Subcommittee on Indian Affairs, 1972      **Chinese Affairs ...**, 1907      Private Affairs Phillip Brian Harper, 1999-06 In Private Affairs Phillip Brian Harper explores the social and cultural significance of the private proposing that far from a universal right privacy is limited by one's racial and sexual minority status Ranging across cinema literature sculpture and lived encounters from Rodin's *The Kiss* to Jenny Livingston's *Paris is Burning* *Private Affairs* demonstrates how the very concept of privacy creates personal and sociopolitical hierarchies in contemporary America      **Survey of Activities of the Committee on Foreign Affairs** United States. Committee on Veterans' Affairs, 1967      **Penal Affairs**, 1929      *Health and Sanitation Division, Institute of Inter-American Affairs Newsletter* United States Department of State, 1948      *The Affair: The Case of Alfred Dreyfus* Jean-Denis Bredin, 2019-07-31 Co published by Plunkett Lake Press and George Braziller Inc On an autumn morning in 1894 Captain Dreyfus was summoned to appear for a routine inspection instead as he took down a letter dictated by a senior officer he was summarily accused of high treason So began a twelve year series of events that included his imprisonment on Devil's Island the publication of Emile Zola's passionate *J'accuse* the Rennes retrial and the pardon and final rehabilitation of 1906 As the Dreyfus case turned into the Affair the history of a single military career came to display the conflicts that were tearing France apart military defeat anti-Semitic furor and the place of traditional values in a country still reeling from the turbulence of the French Revolution Told with an historian's insight and a novelist's skill *The Affair* makes fascinating and informative reading about one of the most celebrated episodes in modern history There have been many books about the Dreyfus Affair but Jean Denis Bredin's book is one of the best of them lucid well organized informed by a fine sense of drama John Gross *The New York Times* a critically acclaimed study Michiko Kakutani *The New York Times* If one is limited to a single book about the Dreyfus case and its consequences this should be it Bredin has told this story with precision passion and a vivid sense of character *The New York Review of Books* A brilliant and fascinating book What is most remarkable about *The Affair* is the skill and sensitivity with which the author places it in its essential historical setting It is also a gripping though terrible story superbly told *The Atlantic* This is the most judicious and absorbing account to date of the Dreyfus Case

The Boston Globe This is certainly the best book on the Dreyfus case now available in the English language San Francisco Examiner Bredin is crystal clear in his gripping narrative of the complex case His tapestry glows with all the color of the Belle Epoque and its extravagances Chicago Sun Times There have been other books on the Affair but I can't imagine any of them coming even close to Bredin's work He is brilliant at placing the myriad elements of the Affair in context with verve and lucidity It should be a model for future historians San Francisco Chronicle *Bureau of Indian Affairs* United States.
