Passing the Federal Budget

The President sends Congress a budget message with estimates, spending priorities, & plan for taxes.

The House and Senate pass budget resolutions that outline spending & taxes for next 5 years.

The House and Senate pass bills authorizing spending, which must meet spending limits.

The President can either sign the budget bill into law or veto it.

If vetoed, Congress can override the bill or override.

Four soldiers from our army are dedicated to the cause of the people.

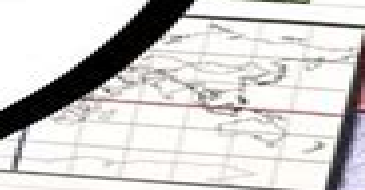

The civil war is a test to see if a democracy will win. We are dedicating this cemetery to those who died for their country.

The Gettysburg Address

But, in a larger sense, we can not dedicate—we can not consecrate—we can not hallow—this ground. The brave men, living and dead, who struggled here, have consecrated it, far above our poor power to add or detract. The world will little note, nor long remember what we say here, but it can never forget what they did here. It is for the living, rather, that we are dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is for them, for us to be here dedicated to the great task remaining before us—that these dead shall live in our hearts and their sacrifice shall not be in vain. The last full measure of devotion that this nation, in this battle, has given to the cause of the slave, shall not be in vain. We here highly resolve that these dead shall not have died in vain—that this nation, under God, shall have a new birth of freedom—and that government of the people, by the people, for the people, shall not perish from the earth.
