The Care & Feeding of Volunteers Bill Wittich, 2000 The *Care & Feeding of Volunteers* has evolved from a series of successful seminars attended by thousands of people across the United States and into Europe. In these sessions, Bill has presented unorthodox ways of working with volunteers. They have attempted to change the paradigm of how America thinks about managing volunteers. In this book, Bill will challenge you to consider applying many of the leadership strategies that are working in corporate America to your nonprofit arena. The *Care & Feeding of Volunteers* will show you how to find and attract today's volunteers into your organization. It is a new millennium, and tomorrow's volunteers will not respond to yesterday's management thinking but will be looking for an agency that respects their energy, passion, and talents.
