The Secrets of Freemasonry Robert Lomas, 2011-09-01 Many people are curious about the existence of secret societies which claim to hold arcane religious or esoteric knowledge and pass it down through the generations via selected adepts Classic Masonic writers including William Preston Robert Gould JSM Ward AE Waite and WL Wilmshurst have written about secret traditions connected to the Temple of Sion Each has different ideas about how mystical knowledge came into Freemasonry Some say that the Charter of Larmenius reveals an underground line of Knight Templar Grand Masters who survived down to the nineteenth century All agree there is a Secret Lodge or House of Adepts who continue to teach true knowledge of the ancient mysteries and that The Craft transmits beliefs linked to the Earls of Rosslyn the Knights Templar and Lodge Mother Kilwinning Masonic expert Robert Lomas has collected together this thread of belief from old Masonic writers and rewritten it in modern English to make the ideas accessible to modern readers

The Origins of Freemasonry Margaret C. Jacob, 2016-10-18 Can the ancestry of freemasonry really be traced back to the Knights Templar Is the image of the eye in a triangle on the back of the dollar bill one of its cryptic signs Is there a conspiracy that stretches through centuries and generations to align this shadow organization and its secret rituals to world governments and religions

Myths persist and abound about the freemasons Margaret C Jacob notes But what are their origins How has an early modern organization of bricklayers and stonemasons aroused so much public interest In *The Origins of Freemasonry* Jacob throws back the veil from a secret society that turns out not to have been very secret at all What factors contributed to the extraordinarily rapid spread of freemasonry over the course of the eighteenth century and why were so many of the era's most influential figures drawn to it Using material from the archives of leading masonic libraries in Europe Jacob examines masonic almanacs and pocket diaries to get closer to what living as a freemason might have meant on a daily basis She explores the persistent connections between masons and nascent democratic movements as each lodge set up a polity where an individual's standing was meant to be based on merit rather than on birth or wealth and she demonstrates beyond any doubt how active a role women played in the masonic movement
