The Basis Of The Premillennial Faith:

The Basis of the Premillennial Faith Charles C. Ryrie, 1981-07-01 The essential facts regarding premillennial faith presented in a direct and easy to understand manner Sound Biblical doctrine

The Basis of the Premillennial Faith Charles Caldwell Ryrie, 1953 Premillennialism is a system of biblical truth It is not merely an interpretation of one passage in the last book of the Bible That the Lord s people may be informed and enlightened concerning this system is the purpose of this book It was not written to stir up controversy but it must and does state conviction Preface

The Pretribulation Rapture Doctrine and the Progressive Dispensational System John A. Alifano, 2004 Since its inception in the early nineteenth century the basic tenet of dispensationalism a school of Protestant theology which holds that God deals with humankind in different ways in different periods of time called dispensations has been that the church and Israel are two sharply distinct peoples of God The distinction is theological in nature specifically anthropological pertaining to humanity soteriological pertaining to salvation and eschatological pertaining to last things The tenet of theological distinctiveness has always been the cornerstone for the dispensationalist s belief in the pretribulation rapture of the church the belief that at the first stage of Christ s two stage second advent he will endue all who comprise the true church with a resurrected body like his own and transport i e rapture all to heaven before the seven year period of turmoil known as the Tribulation begins on earth The rapture marks the end of one dispensation when God focused his attention primarily on the church and the start of another when God will focus his attention primarily on Israel Today almost two centuries later progressive dispensationalists have rejected the view of a sharp theological distinction From their study of Scripture they observe a soft non theological distinction They describe the church and Israel as different redemptive dimensions of the same humanity that share in a holistic and unified eternal salvation An already and not yet eschatological framework is the cornerstone of their system This thesis will argue that progressive dispensationalism cannot integrate the pretribulation rapture doctrine into its reconstructed dispensational system on any basis of theological distinctiveness between the church and Israel This will be accomplished by first setting forth the theological systems of the three major forms of dispensationalism that have existed during its history namely classical revised and progressive dispensationalism and second by showing that each of three kinds of theological distinctiveness namely anthropological soteriological and eschatological distinctiveness are present in the classical and revised systems and therefore these systems can support the rapture s integration but are not present in the progressive system and therefore this system cannot support the rapture s integration The thesis closes with an explanation as to why progressive dispensationalism is more compatible with amillennialism than with premillennialism

Interpreting The Bible Literally Fred DeRuvo,2009-04-02 Those who understand the Bible in literal terms are constantly accused of not understanding the Bible in literal terms Someone will point to the word all or this or that and charge that the Literalist does not take those words literally therefore they are not truly understanding the Bible in literal terms Is there any truth to this Does the Literalist strive to understand the literal meaning of the Bible and by doing so is he required to understand every word in its most literal sense The author sets out to show that within language while not all words phrases and verbiage are to be taken literally all meaning derived from those same words phrases and verbiage is to be taken literally It is the actual meaning that matters What s the difference Is the Literalist simply pulling the wool over everyone else s eyes in order to make the Bible say what they want it to say

A Linguistic Approach to Revelation 19:11-20:6 and the Millennium Binding of Satan Alan E. Kurschner,2022-08-22 This study argues that the establishment of the millennium binding of Satan and the vindication of the saints in Revelation 20 1 6 are cohesively linked with Jesus s victorious battle in Revelation 19 11 21 The major implication of this analysis views both these events as consequent effects of Christ s victory at the eschatological battle Applying systemic functional linguistics and discourse analysis of cohesion this study advances critical scholarship on the Book of Revelation by offering the first fully sustained answer to this frequently debated question regarding Satan s binding from a modern linguistic approach

Models of Premillennialism Sung Wook Chung,David L. Mathewson,2018-08-27 The meaning of the millennium the thousand year reign of Christ spoken of in

Revelation 20 has been controversial for much of the church's history and even the main perspectives on the matter turn out to be more variegated than is often realized. This book takes the oldest of those options, premillennialism, and offers an excellent introduction to a variety of models of premillennialism currently available, including classical dispensationalism, progressive dispensationalism, historic premillennialism, thematic premillennialism, and historic premillennialism in Asian context. The product of collaboration between a systematic theologian and a New Testament scholar, this book provides a fascinating reference tool for anyone interested in what Scripture teaches about the last things of redemptive history: the Parousia and the millennial kingdom.

