

What is the Atonement of Jesus Christ?

The Atonement is the sacrifice Jesus Christ made to help us overcome sin, adversity, and death. Jesus's atoning sacrifice took place in the Garden of Gethsemane and on the cross at Calvary. He paid the price for our sins, took upon Himself death, and was resurrected. The Atonement is the supreme expression of the love of Heavenly Father and Jesus Christ.

The Atonement and Resurrection of Jesus Christ Leland S. Thomas, 2002-01-01 *The Atonement & Resurrection of Jesus Christ* Leland S. Thomas, 2002-01-01 **The Resurrection of Jesus Christ** W. Ross Hastings, 2022-02-08 The resurrection of Jesus Christ is one of the best attested facts of history But believing in the resurrection is one thing Knowing what it means is another Although much has been written about the apologetics of the resurrection little has been written about its theological meaning This book reveals the hidden depths of the theological significance and ongoing relevance of the resurrection of Jesus Christ for our being our salvation Christian life ethics and our future hope **Atonement and the Logic of Resurrection in the Epistle to the Hebrews** David M. Moffitt, 2011-07-27 Hebrews appears to have little interest in Jesus resurrection Drawing on contemporary studies of Jewish sacrifice Jewish apocalyptic literature and fresh exegetical insights this volume argues that Jesus resurrection forms the conceptual center of Hebrews Christological and soteriological reflection *The Last Week* Barrett A. Slade, 2020-03 Each of the seven days preceding His death are discussed with scripture references and insightful event summaries Walk hand in hand with the Savior as He triumphantly enters Jerusalem for the last time presides over the last supper is betrayed by Judas suffers in the Garden of Gethsemane is crucified ascends to heaven Filled with profound teachings and amazing miracles the New Testament account of Jesus Christ is the greatest story ever told Understand his mortal ministry as never before by bringing to life His tender message selfless sacrifice and infinite Atonement portrayed so lovingly in this inspired study of His last days on earth **The Quakers of Iowa** Louis Thomas Jones, 1914 *Atonement: A Guide for the Perplexed* Adam J. Johnson, 2015-05-21 Christians agree that they are saved through the death and resurrection of Christ But how is the atonement achieved in these events This book offers an introduction to the doctrine of the atonement focused on the unity and diversity of the work of Christ Johnson reorients current patterns of thought concerning Christ s work by giving the reader a unifying vision of the immensely rich and diverse doctrine of the atonement offering a sampling of its treasures and cultivating the desire to further understand and apply these riches to everyday life Where introductions to the atonement typically favor one aspect of the work of Christ or work with a set number of themes aspects or theories this book takes the opposite approach developing the foundation for the multi faceted nature of Christ s work within the being of God himself It offers a grand unifying vision of Christ s manifold work Specific elaborations of different theories of the atonement biblical themes and the work of different theologians find their place within this larger rubric *The Biblical and Patristic Doctrine of Salvation* Joseph Taylor Goodsir, 1866

Thomas F. Torrance Paul D. Molnar, 2016-02-17 This book provides an important study of the theology of Thomas F Torrance who is generally considered to have been one of the most significant theologians writing in English during the twentieth century with a view toward showing how his theological method and all his major doctrinal views were shaped by his understanding of the doctrine of the Trinity Torrance pursued a theology that was realist because he attempted to think

in accordance with the unique nature of the object that is known In holding to such a methodology he drew an analogy between theology and natural science This book demonstrates how for Torrance God relates with humanity within time and space so that creation finds its meaning in relation to God and not in itself this enabled him to avoid many theological pitfalls such as agnosticism subjectivism and dualism while explaining the positive implications of various Christian doctrines in a penetrating and compelling manner This book offers an important resource for students of theology and for scholars who are interested in seeing how serious dogmatic theology shapes and should shape our understanding of the Christian life **The**
