The Base Church Creating Community Through Multiple Forms:

The Base Church Charles M. Olsen, 1973 *The Tyranny of Time* Robert Banks, 1997-03-04 The problem of too little time says Robert Banks is a real one The notion of increased leisure time is a myth From a distinctly Christian perspective Banks explains how we can break out of the time prison at work and at church as individuals and as families He emphasizes who we are over what we do and shows how we can develop a sense of personal and social rhythms *The Missional Quest* Lance Ford, Brad Brisco, 2013-08-26 Lance Ford and Brad Brisco walk leaders through the major shifts involved in converting consumer model churches into congregations on a quest for the kingdom of God Addressing everything from sowing the seeds of incarnational thinking to stepping out in the local community The Missional Quest will prepare your church for the long run *Multisite Churches* Dustin L. Slaton, 2024-02-13 The multisite church model has been consistently challenged by those who deem it unbiblical and incompatible with God's design for the local church but does Scripture support this claim In *Multisite Churches* pastor and church vitalist Dustin Slaton posits that congregational polity is compatible with the multisite model dismantling critiques with both urgency and care for the local church's future At a time when church fostering and church adoption are predicted to increase significantly the multisite church model is a solution that can support the adoption of churches Bringing in personal experience and erudite research Slaton heuristically demonstrates a methodological approach of ecclesiology with a theological framework for the multisite model fairly addressing both critics and supporters *Multisite Churches* is a resource for biblical ecclesiology with wide ranging benefits for both clergy and congregant Those prayerfully discerning whether they can transition to a multisite church in a biblical way and those who are interested in the topic will benefit from the guidance and insight provided in this timely resource *Biblical Foundations for Small Group Ministry* Gareth Weldon Icenogle, 1994-03-01 Drawing on biblical teaching and the ministry of the early church Gareth Weldon Icenogle offers guidance for setting up and running a biblically based small group ministry program **The Expectation of the Poor** Guillermo Cook, 2021-05-04 This is by far the most serious study undertaken by a Protestant missiologist on the Latin American base ecclesial communities It is also one of the few studies that relates this extraordinary ecclesial phenomenon with its counterpart in Protestant history The fact that Cook writes not only as a Protestant but as one identified with the evangelical tradition makes it all the more relevant It should be required reading for everyone interested in the life and mission of the grassroots church in the Americas and in the renewal of local congregations everywhere Orlando E Costas Andover Newton Theological School The book is painstakingly researched extraordinarily well written and in my judgment sets a new benchmark for understanding one of the truly phenomenal things God is doing among grassroots Christians in Latin America Alan Neely Southeastern Baptist Theological Seminary Guillermo Cook has performed an invaluable service With his encyclopedic grasp of the history ethos and current activities of the comunidades de base grassroots lay communities in the Latin American Catholic Church he has provided a vivid reminder of the sort of parallel

stirrings that brought renewal to many Protestant churches and spawned new spiritual movements during the last four hundred years These Catholic ecclesial communities are being used of God to transform static clergy dominated sacramentalist structures into living spontaneous movements of loving service and evangelistic concern All should join Dr Cook in praying that they shall continue to be the Hope of the Church and the Expectation of the Poor throughout Latin America today and tomorrow Arthur F Glasser Fuller Theological Seminary The Expectation of the Poor is the most inclusive study on the subject that I know Cook brings to this task his long years of experience and study as a missiologist who has spent decades working in Latin America His bibliography is probably the most complete on the subject that has been published Mortimer Arias author of *The Cry of My People* Competent Christian Counseling, Volume One Timothy Clinton, George Ohlschlager, 2002-04-16 The authoritative new reference guide that equips counselors pastors and church leaders and caregivers for an effective ministry of soul care Under the guidance of the highly respected American Association of Christian Counselors AACC more than 40 leading Christian professionals have come together to provide this comprehensive authoritative and up to date reference guide for professional and lay counselors pastors and leaders in training Competent Christian Counseling offers you the best contributions on spiritual formation and pastoral care from Scripture as well as from giants of church history the latest research theory and successful practice methods in Christian counseling a practical 21st century model of Christian counseling that is not only counselor friendly but also facilitates effective biblical client change all geared to help people mature in the ways and wisdom of Jesus Christ Competent Christian Counseling edited by Timothy Clinton and George Ohlschlager is destined to be regarded for years to come as the authoritative trustworthy resource for Christian counseling *Work, Family and Religion in Contemporary Society* Nancy Tatom Ammerman, Wade Clark Roof, 2014-02-04 Until recently religious institutions have been organized to suit the traditional American family where the wife stayed at home caring for children Today churches and synagogues are beginning to adapt to the reality of the American family dual career marriages high levels of divorce interfaith marriages partnerships that may not be marriages Religious organizations must serve families that don't fall into the Ozzie and Harriet mold The first group of papers in this edited volume documents changing trends in the connection between religion work and the family In the second part of the book we see how changing families and flexible congregations are experimenting with new forms of religious life House Church and Mission Roger W. vital churches analyzed here an evangelical church in the Pentecostal tradition and a social justice parish in the tradition of Martin Luther King Jr Today one can hardly buy an item in a store or on the Internet without being asked for an evaluation yet church services are seldom evaluated There can be no improvement without evaluation This book proposes a method of evaluation in eight steps that must be rigorously scientific and at the same time offer a vision for spiritual growth The prophet Elijah found God in earthquakes and fire but most people find mystery through art music rhythm chanting expressive readings evocative rituals and enlightened homilies Today people expect mystagogy rather than routine performances Mystagogy can be learned and improved through evaluation to which this book desires to make a major contribution
