Robert William Service January 16 1874 September 11 1958 was a British Canadian poet and writer often called the Bard of the Yukon. Born in Lancashire of Scottish descent he was a bank clerk by trade but spent long periods travelling in Western America and Canada often in some poverty.

When his bank sent him to the Yukon he was inspired by tales of the Klondike Gold Rush and wrote two poems *The Shooting of Dan McGrew* and *The Cremation of Sam McGee* which showed remarkable authenticity from an author with no experience of gold mining and enjoyed immediate popularity Encouraged by this he quickly wrote more poems on the same theme which were published as *Songs of a Sourdough* **The Spell of the Yukon, and Other Verses, by Robert W. The Publishers Weekly, 1926      *The Western Christian Advocate*, 1907      Borderland Films Dominique Brégent-Heald, 2015-11

The concept of North American borderlands in the cultural imagination fluctuated greatly during the Progressive Era as it was affected by similarly changing concepts of identity and geopolitical issues influenced by the Mexican Revolution and the First World War. Such shifts became especially evident in films set along the Mexican and Canadian borders as filmmakers explored how these changes simultaneously represented and influenced views of society at large. *Borderland Films* examines the intersection of North American borderlands and culture as portrayed through early twentieth century cinema. Drawing on hundreds of films, Dominique Brégent-Heald investigates the significance of national borders, the ever changing concepts of race, gender, and enforced boundaries, the racialized ideas of criminality that painted the borderlands as unsafe and in need of control, and the wars that showed how international conflict significantly influenced the United States relations with its immediate neighbors. *Borderland Films* provides a fresh perspective on American cinematic cultural and political history and on how cinema contributed to the establishment of societal narratives in the early twentieth century.
