English Poetry of the Romantic Period 1789-1830 J.R. Watson, 2014-03-18. On its first appearance, *English Poetry of the Romantic Period* was widely praised as one of the best introductions to the subject. This edition includes updated material in the light of recent work in Romanticism and Romantic poetry. The book discusses the concerns that linked the Romantic poets from their responses to the political and social upheavals around them to their interest in the poet's visionary and prophetic role. It includes helpful and authoritative discussions of figures such as Blake, Clare, Coleridge, Crabbe, Keats, Scott, Shelley, and Wordsworth.

Selected Poems of Bernard Barton, the 'Quaker Poet' Christopher Stokes, 2020-09-28. The first ever modern edition of Bernard Barton's selected verse, recovering an important and prolific figure from the Romantic era. Instantly recognisable to his contemporaries as the Quaker poet, Barton wrote nature and landscape poetry in a distinctive vein, as well as spanning strikingly diverse themes that engaged politics, society, and religion. This selection encompasses all these tones and genres, providing freshly edited texts from the first printed sources, supplemented by textual apparatus, critical commentary, and informative footnotes. The book also includes a selection of contextual material, including prefaces and reviews, as well as a selection of Barton's lively epistolary correspondence. A substantial scholarly essay serves as the introduction, describing Barton's life and career, as well as analysing his uniquely Quaker poetic identity in its full literary and historical context.

Elizabeth Barrett Browning: Selected Poems Elizabeth Barrett Browning, 2009-07-30. One of the leading poets of the nineteenth century, Elizabeth Barrett Browning had a profound influence on her contemporaries and on writers that followed her. The edition is comprehensively annotated and includes a critical introduction, detailed headnotes for each poem, also provide the reader with a deep understanding of the historical, biographical, and literary contexts in which the poems were written. The extensive appendices include reviews and criticism and material on factory reform and slavery, as well as religion and the Italian Question.

most popular and prolific poets of the early Romantic period Her work influenced Charllotte Smith and Mary Robinson and later both Wordsworth and Coleridge Her reputation was so high that Sir Walter Scott edited the posthumous edition of her poems in 1810 Unlike Scott s this edition reproduces the poems as they were first published in periodicals and collections during Seward s lifetime allowing scholars to experience them as eighteenth century readers did It also includes more than 200 poems that were excluded from the Scott edition
