Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *Who's who in U.S. Writers, Editors & Poets* ,1989 *Bulletin of the Public Library of the City of Boston* Boston Public Library,1918 **Who's who in Writers, Editors & Poets, United States & Canada** ,1995 **Bulletin of Bibliography and Dramatic Index** ,1918 **The International Directory of Distinguished Leadership** American Biographical Institute,1986 **Directory of Latin American Writers in the New York Metropolitan Area** ,1989 **Collier's Encyclopedia** ,1957 **Bulletin of the Public Library of the City of Boston** ,1917 **Collier's Encyclopedia** Frank Webster Price,1950 **The Booklist** ,1924 Bulletin of Bibliography and Magazine Subject-index ,1918 **High School Library Manual** Southeast Missouri State University,1924 *Creative Canada* ,1971-12-15 Did he ever play Hamlet Has she worked in television What was the title of his first novel Under whom did she study How many children has he Answers to such questions about contemporary Canadian artists have often been difficult even impossible to find This series has been created to provide the answers it covers creative and performing artists who have contributed as individuals to the culture of Canada in the twentieth century Each volume in the series presents a cross section of many different kinds of artists authors of imaginative works artists and sculptors musicians performers composers conductors and directors and performing artists in ballet modern dance radio theatre television and motion pictures directors designers and producers in theatre cinema radio television and the dance choreographers and for cinema cartoonists and animators Within each category of art is included a selection of those who have achieved national and international recognition those who have been recognized locally and some now deceased who markedly influenced their contemporaries locally nationally or internationally This is not a critical compilation rather it is an objective and factual reference work for those interested in contemporary Canadian culture Information was collected by painstaking research in a wide variety of sources and wherever possible it has been verified by the artist to make each entry as accurate and comprehensive as possible **The Eclectic Magazine of Foreign Literature, Science, and Art** ,1867 Bulletin of High Points in the Work of the High Schools of New York City ,1929
