

The background of the slide features a close-up, slightly blurred photograph of a stack of old, worn books. A dark blue vertical bar is on the left side. Overlaid on the books is a dark, semi-transparent rectangular box containing the title and author's name in white text. In the foreground, a vintage photograph with a white border is partially visible, showing a dark, indistinct image.

it might have been pleasant enough had it not been a favourite resort for my kith and kin My father has long enjoyed a world wide notoriety he is not however as a rule named in good society though he habitually frequents it and as I am led to believe that my autobiography will possibly be circulated by Mr Mudie and will lie about on drawing room tables I will merely mention that a most representation of my progenitor under his nom de th atre Mephistopheles may be seen now in London and I should recommend all who wish to understand his character to go to the Lyceum though between ourselves he strongly disapproves of the whole performance I was introduced into the world by an old lady named Mrs O Reilly She was a very pleasant old lady the wife of a General and one of those sociable friendly talkative people who do much to cheer their neighbours particularly in a deadly lively provincial place like Muddleton where the standard of social intercourse is not very high Mrs O Reilly had been in her day a celebrated beauty she was now grey haired and stout but still there was something impressive about her and few could resist the charm of her manner and the pleasant easy flow of her small talk Her love of gossip amounted almost to a passion and nothing came amiss to her she liked to know everything about everybody and in the main I think her interest was a kindly one though she found that a little bit of scandal every now and then added a piquant flavour to the homely fare provided by the commonplace life of the Muddletonians

The Autobiography of a Slander

Edna Lyall,2019-12-05 In The Autobiography of a Slander Edna Lyall explores the corrosive effects of rumor and societal judgment through the lens of a fictional narrative intertwined with autobiographical elements The novel employs a piercing introspective literary style characterized by deeply reflective prose and rich character development set against the backdrop of the late Victorian era a period marked by strict social mores and the burgeoning struggle for individual identity Lyall deftly critiques the rigid gender roles and moral hypocrisy of her time drawing the reader into a world where the protagonist s reputation becomes a battleground for personal autonomy and societal norms Edna Lyall a trailblazing figure in the realm of women s literature emerged during an era when women s voices were often marginalized Her own experiences with societal pressures and her advocacy for women s education and rights undoubtedly influenced her narrative perspective Lyall s keen observations about the interplay of public perception and personal truth resonate throughout her work reflecting her commitment to unveiling the complexities of female existence within a patriarchal society This compelling narrative invites readers to reflect on the nature of truth and the destructive power of gossip The Autobiography of a Slander is not only an engaging read but also a profound commentary on the implications of slander in the Victorian context making it essential for anyone interested in feminist literature and the psychological underpinnings of social reputation

Autobiography of a Slander

Edna Lyal,2015-06-25 Excerpt from Autobiography of a Slander Der zweite Band der Sammlung Modern English Writers soll im Anschluss au den ersten Band Along iu London oder an eine andere leichte Erz hlung einen passenden Lesestoff f r Knaben u M dchenschulen bieten Der erste Teil des B ndchens ist eine etwas gek rzte Wiedergabe von The Antobiography of a Slander von Edna Lyal deren

Schriften mit Recht unter der englischen Jugend sehr beliebt sind. In jeder ihrer Erzählungen bemüht sich die Schriftstellerin dem jugendlichen Gemüt irgend eine wichtige Lehre einzuprägen, aber sie thut es stets im Gewände einer fesselnden Erzählung ohne je in einen lehrhaften oder moralisierenden Ton zu verfallen. In der vorliegenden Geschichte zeigt sie wie durch einen ganz natürlichen Zusammenhang der Ereignisse eine von einer an sich gutmütigen Person unbedacht ausgesprochene Verleumdung, die auf einem Schein von Wahrheit ruht, indem sie von Mund zu Mund geht, so anwächst, dass sie endlich das Verderben ja den Tod eines Unschuldigen herbeiführt. Die Moral drängt sich nirgends dem Leser auf, aber da sie in eine originelle und daher in hohem Maße interessante Erzählung eingekleidet ist, so kann sie nicht verfehlen einen tiefen Eindruck auf das Gemüt zu machen. Es ist zu wünschen, dass der edle Zweck der begabten Verfasserin zu strengster Wahrhaftigkeit zu erziehen durch eine möglichst weite Verbreitung der Erzählung unterstützt werde. Die klare und wohlklingende Sprache ist ein vortreffliches Muster des modernen englischen Stils und bietet Schülern die schon wenigstens eine einfache englische Erzählung gelesen haben, keine besonderen Schwierigkeiten.
