The Lieutenant Takes the Sky L. Ron Hubbard, 2013-10-21 American pilot Mike Malloy has learned his lesson when you join the French Foreign Legion it's best not to wipe the floor with two French officers no matter how richly they deserve it And it appears he has all the time in the world to think about it He's been sentenced to five years in a Moroccan penal battalion which is French for death sentence But Malloy who could easily pass for actor Douglas Fairbanks Jr is about to get a reprieve if he's willing to fly into the heart of the Sahara and into the teeth of a Berber rebellion It's an offer Malloy can't refuse All he has to do is fly two passengers into the desert and return with a book that disappeared 800 years ago But as he's a man who doesn't go by the book this expedition could turn out to have unexpected benefits One of his passengers is a young American woman whose eyes are as beautiful and blue as the wild blue yonder Hubbard once said that writers too often forget a great deal of the languorous quality which made the Arabian Nights so pleasing Jewels beautiful women towering cities filled with mysterious shadows sultans equally handy with robes of honor and the beheading sword these things still exist undimmed losing no luster to the permeating Occidental flavor which reaches even the far corners of the earth today Hubbard brings this unique insight to his stories of North Africa and the Legionnaires investing them with an authenticity of time place and character that kept his readers asking for more

Orders Is Orders (Stories from the Golden Age) (English and English Edition) L. Ron Hubbard, 2011-10 The Japanese have led a heavily armored assault against the Chinese city of Shunkien pounding wreckage into ashes and wiping out a city dating back to Genghis Khan One of the few buildings still standing is the small American consulate now packed with one hundred and sixteen frightened American refugees Food is low and deadly Asiatic cholera is starting to run rampant with carnage and corpses piling up in the streets Two hundred miles away the USS Miami drops anchor well equipped with the needed gold to buy food and a cholera serum to prevent disease and death The dilemma is that should the Marines take military action to rush supplies to the consulate it could force the US into an all out battle with the Japanese Marine Gunnery Sergeant James Mitchell and Private First Class Spivits instead are ordered to conduct a treacherous supply mission facing impossible odds to reach and rescue the trapped Americans

The Carnival of Death L. Ron Hubbard, 2007 Decadence and murder found on the dark side of the big city pales in comparison to the freak show found by undercover US narcotics agent Bob Clark in The Carnival of Death Clark's investigation begins with cocaine and leads to cold blooded murder the discovery of one and then another headless corpse Who is behind the slaughter Are the killings tied to the drug traffic Or is a deeper darker and even more sinister conspiracy unfolding in the carnival There are plenty of distractions bright lights and beautiful girls but Clark better find the murderers of the midway fast Because the next head that rolls could very well be his own Also includes the mystery The Death Flyer in which a man and woman find themselves

trapped on a ghost train and bound for a deadly crash unless they can find a way to derail fate and cheat death on the fly Experience the spinning wheels the pleasure seeking crowds and the screams of horror as the The Carnival of Death takes you on a roller coaster ride of suspense Highly recommended Midwest Book Review Roars to life Library Journal False Cargo L. Ron Hubbard,2012-06-21 Insurance investigator Brent Calloway may be too hard boiled to crack a smile but he ll go to any length to crack a case As tough terse and tireless as insurance man Edward G Robinson in Double Indemnity Calloway s about to go to extremes to see to it that one ship makes it safely from Hawaii to the mainland Going undercover and posing as ruthless killer Spike O Brien Calloway quickly discovers that on this ship nothing is what it seems and no one can be trusted With so much insurance money at stake and the whole crew apparently in on the scam this could end up being a voyage to the bottom of the sea And when the real Spike O Brien shows up it s Calloway who ll need a good insurance policy Because life is cheap when the stakes are so high on a ship of lies bearing a False Cargo A veteran sailor who had voyaged long and far L Ron Hubbard knew well the life at sea He once wrote in his journal There is something magnificently terrible about a savage sea in the unwholesome green of half dawn The ship is an unreal fragile thing full of strange groans and engine and sails are dwarfed in their puny power when matched to all the countless horsepower in wave and wind and current The whole world is an awesome threat Alone wet hungry hand cramped upon a tiller a sailor knows more truth in those hours than all mankind in his millions of years Also includes the sea adventure Grounded in which a Royal Air Force lieutenant loses a friend and tarnishes his reputation and sets out in search of redemption no matter the price *The Falcon Killer* L. Ron Hubbard,2011-06-21 The Japanese military has turned the once thriving Chinese city of Nencheng into a reeking pile of blood and ash And now the Japanese Rising Sun threatens to scorch the ancient and oil rich Kingdom of the Silver Lake Can the Chinese survive the onslaught Do they have a prayer The answer is about to fall out of the sky He is The Falcon Killer China s ace fighter pilot and scourge of the Japanese air force he is in fact Bill Gaylord an American orphaned and self reliant a man without a country and without fear Like William Holden he s the guy every man wants to be and every woman wants to be with Shot down over Nencheng Gaylord parachutes into the arms of the one woman who can give him reason to live and to rejoin the fight against Japan as he squares off against their top spy His prey is in his sights and catching it will change everything for The Falcon Killer As a young man Hubbard visited Manchuria where his closest friend headed up British intelligence in northern China Hubbard gained a unique insight into the intelligence operations and spy craft in the region as well as the hostile political climate between China and Japan a knowledge that informs stories like The Falcon Killer **Forbidden Gold** L. Ron Hubbard,2014-06-15 The ancient jungles of the Yucat n hide a world of secrets the secrets of wealth love and fate Now daredevil pilot Kurt Reid is about to tempt fate and fly into the heart of that jungle in search of his destiny an adventure as daring and dangerous as any undertaken by Indiana Jones He s looking for gold but not just any He s after one particular nugget flying blind into a tropical haystack in search of a very valuable needle Thanks to his

