Vande Kappelle, 2022-09-02 If you ever wished to read through the Bible but hit a snag along the way this book is for you for it presents an ideal opportunity to become intimately acquainted with the biblical message and storyline while providing momentum for even the most skeptical and hesitant reader If you can commit fifteen to twenty minutes a day and are willing to stick to the schedule presented in this book in less than a year you can read through the Bible and know you have acquired a basic grasp of its individual and overall message Aggressive readers can complete the task in half the time if they wish to double the time commitment or split their reading into two fifteen minute blocks a day Those who follow this method will find that the readings reduce the Old Testament by 44 percent and the New Testament by 32 percent for a total reduction of 41 percent of the biblical text To counter immature skewed or harmful attitudes regarding scripture A Bible for Today offers an approach to biblical reading and study that is valid inspiring and practical It does so by eliminating not only repetitive passages but also blocks of material that modern readers wishing to build on a Christian foundation find ponderous lengthy and no longer applicable In contrast to most abridgments and condensations of scripture this volume provides a logical sequence of readings that students of scripture can follow in whatever version they select acquainting themselves with essential biblical passages and teachings in less than a year s time In addition this book provides introductory overviews to each book of the Bible succinct enough to be readable yet literarily historically and theologically reliable and informative

**Five Models of Scripture** Mark Reasoner, 2021-08-24 To relish the feast that is Scripture we need to use multiple models A Christian never gains all that Scripture offers by reading it with just one approach Yet too often this is attempted whether through an academic obsession with the historical critical method or through a consumerist approach that seeks only the motivation of the moment Mark Reasoner broadens the options for scriptural engagement by describing five models of Scripture documents stories prayers laws and oracles To illustrate each he uses examples from throughout the history of interpretation While he concedes that certain books of the Bible will naturally lend themselves to particular models Reasoner shows how an appreciation for all five will enrich one s scriptural insights while also bridging divides between the various branches of the Christian family In addition to the five models Reasoner surveys Catholic Orthodox and Protestant constructions of the biblical canon and addresses specific issues relevant to their respective interpretations of Scripture

including scriptural metanarratives the use of the Bible in Christian worship and the principle of sola Scriptura Through it all Reasoner remains unequivocally focused on his goal to help readers grow in their love for Scripture in ways that will help them plant this love in those to whom they minister     Basketball James Garfield Bliss,1929     Rick Barry's Pro Basketball Bible Rick Barry,Jordan Cohn,1994-09-01     Rick Barry's Pro Basketball Bible Rick Barry,Jordan Cohn,1996-10-01
