s expecting the party girl he s seen all over social media and is taken aback when Madison bounces out of the airport sporting neon overalls and fishing boots In addition to the many roadblocks of her new life Madison suddenly finds herself outrunning cows and competing in beer chugging competitions while attempting parental bonding The more time she spends in Montana and the more time she spends with Jax the more she questions her good life Just when things are starting to become clear someone shows up unexpectedly and all bets are off *To Establish an American Folklife Foundation in the Library of Congress* United States.
