Imagine the world where our youth are fully aware of who they are have enough confidence to believe in who they are and fully understand their value to the world
Today our youth experience a world moving at warp speed with our technological advances This creates many distractions that keep them from understanding self
Lessons of Self Discovery is an exploration into uncovering self This book is a guide to accepting our unique gifts abilities talents and characteristics as the sum whole of who we are meant to become allowing everyone on this journey to confidently develop ideas thoughts and dreams knowing that it uniquely comes from within and therefore is our own Genius
We are all created special and with purpose to make our contribution to the world Get ready to enjoy your journey to self which will lead you to your greatness How to Find Yourself: Self-Discovery, Self-Awareness, and Life Design for Maximum Fulfillment Nick Trenton,2021-02-02
Find what you were born for and live the life you were meant to Identity It s an abstract term But it starts with realizing where you came from in order to know where you should be going
And that s the difference between fulfillment and going through the motions day after day Find clarity and direction the true foundations of happiness
How to Find Yourself provides a thorough and scientific approach to understanding yourself and why you do the things you do You will discover your values the roots of your behaviors and what makes you tick
And then you can use this information to your advantage No more floating through life Peter Hollins has studied psychology and peak human performance for over a dozen years and is a bestselling author He has worked with a multitude of individuals to unlock their potential and path towards success
His writing draws on his academic coaching and research experience Gain the self awareness to live in tune with your intentions The historical and biological bases of personality and identity
