The Unbegun Micah T. Dank, The Unbegun Book Seven the continuation of Into the Rabbit Hole 5 years later. November 1916: A Novel Aleksandr Solzhenitsyn, 2014-08-19

The month of November 1916 in Russia was outwardly unmarked by seismic events but beneath the surface society seethed fiercely. In Petrograd, luxury store windows are still brightly lit, the Duma debates the monarchy, the course of war and clashing paths to reform the workers in the miserable munitions factories veer increasingly toward sedition. At the front, all is stalemate except for sudden death's capricious visits while in the countryside, sullen anxiety among hard-pressed farmers is rapidly replacing patriotism. In Zurich, Lenin with the smallest of all revolutionary groups plots his sinister logistical miracle. With masterly and moving empathy through the eyes of both historical and fictional protagonists, Solzhenitsyn unforgettably transports us to that time and place, the last of pre-Soviet Russia. Translated by H. T. Willetts. November 1916 is the second volume in Solzhenitsyn's multi-part work, the Red Wheel, following August 1914. The final volumes will deal with March and April of 1917. Each volume concentrates on a historical turning point or knot as the wheel rolls on inexorably toward revolution.

[Saving Chimpanzees - A Man On A Rescue Mission](#) Eugene Cussons, 2012-11-21. Genetically, the chimpanzee is

humankind's closest relative in the animal kingdom. Yet in recent times humans have shown scant regard for the welfare of their intelligent cousin. Conflicts and endemic poverty across their range have decimated wild chimpanzee populations and they are today a seriously endangered species. Destruction of their habitat and the bush meat trade have disrupted their complex social structures, often resulting in orphaned youngsters, some of which are sold illegally as exotic pets to people who do not understand their highly specialised needs. In association with the Jane Goodall Institute, South Africa, Eugene Cussons and his family established Chimpanzee Eden in the South African Lowveld as a sanctuary for the relocation of abused and orphaned chimpanzees from all over Africa. Often at great personal risk, Cussons travels throughout strife-torn African countries and brings traumatised primates back to the safety of Chimpanzee Eden, where for the first time, for most of them, they have freedom and the opportunity of being with their own kind, as well as the attention of experts. Saving Chimpanzees is a remarkable account of some of his rescue missions, complicated operations requiring diplomacy and no small measure of courage and dedication. This updated edition includes a section on the recent traumatic events at Chimpanzee Eden. Eugene Cussons explains the reasons for the chimpanzees' attack on a tour guide and provides an insider's glimpse into the events of that fateful day.

The Big Bhang Travis Hill, 2016-02-29. Jeremy Jefferson Jacobs Jackson Forjay to everyone but his mother grew the most potent marijuana on Earth. Some said the entire Federation of Allied Planets. When the Galactic Union declares humanity unfit to exist, only one man has what it takes to be a true hero to the citizens of FAP: Join Forjay. Ms. Marianna Templeton, Ambassador Dave Thatcher, and a large, diverse, generally annoying cast of the Galactic Union's alien species on an adventure that spans both time and space. Relish in the glory of victory, plunge to the lowest depths of despair in defeat, and scream insults at stupid, uppity, snooty, gloppy alien jerks who act like they're better than human beings and think they're tough. Definitely Fake Editorial Reviews of The Big Bhang. I didn't understand this book at all. Fijj Yom Wroglarian, a dumb alien species not affected by weed. There's a lot of commas and long sentences in this book, some reader who complained about commas and long sentences. This book is not funny. NYPD Patrol Officer Gary Garrison: Bark, bark, bark, growl, Bark, NYPD Drug Canine Mr. Fang. This is the lowest form of propaganda, the kind only a weak, mewling race of soup-filled meatbags would dare to popularize. Tyx War General Boomz Blasterton: Reading this book is the dumbest thing you could ever do. The author of this book, I don't get it. I raised Travis better than this, the author's mother.

Investigating the Kennedy Assassination Robert Lockwood Mills, Michael Deeb, 2024-08-20. For the first time in one place, the reader will see all the likely conspirators revealed. The Warren Commission and the FBI agreed that President John F. Kennedy was killed by a lone gunman, Lee Harvey Oswald. Fifteen years later, the House Committee on Assassinations re-examined the evidence. They announced that he was not killed by a single gunman but probably murdered as the result of a conspiracy. This House Committee hesitated to speculate on who might have been involved in that conspiracy or why John F. Kennedy was killed in Dallas on November 22, 1963. In 1979, Michael Burke and former congressman Harold Ryan were asked to continue that
