*Heritage and Horizon* Harry A. Renfree, 2007-03-16 In this age of hi tech impersonal living our individual identities are in danger of being submerged and our collective past is easily forgotten History is therefore more important now than it has been in any previous time It is a corrective that insists we are not defined as a number in a data bank but as people who have lived in relation to time and circumstances Our roots lie not in a code but in interactions with other people and in the flow of daily events Canadian Baptists have eagerly awaited the day that someone would produce a comprehensive candid and faithful report of who we are and what major events helped shape our identity This book can only strengthen Canadian Baptist relationships as it brings to mind our common or similar beginnings The author of this history Dr Harry A Renfree has done us an immense service by giving us a history worth reflecting upon and one which ought to spur us on to glorify God in His church s mission Well qualified to share his gifts as writer and interpreter Dr Renfree is a Canadian Baptist who has given lifelong leadership in the cause of Christ in this country My hope is that the readers of this book will come to understand how Canadian Baptists have sought to serve Christ throughout their history and right up to the present day May God s leading in this historic endeavour cause us to grieve over the errors of the past to rejoice in the grace of God that has marked our joyful times and to firmly resolve to go forth in this day in our land to honour the Baptist name through true humility and servanthood R C Coffin General Secretary Treasurer Canadian Baptist Federation

Wilson, 2022-04-01 As the first single volume work to present a national picture of Baptist engagement with the fundamentalist movement in Canada in the late nineteenth and twentieth centuries Canadian Baptist Fundamentalism fills an important gap in the historiography It explores the contributions of well known fundamentalists such

as T T Shields William Bible Bill Aberhart and J J Sidey while also introducing the reader to several lesser known figures including Joshua Denovan E J Stobo and T A Meister Together these studies demonstrate the diversity of the fundamentalist movement as it emerged and developed across Canada By drawing on material from across the country Canadian Baptist Fundamentalism addresses old themes in new ways and in the process raises a variety of questions and possibilities for new avenues of study

**Baptists and Business** Paul R. Wilson, 2025-05-08 This study of Baptist businessmen from Jarvis Street Baptist Church in Toronto breaks new ground The challenges to faith exerted by the arrival of a new materialistic social ethic and a business dominated culture in the last half of the nineteenth and early twentieth centuries has received little attention from Canadian historians Instead historians have primarily focused on religious leaders and intellectual challenges to faith This study examines the sociocultural challenges that confronted one group of central Canadian Baptist businessmen from 1848 to 1921 Essentially the findings offered here are used to sustain the argument that the rise of business and consumerism helped to secularize the beliefs values and practices of Baptist businessmen Furthermore the effects of secularization were profound on both the personal and church community levels
