The Babobab Children:

The Baobab Children Margaret H. Tredgold,1990 This is another wonderful book for children from the author of *The Hare in the Moon* **Under the Baobob Tree** Brenda Scott Wilkinson,Tom Feelings,2000-10 **Thank You, Baobab Tree!** Mi-hwa Joo,2016-01-01 There are eight species of baobab tree and they are all found in Madagascar a country called the home of the baobab This story follows a family who rely on baobab trees for many things To the people of Madagascar baobab trees really are the trees of life **Reading and Expressive Writing with Traumatized Children, Young Refugees and Asylum Seekers** Marion Baraitser,2014-07-21 Drawing on the author's work with young asylum seekers and refugees this book explores how literature can be used to help children and young people who have been victims of violence overcome their experiences and regain self worth It covers all aspects of implementing the therapy including the theory behind it and practical advice *Comparative Children's Literature* Emer O'Sullivan,2005-03-05 Emer O Sullivan traces the history of children's literature studies from the enthusiastic internationalism of the post war period which set out from the idea of a world republic of childhood to modern comparative criticism **The Greatest Children's Classics - Jules Verne Edition: 16 Exciting Tales of Courage, Mystery & Adventure (Illustrated)** Jules Verne,2024-01-14 In *The Greatest Children's Classics* Jules Verne Edition 16 Exciting Tales of Courage Mystery Adventure the prolific author Jules Verne transforms his renowned storytelling into a delightful anthology tailored for young readers This illustrated collection captures the essence of adventure through tales that blend the fantastic with the pedagogical reflecting the spirit of the 19th century literary movement that inspired a generation of explorers and dreamers Each tale is rich with Verne's characteristic imagination filled with captivating journeys clever inventions and the triumph of the human spirit inviting readers into a world of exploration and wonder Jules Verne often hailed as the father of science fiction was deeply influenced by the scientific advancements and explorations of his time His own passion for travel and technology is intricately woven into his narratives echoing the era's fascination with the possibilities of human ingenuity Through a career that continually defied genre conventions Verne sought to inspire not just adventure but also curiosity and a thirst for knowledge among young minds making literature not merely a form of entertainment but a gateway to understanding the universe This exquisite edition is a must read for both children and adults alike inviting readers to embark on thrilling adventures that encourage bravery and imagination The stunning illustrations bring Verne's worlds to life making it an ideal introduction for young readers whilst serving as a nostalgic reminder for adults of the boundless potential of a child's imagination Open this book to explore the marvelous tales that have inspired countless generations and continue to spark curiosity and adventure **The World Through Children's Books** Susan Stan,2002 *The World through Children's Books* is a valuable and easy to use tool for librarians teachers and others who seek to promote international understanding through children's literature The annotated bibliography organized geographically by world region and country contains nearly 700 books representing 73

countries Sponsored by the United States Board on Books for Young People USBBY **Children's Tales From Around The World** Expo 2020 Dubai,2020-09-08 This collection of 24 wonderful children s stories has been sourced from all corners of the globe Accompanied by beautiful illustrations created by children and professional artists this delightful collection steps into the worlds of fantasy history humour learning and life lessons Dive into the realm of clever princesses fire breathing dragons and misunderstood demons Fly to distant lands and discover the wonders of the world Beware as you encounter tales of treachery and trickery don t say we didn t warn you And take comfort in the friends you find in this book they come in all shapes and sizes This anthology of traditional stories and folktales all of which have been passed down from generation to generation has been curated by Expo 2020 Dubai for the little thrill seekers the fearless adventurers and the curious explorers of the world **All God's Children** Anne E. Neuberger,2010 These delightful stories give children unique insights into the way other children live in far off places like India Turkey China Ethiopia and Iraq Each introduces exotic places and wonderful customs and traditions and also offers guidelines for before reading the story and questions activities and prayers for after reading the story Author Anne Neuberger takes storytelling to a whole new level **The Dark Matter of Children's 'Fantastika' Literature** Chloe Germaine,2023-09-21 Following the material turn in the humanities this book brings perspectives from science and ecology into dialogue with children s fiction written and published in the UK and the USA in the 21st century It develops the concept of entanglement which originated in 20th century quantum physics but has been applied to cultural critique through a reading of Fantastika literature Surveying a wide ranging scope of literary texts this book covers the gothic fantasy the Weird and other forms of speculative fiction to argue that Fantastika positions entanglement as an ethical imperative that transforms our imaginative relationship with materiality In so doing it synthesizes perspectives from a similarly diverse range of areas including ecology physics anthropology and literary studies to examine the storied matter of children s Fantastika as ground from which we might begin to imagine an as yet unrealised future that addresses the problems of our present *Benedicite; Or, The Song of the Three Children* George Chaplin Child,1879
Benedicite Or the Song of the Three Children G. C. Child Chaplin,1874 *The African Saga* Blaise Cendrars,1927
Space and Place in Children's Literature, 1789 to the Present Maria Sachiko Cecire,Hannah Field,Malini Roy,2016-03-09
Focusing on questions of space and locale in children s literature this collection explores how metaphorical and physical space can create landscapes of power knowledge and identity in texts from the early nineteenth century to the present The collection is comprised of four sections that take up the space between children and adults the representation of real world places fantasy travel and locales and the physical space of the children s book as object In their essays the contributors analyze works from a range of sources and traditions by authors such as Sylvia Plath Maria Edgeworth Gloria Anzald a Jenny Robson C S Lewis Elizabeth Knox and Claude Ponti While maintaining a focus on how location and spatiality aid in defining the child s relationship to the world the essays also address themes of borders displacement diaspora exile fantasy gender

history home leaving and homecoming hybridity mapping and metatextuality With an epilogue by Philip Pullman in which he discusses his own relationship to image and locale this collection is also a valuable resource for understanding the work of this celebrated author of children's literature