The Promise of Dawn Jeffrey J. Richards, 2002-03-12. This book identifies Lewis Sperry Chafer, evangelist, teacher, author, and founder of one of the world's largest seminaries, as one who has greatly influenced recent controversies and scholarship concerning the Second Coming of Christ. This work portrays this important figure in the Evangelical movement as a forceful and creative theologian who has had an incredible impact on religious thought and practices not only in the United States but worldwide. Chafer gathered massive themes materials and collective dispensational premillennial thought of the latter nineteenth century and the first half of the twentieth century. He did not merely collect but he interpreted the evangelical theology in a positive manner. He had the ability to interpret the timeless truths of Scripture in a manner which captivated and inspired others. A University Press of America Book.

The Millennial Kingdom John F. Walvoord, 1959. The Millennial Kingdom is a comprehensive biblical and historical treatment of the doctrine of the millennium, written for the pastor, student, scholar, or layperson. The three leading millennial views, postmillennialism, amillennialism, and premillennialism, are presented in the context of their history, their theology, and their biblical interpretation. Dr. Walvoord presents postmillennialism first and then discusses amillennialism. However, the subject of premillennialism forms the main body of the work. The author introduces premillennialism with a survey of its historical background in the Old and New Testaments and in the history of the church. Its theological setting and methods of interpretation are discussed. A presentation of the character of the millennium concludes the volume.

The True Seed of Abraham: An Historic Premillennialist's Examination of

Dispensationalism's Radical Distinction Between Israel and the Church. Timothy A. Williams, 2010-08-31 A biblical critique of Dispensationalism that calls for an irenic and charitable fellowship among conservative separatists [A Victorian Dissenter](#) David E. Seip, 2018-04-24 This book introduces the reader to Robert Govett 1813 1901 dissenting clergyman and author who wrote as a scholar of biblical prophecy primarily on the subject of the exclusion of believers in the Millennial Kingdom an idea of which he conceived The purpose of the book is threefold 1 to describe Govett his life and his printed work 2 to analyze Govett's eschatological beliefs especially those he originated and 3 to investigate why a respected theologian in England who had published over 180 books and tracts disappeared from dissenting print culture early in the twentieth century Govett's doctrine of exclusion was heavily intertwined with most of his writings It was a topic that he developed throughout his career Yet as the center of dispensationalism shifted to America Govett's views of the Rapture began to be seen as extreme The book explains why Govett was eclipsed as the center of the evangelical movement shifted and its theology ossified Since his death Govett has been occasionally remembered in scholarship but with increasing inaccuracies and skepticism This book seeks to remove the mystery **For Zion's Sake** Paul Richard Wilkinson, 2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ's glory and God's truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology **Preface to Theology** John Howard Yoder, 2002-04-01 Long familiar to theologians and theology students John Howard Yoder 1927 1997 is increasingly recognized as one of the most significant theologians of the later twentieth century Yoder hailed as a gifted proponent of Anabaptist social ethics was also an astute and ecumenically minded constructive theologian Preface to Theology initially developed as seminary course material is key to understanding Yoder's theology and his ever central commitment to Christology It provides an introduction to the traditional categories of systematic theology suggesting Yoder's concern with our posture toward theological study and the importance of viewing this study as a vital ongoing process Preface to Theology introduced by Stanley Hauerwas and Alex Sider includes updated documentation of Yoder's sources The approachable student friendly format makes this volume now officially in print for the first time ideal for both the beginning theology student and the advanced scholar Readers in all Christian traditions will find it a penetrating introduction to theology students of Yoder's thought will find it indispensable *The Gospel of the Christ* Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe

about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith
