Social Union Framework Intergovernmental Relations And Social Policy In Canada:

Forging the Canadian Social Union Institute for Research on Public Policy, 2003 Social Union Framework evaluates the Social Union Framework Agreement SUFA as well as subsequent developments in intergovernmental relations as the deadline for the review of the Agreement approaches Changing Politics of Canadian Social Policy, Second Edition James J. Rice, Michael J. Prince, 2013-03-05 A consistent bestseller since its publication in 2000 Changing Politics of Canadian Social Policy is a one of a kind resource in the fields of political science and social work Examining current conditions affecting the development of social policies in Canada this book offers in depth critical analysis of how these policies first arose and the implications they pose for future policy development This new edition of Changing Politics of Canadian Social Policy features updated chapters while retaining the first edition's analytical focus on economic globalization societal pluralization and social protection The authors offer fresh considerations of gender relations and families community agencies and the voluntary sector as well as the social policy activities of all levels of government in the Canadian federation Changing Politics of Canadian Social Policy will continue to provide the much needed groundwork for students and policymakers as well as propose real solutions for the future Health Policy in Canada Toba Bryant, 2016-12-13 Health Policy in Canada explores the process implementation and outcomes of health policy in the Canadian context This engaging text provides students with a solid foundation in the key theories and developments in health policy while also delivering illustrative examples and case studies from across the country Employing a strong comparative and international perspective Toba Bryant critically compares the Canadian system to alternative models in countries such as the United States Sweden and the United Kingdom With its focus on the themes of health equity and the social determinants of health this text takes into account the role of public policy not only in providing health care but also in shaping the health and well being of a population The second edition has been well updated to reflect current research and issues including a consideration of the impact of economic globalization on health policy and health care in Canada Featuring critical thinking questions and annotated lists of recommended readings and websites this text was developed with the intent of making health policy accessible to students and practitioners in a wide range of disciplines including nursing social work medicine health sciences and public policy

Intergovernmental Policy Capacity in Canada Gregory J. Inwood, Carolyn Johns, Patricia O'Reilly, 2011-11-25 Gregory Inwood Carolyn Johns and Patricia O'Reilly offer unique insights into intergovernmental policy capacity revealing what key decision makers and policy advisors behind the scenes think the barriers are to improved intergovernmental policy capacity and what changes they recommend Senior public servants from all jurisdictions in Canada discuss the ideas institutions actors and relations that assist or impede intergovernmental policy capacity Covering good and bad economic times and comparing insiders concerns and recommendations with those of scholars of federalism public policy and public administration they provide a comparative analysis of major policy areas across fourteen governments Intergovernmental

policy capacity while of increasing importance is not well understood By examining how the Canadian federation copes with today s policy challenges the authors provide guideposts for federations and governments around the world working on the major policy issues of our day **Building the Social Union** University of Regina. Canadian Plains Research

Center,Saskatchewan Institute of Public Policy,2002 An analysis of SUFA the social union framework agreement signed in 1999 by the federal government and nine provincial governments Mastering Globalization Stéphane Paquin,Guy

LaChappelle,2005-10-05 Contemporary globalization is transforming and undermining the role of the nation state causing it to lose its grip on both the national economy and identity This is a penetrating analysis of this phenomenon and an explorationn of how governments national regional local global city regions can respond This original selection of essays discusses the impact of globalization on nation states and the international system the consequent political and sociological fragmentation of nations and the rise of multiple identities within those nations These essays uniquely investigate the dramatic effect of globalization on governance outlining how sub state governments have now become international actors This volume delivers a key insight into the way globalization is reshaping political relationships and will be of interest to students of politics international studies and globalization **Health Care Federalism in Canada** Katherine