grandfather's vexing dying wish his entire inheritance as well as the shape of his future hangs on the success of his journey. As if that weren't bad enough, Kurt soon finds that his family legacy runs deep and dark in the Yucatán. The Mayans mistake Kurt for his grandfather and they've got fifty years worth of revenge to serve up. Whether he lands on the sacrificial altar or in the arms of his sexy co-pilot Joy, things are bound to heat up fast in pursuit of *Forbidden Gold*. In 1931, as a student at George Washington University, Hubbard founded the college Glider Club and within a few months a respected columnist said he is recognized as one of the outstanding glider pilots in the country. Later he wrote as the aviation correspondent for the prestigious flying magazine *Sportsman Pilot*. His combined writing and flying expertise comprised the perfect recipe to give stories like *Forbidden Gold* their authentic flavor. **The Sky Devil** L. Ron Hubbard, 2013-10-21. Vic Kennedy is in one hell of a jam. Quick-witted and sharp-tongued with a maverick sense of adventure, Vic's flown out of trouble by the skin of his teeth and straight into the jaws of disaster. He chose the wrong side of a rebellion and now the French have bid him adieu and the British have said off you go. It seems the only place that will have him is Greece. The problem with that is as soon as the Greeks get him, they plan on giving him a real send-off at the gallows. But Vic has a better idea: plotting a course for an oasis in the Sahara where things are looking up. A gorgeous captive princess mistakes Vic for a genie. **The Sky Devil** and if he gets his wish, well, this *Sky Devil* will certainly have his day. If he lives to see it. Also includes the adventures *Buckley Plays a Hunch* in which an adventurer seeks to solve the mystery of three castaways who refuse to be rescued and *Medals for Mahoney*, the story of a man who journeys into the heart of darkness to thwart a murderous conspiracy. **The Bold Dare All** L. Ron Hubbard, 2014-06-23. As brash and bold and daring as Steve McQueen, Lieutenant Lee Briscoe will never back away from a good cause or good fight. And when it comes to heroism, he and McQueen are in the same band of brothers. Briscoe's gone undercover to infiltrate a slave labor camp on an island in Southeast Asia, knowing full well that once he goes in, he may never get out. Posing as a man on the run for murder, he may soon wish he had run in the opposite direction. His adversary on the island is Schwenk, a man who is not only a connoisseur of cruelty but an expert at delivering it. And for Briscoe, the stakes have just shot up. An innocent young woman has landed on the island and fallen into Schwenk's clutches, sold to him to do with her as he pleases. Escape is the only option, or both Briscoe and the girl are sure to face a fate worse than death. L. Ron Hubbard once wrote in his journal: There must be wide spaces in which to think, strange music to hear, odd costumes to see, and the elements to battle against. Money, nice cars, good food, and a good job mean nothing to me when compared to being able to possess the thought that there is a surprise over the horizon. Venturing toward that horizon at age seventeen, Ron set sail for the South Pacific in July 1927 and after spending time getting to know the local natives, he signed aboard a working schooner bound for China's coast. Along the way, Ron encountered many dangers lurking in the thick jungle, firsthand experience that contributed to stories like *The Bold Dare All*. **The Professor Was a Thief** L. Ron Hubbard, 2009-07-08. The Empire State Building has vanished into thin air. Gone too are Grant's Tomb and Grand Central Station, and all hell is

