American Journal of Islam and Society (AJIS) - 40th Anniversary Special Issue - Volume 41 Issues 1 Asyraf Wajdi Dusuki, Nurdianawati Irwani Abdullah, Akhmad Akbar Susanto, Emad Hamdeh, Glenn E. Perry, Jasmin Zine, Fadel Abdallah, Sherman A. Jackson, Amber Haque, Rosnani Hashim, For forty years AJIS has been a trusted platform for researchers scholars and practitioners serving as a conduit for the exchange of ideas the dissemination of cutting edge research and the cultivation of intellectual dialogue Many of us found this journal a space for ruminating discussing and developing our own narratives on our Islamic heritage and what it means in the contemporary world Especially compared to anti Islamic biases in other corners of academia AJIS is a coming home One constant throughout the past four decades is the journal's commitment to scholarship that documents and explores Islam's rich religious intellectual legal philosophical and social heritages The assumption is that these various perspectives have meaningful things to say about the human condition and our place in the world Debate discussion and disagreement all appear in these pages but always grounded in an underlying steadfastness that Islam is a faith tradition that is not obsolete that Muslims can contribute positively to humanity's betterment That said the journal is not a place of religious homilies This is an academic journal with a double blind peer review process Articles that are published thus pass muster in the discipline in which they conduct their research Let us thank the authors who have entrusted us with their groundbreaking research pushing the boundaries of knowledge and enriching our understanding of critical issues in our disciplines Let us thank the journal's editors editorial boards diligent reviewers and committed staff members who have meticulously upheld the journal's reputation for excellence contributing to its sustained success **Subject Catalog** Library of Congress, 1970 **American Book Publishing Record**, 1977-03-31 Here's quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey

Books in Series ,1979 **The Rise of Political Economy as a Science** Deborah A Redman,2003-01-01 Reviews the epistemological ideas that inspired the classical economists the methodological principles of Bacon Descartes Hobbes Newton Locke Hume Stewart Herschel and Whewell The classical age of economics was marked by an intense interest in scientific methodology It was moreover an age when science and philosophy were not yet distinct disciplines and the educated were polymaths The classical economists were acutely aware that suitable methods had to be developed before a body of knowledge could be deemed philosophical or scientific They did not formulate their methodological views in a vacuum but drew on a rich collection of philosophical ideas Consequently issues of methodology were at the heart of political economy's rise as a science The classical era of economics opened under Adam Smith with political economy understood as an integral part of a broader system of social philosophy by the end it had emerged via J S Mill as a separate science albeit one still inextricably tied to the other social sciences and to ethics The Rise of Political Economy as a Science opens with a review of the epistemological ideas that inspired the classical economists the methodological principles of Bacon Descartes Hobbes Newton Locke Hume Stewart Herschel and Whewell These principles were influential not just in the development of political economy but in the rise of social science in general The author then examines science in eighteenth and nineteenth century Britain with a particular emphasis on the all important concept of induction Having laid the necessary groundwork she proceeds to a history and analysis of the methodologies of four economist philosophers Adam Smith Robert Malthus David Ricardo and J S Mill selected for their historical importance as founders of economics and for their common Scottish intellectual lineage Concluding remarks put classical methodology into a broader historical perspective **Family Violence From a Global Perspective** Sylvia M. Asay,John DeFrain,Marcee Metzger,Bob Moyer,2013-06-17 This one of a kind edited collection draws on the expertise of authors from 16 countries representing 17 cultures to tell the story of domestic violence in their respective parts of the world The book incorporates a strengths based approach including individual relationship community and societal strengths The collection draws on multiple perspectives academics counselors organizers activists and victims to determine strengths and analyze how they can translate into greater safety for victims increased accountability of perpetrators and improved policy formation and research Each chapter focuses on the lived experiences of victims of intimate partner violence child abuse or elder abuse and includes information about the abuser the family the community and the culture *Institutional Economics: Theory, Method, Policy* Marc R. Tool,2007-07-27 The volume appraises refines and extends the institutionalist's evolutionary theory of political economy in six different areas of inquiry a the provision of a fresh and comparative overview of institutional economics in general b the presentation and refinement of pragmatic methods of inquiry c the exploration of extensions and clarifications of instrumental value theory d the distillation

of an emergent institutionalist theory of labor markets e the explication of a culture based theory of economic development and f the formulation of an analytical design that provides direction for institutional policy making Institutional Economics Theory Method Policy appears at an especially opportune time when there is widespread and accumulating analytical dissatisfaction with received economic doctrine The traditional neoclassical and Marxist views of how to explain order and operate a political economy are now in question throughout the world Appeals are being made for more relevant and pragmatic less doctrinaire and dogmatic approaches to economic inquiry and problem solving This volume provides fresh theoretical underpinnings for such problem solving efforts Congressional Record United States.
