

THE AUCTION PROCESS

Searching

Ready to get started? Decide on your budget and buying strategy first to lock down the details, like where you'll search and how you'll pay. Once you've found a property you like, don't forget to do your due diligence research before you bid.

Bidding

Once you have a well-researched property, it's on to the fun part. To get prepped to make your offer, refer back to your bidding strategy. Don't forget to look at all the costs that go into the purchase! When you're ready, place that bid and keep an eye on the auction.

Buying

You've won an auction, and now it's time to check out! Make sure you fill out the checkout form within 24 hours with your financing and other important information. The seller will review your offer and, if it's accepted, you'll move on to the closing process.

Owning

Finally, the best part — ownership! You've gone through the whole auction process, and now it's time to take possession and activate your owning strategy, whether that's moving in, fix and flip, finding new tenants, or more. Enjoy your new property!
