Escobar,2022-11-02 Struck by Chicxulub The Impact and Aftermath of Suicide Affecting the World By Karla S Escobar They say that suicide is a selfish act the most selfish act a person can accomplish but I can tell you that that s wrong Suicide could very well be the most unplanned unnecessary act a human can commit It is

most certainly not the answer to life's problems. Suicide is like a long difficult road to take when a person is looking for a way out to his or her problems. At the very end of it, there's nowhere else to go, no more road to walk on; therefore, the person who walks it has two choices: fall into the depths of abyss or turn around and trace back the steps they took, go back to the starting point, looking for another road, another answer. Having been at the end of this road and finding that this was not the answer, it takes a lot of strength to move away from it. I really hope that whoever is walking that road may find the way away from it.

**The Hills** P.A. Nelson, 2013-05-02. The Hills is a true story experienced and told to me over the years by my mother, Beth. This story about my mother's childhood began in Lepanto, Arkansas, and ended in Concrete, Washington. There was a lot of pathos, happiness, and learning about life that we don't see in our families today. Mother's first seven years were spent in a little 2-bedroom house in Arkansas where she learned family values. The second part of her journey in growing up was three weeks spent in a Model A crossing the United States in a move to improve the quality of their lives. Upon arrival in Concrete, Washington, her family settled into a situation where they had a much nicer lifestyle for a time. It is a true story of how families were making it in the Big Depression.

Froggy isn't even allowed to take care of her until her tail falls off. Waiting is hard, but just when he's ready to give up, Polly's legs finally grow, and big brother Froggy steps in to show her the ropes.