breaking loose in New York City One grizzled old newspaper reporter known simply as Pop a role made for Walter Matthau is on top of it and better stay there because his livelihood is on the line If Pop fails to get to the bottom of the vanishing landmarks his job will disappear as well not to mention the fate of Earth's remaining landmarks and the missing people within Battle of the Wizards When the natives of planet Deltoid refuse to grant mining rights to the Galactic Council and invasion by force is impossible a Battle of Wizards is the only option An epic battle between science and magic unfolds with an entire planet hanging in the balance A biting sci fi satire JG Dangerous Dimension A mathematics professor who discovers an equation that enables him to teleport anywhere he can imagine even if he doesn't want to go By the spring of 1938 L Ron Hubbard's stature as a writer was well established As author and critic Robert Silverberg puts it he had become a master of the art of narrative Hubbard's editors urged him to apply his gift for succinct characterization original plot deft pacing and imaginative action to a genre that was new and essentially foreign to him science fiction and fantasy The rest is Sci Fi history

The Crossroads L. Ron Hubbard, 2010-06-21 Think you know what's going on in the world Think again Long before Rod Serling took us into The Twilight Zone L Ron Hubbard brought us to The Crossroads a place where thought provoking twists and turns are delivered with plenty of wit and wisdom Farmer Eben Smith is fed up with big government telling him how to run his life and his business They pay him to bury his crops while folks starve in the streets and he's not going to take it anymore He's declaring his independence loading up his fruits and vegetables and heading for the city to wheel and deal But before he can trade in his turnips Eben'll have to deal with something bigger a break in the space time continuum He's at The Crossroads where reality is turned upside down and inside out And before it's over he'll turn his turnips into liquor and the liquor into guns and gold as he plunges into strange new worlds finding ways to wreak havoc in all of them The Crossroads first appeared in the February 1941 issue of Unknown Fantasy Fiction By then Hubbard's stature as a writer was well established As author and critic Robert Silverberg puts it he had become a master of the art of narrative Hubbard's editors urged him to apply his gift for succinct characterization original plot deft pacing and imaginative action to a genre that was new and essentially foreign to him science fiction and fantasy The rest is history Also includes the fantasy adventures Borrowed Glory the haunting story of two immortals who wager on two mortals given a single day of love a wager that leads to heartbreak and tragedy and The Devil's Rescue based on the legend of The Flying Dutchman in which the sole survivor of a disaster at sea is rescued by the devil himself and finds that fate rests on a roll of the dice Amusing a nostalgic delight Publishers Weekly An International Book Awards Finalists

While Bugles Blow! L. Ron Hubbard, 2012-10-21 He's a handsome American Lieutenant in the French Foreign Legion She's a beautiful woman who's as fiery as the North African sun and as mysterious as the far side of the moon And she's all his bought and paid for in the village square Put them together Cary Grant and Hedy Lamarr and you're sure to get fireworks The only reason the Lieutenant bought her was to free her from the slave trade But now that he's got her he's got trouble Two violent native tribes are determined to get their

hands on the woman even if it means unleashing an all out war The warriors lay siege to the outpost 3000 of them versus 60 Legionnaires within Can the Lieutenant hold the fort against the onslaught And how long can he fend off the powerful feelings he has for the woman in his care And finally does he have any idea of the secret in her past that could change everything On the subject of North Africa Hubbard said that writers too often forget a great deal of the languorous quality which made the Arabian Nights so pleasing Jewels beautiful women towering cities filled with mysterious shadows sultans equally handy with robes of honor and the beheading sword Hubbard brings this unique insight to his stories of North Africa and the Legionnaires investing them with an authenticity of time place and character that will keep you asking for more

Twenty Fathoms Down L. Ron Hubbard, 2013-05-17 As daring and defiant as Kirk Douglas journeying 20 000 Leagues Under the Sea there s no stopping diver Hawk Ridley as he takes the plunge into a briny world of untold riches and danger The Caribbean is a fortune hunter s dream salted with the gold of galleons long ago claimed by the deep Now Hawk s headed for the Windward Passage of Haiti to stake his claim But a rival team has also picked up the scent and they re willing to turn the sea red with blood to get to the gold first Fighting off ruthless competitors is nothing new to Hawk but fighting off a beautiful woman is a different story Is she an innocent stowaway or a seductive saboteur Between the cool millions lying on the bottom of the ocean and the boiling hot race to grab it Hawk s about to find the answer and make a discovery *Twenty Fathoms Down* that will blow you out of the water When it came to research Hubbard was not one to head for the library He always went to the source in this case a U S Navy deep sea diver who agreed to show him the ropes and the danger Hubbard admits it was daunting even frightening but he returned from the experience with all the first hand knowledge he needed to fathom the true nature of life and death underwater *Primo Pulp Fiction Booklist* [The Dive Bomber](#) L.
