The Asbestos Strike

The Asbestos Strike:

The Asbestos Strike Pierre Elliott Trudeau, 1974 THE ASBESTOS STRIKE. TR. BY JAMES BOAKE. Pierre Elliott Trudeau, 1974 *The Asbestos Strike: 1949* Jocelyn St Pierre, 1976 *A Preliminary Review of the Asbestos Strike* Margaret E. Shay, 1950 **La grève d'Asbestos** Lewis H. Brown, 1949 **The Asbestos Strike** Lewis Herold Brown, 1949

Canada's Visual History Jocelyn Saint-Pierre, Kanada National Film Board, National Museum of Canada, National Museum of Man, 1974 *The Asbestos Strike* Canadian Johns-Manville Company, Ltd, Lewis Herold Brown, 1949 *On Strike* Irving Abella, 1974

Compilation of articles on six key strikes in Canada from 1919 to 1949 includes references *Paddling With the Current* Claude Couture, 1998-07

Claude Couture describes our inheritance from the Trudeau era as fractured between notions of collectivity and individual rights Couture dissects this seeming paradox by examining the very nature of Trudeau's liberalism

BOOK JACKET **Prelude to Quebec's Quiet Revolution** Michael D. Behiels, 1985-06-01

In this study of the intellectual origins of Quebec's Quiet Revolution of the 1960s Michael Behiels has provided the most comprehensive account to date of the two competing ideological movements which emerged after World War II to challenge the tenets of traditional French Canadian nationalism

The neo-nationalists were a group of young intellectuals and journalists centered upon Le Devoir and L'Action nationale in Montreal who set out to reformulate Quebec nationalism in terms of a modern secular urban industrial society which would be fully master in its own house

An equally dedicated group of French Canadians of liberal or social democratic persuasion was based upon the periodical Cit libre one of whose editors was Pierre Trudeau and had links with organized labour

Cit libristes sought to remove what they considered to be the major obstacles to the creation of a modern francophone society

the all pervasive influence of clericalism inherent in the Catholic church's control of education and the social services and the persistence among Quebec's intelligentsia of an outmoded nationalism which advocated the preservation of a rural and elitist society and neglected the development of the individual and the pursuit of social equality

Behiels delineates the divergent societal models proposed by the two movements by focusing upon such themes as the critique of traditional nationalism the roles of church state and labour the response to the new federalism the reform of education and the search for a third party

He shows how the rivals combined to help bring down an anachronistic Union Nationale government in June 1960

In one form or another he concludes Cit libre liberalism and neo nationalism have remained at the heart of the political and ideological debate that has continued in Quebec since the Duplessis era

Trudeau Transformed Max Nemni, Monique Nemni, 2011

Published in 2011 as Trudeau fils du Québec père du Canada Tome 2 La formation d'un homme d'État by Les Éditions de L'Homme T p verso **Another Look at the Asbestos Workers' Strike of 1949** Fraser Isbester, 1963 **René Lévesque and the Parti Québécois in Power** Graham Fraser, 2001-11-21

Nominated for the Governor General's Award for Non Fiction René Lévesque and the Parti Québécois in Power has been described as the classic work on one of the most important periods in recent Quebec history

Graham Fraser

paints a vivid portrait of one of the most important exciting biographies of our time the definitive major two volume biography of Pierre Elliott Trudeau written with unprecedented complete access to Trudeau's enormous cache of private letters and papers Bestselling biographer John English gets behind the public record and existing glancing portraits of Trudeau to reveal the real man and the multiple influences that shaped his life providing the full context lacking in all previous biographies to date As prime minister between 1968 and 1984 Trudeau the brilliant controversial figure intrigued Canadians and attracted international attention as no other Canadian leader has ever done Volume One takes us from his birth in 1919 to his election as leader in 1968 Born into a wealthy family in Montreal Trudeau excelled at the best schools graduating as a lawyer with conservative nationalist and traditional Catholic views But always conscious of his French English heritage desperate to know the outside world and an adventurer to boot he embarked on a pilgrimage of discovery first to Harvard and the Sorbonne then to the London School of Economics and finally on a trip through Europe the Middle East India and China He was a changed man when he returned socialist in his politics sympathetic to labour a friend to activists and writers in radical causes Suddenly and surprisingly he went to Ottawa for two mostly unhappy years as a public servant in the Privy Council Office He frequently shocked his colleagues when on the brink of a Quebec election for example he departed for New York or Europe on an extended tour Yet in the 1950s and 60s he wrote the most important articles outlining his political philosophy And there were the remarkable relationships with friends women and especially his mother whom he lived with until he was middle aged He wrote to them always exchanging ideas with the men intimacies with the women especially in these early years and lively descriptions of his life He even recorded his in depth psychoanalysis in Paris This personal side of Trudeau has never been revealed before and it sheds light on the politician and statesman he became Volume One ends with his entry into politics his appointment as Minister of Justice his meeting Margaret and his election as leader of the Liberal Party and Prime Minister of Canada There his genius and charisma his ambition and intellectual prowess his ruthlessness and emotional character and his deliberate shaping of himself for leadership played out on the national stage and when Lester B Pearson announced his retirement as prime minister in 1968 there was but one obvious man for the job Pierre Trudeau In 1938 Trudeau began a diary which he continued for over two years It is detailed frank and extraordinarily revealing It is the only diary in Trudeau's papers apart from less personal travel diaries and an agenda for 1937 that contains some commentary His diary expresses Trudeau's own need to chronicle the moments of late adolescence as he tried to find his identity It begins on New Year's Day 1938 with the intriguing advice If you want to know my thoughts read between the lines from **Citizen of the World** John English, 2009-10-15

archives and texts this challenging passage through twelve essays presents a history of the literature and examines its debt to and synthesis with oral cultures George Elliott Clarke identifies African Canadian literature's distinguishing characteristics argues for its relevance to both African Diasporic Black and Canadian Studies and critiques several of its key creators and texts Scholarly and sophisticated the survey cites and interprets the works of several major African Canadian writers including Andr Alexis Dionne Brand Austin Clarke Claire Harris and M Nourbese Philip In so doing Clarke demonstrates that African Canadian writers and critics explore the tensions that exist between notions of universalism and black nationalism liberalism and conservatism These tensions are revealed in the literature in what Clarke argues to be paradoxically uniquely Canadian and proudly apart from a mainstream national identity Clarke has unearthed vital but previously unconsidered authors and charted the relationship between African Canadian literature and that of Africa African America and the Caribbean In addition to the essays Clarke has assembled a seminal and expansive bibliography of texts literature and criticism from both English and French Canada This important resource will inevitably challenge and change future academic consideration of African Canadian literature and its place in the international literary map of the African Diaspora
