AUCADEMY
EDUCATORS OF AUTISTIC EXPERIENCE

The model was created by Autistic people to help other Autistic people feel heard & validated that whatever thoughts & feelings they have about discovering they're Autistic, others have experienced them too. All reactions, responses, thoughts, feelings, & stages when you discover you're Autistic are valid. Keep in mind these reactions are not linear, & you may experience one, many, all of them, or none, & at different times, or reactions simultaneously (for more information please use the link below). Let us know at Aucademy where you are in your journey and what has helped you in your discovery.
