Social Policy Towards 2000 Squaring The Welfare Circle:

Social Policy Towards 2000 Prof Vic George, Vic George, Stewart Miller, 2013-07-23 Governments in all advanced industrial societies are involved in an endless struggle of how to square the welfare circle as demand for public services rises due to demographic social and labour market factors Government ability to finance this rising tide of public service demand is constrained by economic and at times ideological factors but failure to make welfare provision has adverse electoral consequences This is not an issue which is likely to go away Social Policy Towards 2000 examines the issues and factors affecting the welfare state and by comparing the proposals of the three main UK political parties for the welfare system for the remaining part of the decade offers a prospective analysis of the future of welfare Social Policy Towards 2000 Vic GEORGE, Stewart MILLER, 1994 **Squaring the Welfare Circle in Post-1997 Hong Kong** Chack-kie Wong, 2006

Risk, Social Policy And Welfare Kemshall, Hazel, 2001-12-01 By drawing on current social policy developments and case examples from health the personal social services and mental health this book examines how risk is replacing need as the key principle of welfare organization and state provision of services It explores the growing role of risk based allocation and rationing systems in a climate of welfare retrenchment and the implications for users and providers of welfare

Community Care, Ideology and Social Policy Harry Cowen, 2018-10-08 This book offers a comprehensive evaluation of community care strategies within the context of government social policy and assesses the recent shifts of political power from Conservative to Labour towards the end of the century Unlike the majority of texts in the field of community care it makes explicit the historical philosophical social and political inter connections and therefore provides an in depth understanding of changing policy issues for students practitioners and managers in health and social care *Welfare Rights and Social Policy* Hartley Dean, 2014-06-06 Welfare Rights and Social Policy provides an introduction to social policy through a discussion of welfare rights which are explored in historical comparative and critical context At a time when the cause of human rights is high on the global political agenda the author asks why the status of welfare rights as an element of human rights remains ambiguous Rights to social security employment housing education health and social care are critical to human well being Yet they are invariably subordinate to the civil and political rights of citizenship they are often fragile and difficult to enforce and because of their conditional nature they may be implicated in the social control of individual behaviour *Welfare and the State: Crisis of the welfare states* Nicholas Deakin, Catherine Jones Finer, Bob Matthews, 2004

Education, Exclusion and Citizenship Carl Parsons, 2002-03-11 Education Exclusion and Citizenship provides a hard hitting account of the realities of exclusion examining the behaviour which typically results in exclusion and asks questions about a society which communally neglects those most in need Permanent exclusions from schools continue to rise As schools compete with neighbouring schools for good pupils managers and heads are choosing to exclude disruptive pupils who might affect school image The book looks at the experience of excluded children the law regulating exclusion the obligations of the

LEAs and focuses on prevention and early intervention strategies *Realising Justice for Sex Workers*, Sharron A. FitzGerald, Kathryn McGarry, 2018-08-16 In the past two decades feminist politics on prostitution has become more polarised and ideological On the one hand those on the radical spectrum of feminist politics have fought long and hard to criminalise sex purchase with the intention of ultimately abolishing prostitution Other feminists have lobbied the state to recognise and institutionalise sex workers human rights The collection is both a critical intervention in and a re orientation of the schism in contemporary feminist prostitution politics Contributors will use this schism as a platform from which to challenge current debates and think an alternative sex worker centred politics for social justice By placing sex workers lived experiences of prostitution at the centre of the conversation the book rejects the hegemony of neo abolitionism as the solution to the problem of sex work The book brings international trans disciplinary scholars together to address a rights based agenda for sex work law and policy and consequently for sex workers lives This collection offers an invaluable resource on the subject of how sex workers experience injustices and how we can mitigate this globally through a transformative vision of social justice
