The Assassin's Curse Lindsay Buroker, 2016-04-05 When outlaws Amaranthe and Sicarius chance upon imperial spies stealing military prototypes they immediately give chase Well immediately after Amaranthe talks Sicarius former assassin and all around non altruistic type into the mission After all they both want imperial pardons and what better way to attract the emperor's favor than by looking after the empire's interests What seems like a straightforward mission develops a hitch when the spies flee to Darkcrest Isle a forbidding chunk of land reputed to be haunted Amaranthe isn't quick to believe in tales of malevolent spirits so she's startled when the ever pragmatic and unflappable Sicarius shows reluctance at setting foot on the island Only when it may be too late to escape
