---

“Dear Lord,

I ask You to hear my pleas right now. I know that with Your powers and Your strength I will be able to achieve anything I desire.

Father, with all my strenght and with all my faith I ask for Your help with: **say your request here**. I ask this with big faith and trust in You, my Lord.

Thank You, for always listening to me and answering my prayers. I ask this in Jesus' name,

## Special Intentions:

*Special Intentions* Claire Coleman, 2011-10-10 Advance praise for *Special Intentions* *Special Intentions* reminds us of the importance of not simply praying for what we need but for what others need Jesus taught us to ask God for our daily bread but he also asked us to love one another Commending our friends and families and co workers neighbors acquaintances and even those who bother us to the care of God is a key aspect of that love and an important element of the Christian tradition Claire Coleman's sensitive new work will help readers to more fully enter into this rich stream of the spiritual life James Martin S J author of *My Life with the Saints* If you've ever offered up a simple God help him at the sight of someone less fortunate then this book will resonate with your innate sense that prayers have power Claire Coleman offers a graceful easy way to benefit others with her beautifully written portraits of those in need Take her advice say a prayer for a stranger and make the world a better place Patricia Sheridan Assistant Editor Features Pittsburgh Post Gazette While *Special Intentions* is a beautiful meditative book for the person alone in prayer before God it likely also will be an inspiration for those in prayer groups and friends who come together to talk about their life's journeys Dianne M Traflet J D S T D Associate Dean Immaculate Conception Seminary School of Theology Seton Hall University Prayer is a personal experience but sometimes we need a little reminder Claire Coleman's *Special Intentions* is the perfect book to keep close at hand and close to the heart to reference to inspire and to share with others Amelia Grey author of twenty three books The listings of special intentions are so global and yet personal so ordinary and yet profound Sr Joan Noreen OLME co founder and director of Our Lady's Missionaries of the Eucharist Host Eucharistic Journey Eternal World Television EWT Network Ms Coleman reminds us that every one of us is for very different reasons in need of prayers Her ability to lead us to pray for someone we suddenly notice think about and then care about someone who we don't even know is truly a gift Dr Sharon Latchaw Hirsh president Rosemont College Rosemont Pennsylvania [Annals of Saint Joseph](#), 1907 [Messenger of the Most Precious Blood](#), 1920 [Intentions for mass & holy communion, for every day in the year](#), by the author of '[St. Francis and the Franciscans](#)'. Author of *St. Francis and the Franciscans*, 1866 **The Dharma's Gatekeepers** Jonathan C. Gold, 2008-06-05 *The Dharma's Gatekeepers* offers an incisive analysis of one of the most important works in Tibetan Buddhist intellectual history Sakya Pa ita's *Gateway to Learning* Mkhas pa jug pa i sgo Writing in a time when a distinctively Tibetan tradition of Buddhism was first emerging Sakya Pa ita wanted to present Tibetan intellectuals with what he took to be an authentically Indian and therefore authentically Buddhist understanding of the nature and tasks of intellectual life with a view of how scholarship was understood and practiced in the great monastic colleges of India In *The Dharma's Gatekeepers* we see Sakya Pa ita building the intellectual foundation for Tibetan scholasticism through a series of subtle brilliant and quintessentially Buddhist arguments about the nature of learning itself with his elaboration of a model of scholastic education skillfully drawing together ideas in Buddhist epistemology philosophy of language translation theory hermeneutics

and literary theory In this study of Sakya Pa ita s remarkable work Jonathan C Gold shows that the Gateway to Learning addresses issues that remain of concern to contemporary intellectuals this thirteenth century work has much to contribute to our understanding of such issues as translation and translatability theories of reading and authorship the connections between religious values and academic institutions and theories of language and literary aesthetics The book includes a translation of significant parts of Sakya Pa ita s text *Living Bread, Saving Cup* R. Kevin Seasoltz,1982 The articles on Eucharistic liturgy given here are reprinted from the pages of Worship magazine This expanded edition of the 1982 printing includes three additional essays Justice and the Eucharist by R Kevin Seasoltz O S B Stipends and Eucharistic Praxis by M Francis Mannion and Stipends in the New Code of Canon Law by John M Huels O S M **The Birth of the Church** Adrienne von Speyr,1991-01-01 The fourth and final volume in von Speyr s meditations on the Gospel of St John concentrating on Peter and John and their roles in the church representing office and love *Heaven on Earth: The Order and Meaning of Mass* Ralph Barnett,2024-03-22 The Catechism of the Catholic Church encourages parents to catechize their children Parents duty to educate their children is instinctive and inalienable Parents have the first responsibility for educating their children Parents role in education is so important it is near impossible to offer an adequate substitute By marriage parents receive the responsibility of evangelizing their children Parents educate their children to fulfill God s law As first heralds parents should initiate their children into the mysteries of the faith Education in the faith by parents should begin in the child s earliest years Family catechesis precedes other forms of religious instruction in the faith But catechize on what and how As a cradle Catholic father grandfather layperson and ardent student of our Faith I offer a suggestion based on common sense and a book series We re living through the greatest loss of faith in the history of the Catholic Church a refrain reverberating thru Catholic America Likely you are familiar with the statistics 25% percent decline in Mass attendance 15% of churches closed and or consolidated 65% of Catholics do not believe in the Real Presence Catholicism the largest Christian creed followed closely by fallen away Catholics America s religious decline is not new Experts claim Christianity has been on decline since the removal of prayer from public schools in 1962 Catholic school enrollment declined concurrently Yet prayer was not removed from Catholic schools Predictably Mass attendance followed What changed Catholic authorities proffered explanations and recommendations none of which stemmed the tide a sure sign the root cause was not rightly identified What changed was the equivalent of removing the pillar of prayer from public schools Mass was removed from Catholic catechesis school CCD RCIA adult formation ambo and domestic church A cursory look at a Baltimore Catechism the 1950 60s field manual for Catholics reveals a 30 page segment Catechism of the Mass immersing students in liturgical details A cursory look at current Catholic curricula reveals a paucity of information on Mass ranging from a few paragraphs in texts for schools and homeschool to take home trifold for CCD RCIA etc Is Mass that important Did you know Mass Is the only sacrifice perfect pleasing and acceptable to God Is the most sacred function of the Church surpassing all others in efficacy Is

the Church's greatest prayer Is the Church's 1 effort to save souls Is the same sacrifice Christ made on the Cross Is the perfect answer to prayer as it brings mercy and salvation Christ won for us Is required attendance every Sunday and six Holy Days a year but Communion only once Is the Source and Summit of our Faith Is Heaven on Earth Seemingly Mass is the answer to everything integral to Catholicism Why is it not taught in Catholic education settings How do we reverse the tide Catholics must re assess school CCD RCIA adult formation school and homeschool catechesis to make space for a deep dive into Mass To fulfill the need I submit a book series Catechism Curriculum for Catholic Homeschool which includes a 163 page text accompanied by a workbook with fifty one lesson reviews containing 1 600 questions The series is not a theological or academic treatise but a user friendly step by step guide to Mass for homeschool catechesis unlike anything available elsewhere Author's Promise Your family will never ever go to church attend Mass or receive Communion the same way again
