a cultural monument Becoming Judy Chicago tells the story of a great artist a leader of the women s movement a tireless crusader for equal rights and a complicated vital woman who dared to express her own sexuality in her art and demand recognition from a male dominated culture Popular Photography
