The chief function of the University of Missouri Studies is to publish the results of original research by members of the faculty and graduate students. It is devoted to the publication of extensive papers now published under the general and divisional bulletins. Papers of exceptional merit from sources other than the faculty and students of the University will, however, be considered for publication provided that they deal with a subject of particular interest to Missouri.

*Address all communications regarding the Studies to the
Chairman, University Studies Committee,
University of Missouri