Fierlbeck,William Lahey,2013-12-01 Now that Ottawa has left health care to the provinces what is the future for Canadian health care in a decentralized federal context Is the Canada Health Act dead Health Care Federalism in Canada provides a multi perspective interdisciplinary analysis of a critical juncture in Canadian public policy and the contributing factors which have led to this point Social scientists legal scholars health services researchers and decision makers examine the shift from a system where Ottawa has played a significant sometimes controversial role to one where provinces have more ability to push health care design in new directions Will this change inspire innovation and collaboration or inequality and confusion Providing an up to date analysis of health care policy and intergovernmental relations at a crucial time Health Care Federalism in Canada will be of interest to anyone concerned with the current dynamics and future potential of Canadian health care Contributors include Greg Marchildon Canada Research Chair at the Johnson Shoyama Graduate School of Public Policy in Saskatchewan Ken Boessenkool public affairs strategist and former political advisor to Stephen Harper Adrian Levy Professor and Head Department of Community Health and Epidemiology at Dalhousie University Boris Sobolev Canada Research Chair at the School of Public and Population Health University of British Columbia Gail Tomblin Murphy Director WHO Collaborating Centre for Health Workforce Planning and Research and David Haardt Department of Economics Dalhousie University *Reconsidering the Institutions of Canadian Federalism* J. Peter Meekison,Hamish Telford,Harvey Lazar,2004 Beginning with an examination of the role of traditional institutions such as Parliament Cabinet the Supreme Court and political parties Canada State of the Federation 2002 affirms the long held belief that these bodies do not provide effective forums for interregional bargaining creating a void that has been filled at least in part by executive federalism

Contributors conclude that the performance of traditional institutions taken as a whole has deteriorated over the last several decades placing more pressure on the processes of executive federalism

Employment Policies and Multilevel Governance Roger Blanpain, Brian Langille, 2009-04-29 In Europe work has long been a symbol of full citizenship and today work is a fundamental goal of European social policy However although every person has the right to work it is becoming clearer all the time that unemployment is not due merely to a lack of encouragement to exercise this right but at least in part to some deeper defects in the implementation of effective employment policies As a contribution to defining the nature of these problems this important collection of essays targets the phenomena of multilevel governance both vertical European national regional local and horizontal administrative institutions trade unions business representatives NGOs showing with detailed analysis and data how coordination or conflict between the various levels advances or fails to advance the goals of employment policy Regarding the EU five EU Member States are examined plus for comparative analysis the parallel Canadian federal model with the authors addressing such concrete issues as the impact of globalisation and Europeanisation on employment policies distribution of tasks in the Open Method of Coordination OMC involvement of private and economic agents the increasing significance of international political agents flexicurity as an employment strategy the difficulty of integrating the excluded coordination with education and fiscal policies social inclusion from the point of view of international human rights and gender mainstreaming as a weakening of the EU guarantee of gender equality The essays originated in a research meeting held at the Instituto Internacional de Sociología Jurídica at Ovato Spain in June of 2007 Some of the contributors all employment law experts discuss problematic aspects of the European Employment Strategy EES and its influence on the decentralization of employment policies and related elements of social protection Other authors concentrate on built in multilevel problems resulting from existing constitutional and administrative structures while a third group focuses on substantive approaches to employment policies within individual member states The Bulletin contains updated versions of all papers In this book the degree of administrative legal political and cultural intricacy involved in a serious engagement with multilevel governance of employment on the European model is put on full view As a deeply informed analysis of how the idea of multilevel governance has played out within the political and administrative reality of Member States the book will prove of enormous value to labour and employment law professionals anywhere as the problems identified here have a global reach

Designing Government F. Pearl Eliadis, Margaret M. Hill, Michael Howlett, 2005 This collection of readings examines the tools used by today's government to achieve legitimacy effectiveness and accountability The contributors examine the instrument choice perspective on government and public policy over the past two decades moving beyond the preoccupation with deregulation and efficiency to trace the complex relationships between instrument choices and governance Readers are encouraged to consider factors in the design of complex mixes such as issues of redundancy context the rule of law and accountability These latter factors are especially central in today's world to the

