An Energy Field More Intense Than War Michael True, 1995-11-01 American history abounds with a rich tradition of literature dealing with nonviolence In a work that spans from the seventeenth century to the present Michael True brings to light the strong but long neglected strain in American culture nonviolence as an active response to conflicts and divisiveness In identifying writings about action for social change he distinguishes literary works from peace advocacy and nonviolence and relates them to broad currents of United States

history The Quakers of the 1680s and abolitionists of the 1850s the sanctuary Movement and Plowshares of the 1980s novelists from Nathaniel Hawthorne to Norman Mailer and poets from Walt Whitman to Denise Levertov all have written powerful works on nonviolent action Through this literature the author explores the beauty of an important theme in American literature At a time when people face widespread injustice True reminds us that nonviolence holds a significant place in our country s history

Official Versions Mark Pawlak,2006 Poetry Mark Pawlak s poems document a literary journey charged with the sheer joy of words and often with fierce irony He finds poetry in day to day common language and makes his poems from snippets of remembered conversation and comment from restaurant serving mats the phone book and most pointedly from the news Pawlak s sophisticated use of irony allows him to precisely slice through governmental double talk and the slanted reportage of our time to expose the contradictions errors and lies inherent in the rhetoric of power brokers and political spin doctors He is our most politically conscious poet and as such puts conscience back into poetry where it is sorely needed Michael Basinski Curator The Poetry Room SUNY Buffalo