design and implementation of effective instrument choices by governments and ultimately to good governance The authors conclude that instrument choice itself is integral to government and governance *The Territorial Politics of Welfare* Nicola McEwen, Luis Moreno, 2008-08-28 This book considers empirically and theoretically the relationship between state welfare and territorial politics from a European perspective **The Case for Decentralized Federalism** Ruth Hubbard, Gilles Paquet, 2011-01-17 The Case for Decentralized Federalism and its sister volume The Case for Centralized Federalism are the outcome of the Federalism Redux Project created to stimulate a serious and useful conversation on federalism in Canada They provide the vocabulary and arguments needed to articulate the case for a centralized or a decentralized Canadian federalism The Case for Decentralized Federalism brings together experts who believe decentralized federalism is the optimal arrangement for governing the contextual diversity and cultural pluralism in Canada Using different approaches they argue that by dividing the work of public governance among different levels of government it is easier to address the needs and aspirations of the diverse groups that make up Canada Published in English *The Case for Centralized Federalism* Gordon DiGiacomo, Maryantonett Flumian, 2010-08-21 The Case for Centralized Federalism and its sister volume The Case for Decentralized Federalism are the outcome of the Federalism Redux Project created to stimulate a serious and useful conversation on federalism in Canada They provide the vocabulary and arguments needed to articulate the case for a centralized or a decentralized Canadian federalism In The Case for Centralized Federalism an array of experts condemns the federal government's submissiveness in its dealings with the provinces and calls for a renewed federal assertiveness They argue that the federal government is best placed to create effective policy support democracy and respond to issues of national importance Published in English Canadian Federalism Herman Bakvis, Grace Skogstad, 2025-07-15 In the context of Canada's political landscape Canadian Federalism stands as the leading text on federal institutions and processes analyzing the performance effectiveness and legitimacy of the federation's core components The fifth edition features contributions from twenty experts including six new authors who explore the socio economic foundations institutions and intergovernmental relations that shape Canadian federalism The book is organized into three parts it examines Canada as a case of comparative federalism explores key social economic and environmental policy areas and reimagines the federation by addressing Indigenous multi level governance and the role of municipalities By employing a common evaluative framework this volume ensures consistency and analytical rigour making it accessible to both students and scholars The authors provide diverse assessments of Canadian federal institutions highlighting different models of federalism under the Justin Trudeau government such as collaborative federalism in certain areas and unilateralism in others In a time of political polarization and calls for reform Canadian Federalism is essential reading for understanding the complexities of Canada's governance and the urgent need for institutional improvements **Comparative Federalism** Thomas O. Hueglin, Alan Fenna, 2006-01-01 This is a thoughtful well organized review of a subject of ever increasing importance the resurgence of the

federal idea The Honourable Bob Rae 21st Premier of Ontario **Canadian Politics** James Bickerton,Alain Gagnon,2009-01-01 The new fifth edition of Canadian Politics continues the work of earlier editions in offering a comprehensive introduction to Canadian government and politics by a widely recognized and highly respected group of political scientists writing about subjects on which they are acknowledged experts For this edition the editors have organized the book into four sections Part I Citizenship Identities and Values Part II Institutions Part III Democracy and Representation and Part IV Canada in the World The fourth section develops a focus on the diverse and increasingly important influences of globalization on the Canadian polity the environment and the role of Canada in the world Of the eighteen chapters nine are completely new and six new authors appear including Martin Papillon on Aboriginal governments Peter J Stoett on Canadian international environmental policy and Andrew F Cooper on Afghanistan and Canadian foreign policy The remaining chapters have been thoroughly revised and updated **Federalism, Democracy and Health Policy in Canada** Queen's University (Kingston, Ont.). Institute of Intergovernmental Relations,2001 An exploration of the ways in which federal and provincial governments relate to one another and to the citizenry in the making of health policy **Federalism, Democracy and Labour Market Policy in Canada** Queen's University (Kingston, Ont.). Institute of Intergovernmental Relations,Queen's University (Kingston, Ont.). School of Policy Studies,2000 In Federalism Democracy and Labour Market Policy in Canada the authors provide comprehensive assessments of the current state of governance within the areas of income support for the unemployed active labour market measures and youth policy The analysis focuses on how the current state of governance reflects a combined commitment to specific social policy goals principles of federalism and democratic oversight of the policy making process This volume sheds new light on the complex nature of the intergovernmental regimes governing labour market policy It makes recommendations concerning how different governance structures might better serve both Canadians and the federation Encyclopedia of Social Welfare History in North America John M.
