Social Welfare In Global Context:

Social Welfare in Global Context James Midgley,1997-03-26 James Midgley provides a broad overview of social welfare outlining key institutions terminology historical research and approaches He also details reasons for the existence of international social welfare and the challenges that arise from it The author includes an important section on applied international social welfare that addresses the concerns of practitioners concerns that have been neglected in much of the literature in the field An entire section of the book is devoted to issues of social work practice social development the activities of international agencies and their collaborative efforts While practical application is an important focus of the book several chapters deal with key theoretical debates in the field The author also includes descriptive chapters that provide comprehensive accounts of world social conditions and social welfare institutions As a textbook on international social welfare *Social Welfare in Global Context* is primarily intended for students and practitioners of social work social

administration and social policy But it is also relevant for students of sociology public policy and economics *Social Welfare in Global Context* James Midgley,1997-03-26 James Midgley provides a broad overview of social welfare outlining key institutions terminology historical research and approaches He also details reasons for the existence of international social welfare and the challenges that arise from it The author includes an important section on applied international social welfare that addresses the concerns of practitioners concerns that have been neglected in much of the literature in the field An entire section of the book is devoted to issues of social work practice social development the activities of international agencies and their collaborative efforts While practical application is an important focus of the book several chapters deal with key theoretical debates in the field The author also includes descriptive chapters that provide comprehensive accounts of world social conditions and social welfare institutions As a textbook on international social welfare *Social Welfare in Global Context* is primarily intended for students and practitioners of social work social administration and social policy But it is also relevant for students of sociology public policy and economics

Social Welfare Policy for a Sustainable Future

Katherine S. Van Wormer,Rosemary J. Link,2015 Unique in its use of a sustainability framework *Social Welfare Policy for a Sustainable Future* goes beyond U S borders to examine U S government policies including child welfare social services health care and criminal justice within a global context Guided by the belief that forces from the global market and globalization affect all social workers in their practice the book addresses a wide range of relevant topics including the refugee journey the impact of new technologies war trauma global policy instruments and restorative justice A sustainability policy analysis model and an ecosystems framework for trauma informed care are also presented in this timely text

Social Work in a Global Context George Palattiyil,Dina Sidhva,Mono Chakrabarti,2015-08-20 *Social Work in a Global Context* engages with and critically explores key issues that inform social work practice around the world Social work can take many forms and is differently understood in different parts of the world However at base it can be seen as a profession

which strives to advance the causes of the vulnerable and marginalised with the aim of promoting social justice equality and human rights This text provides examples of social work in a wide range of countries informing our understanding of what social work is It looks at how practice changes or stays the same and at the impact of policy as experienced by service users as well as by practitioners working in challenging circumstances It also meaningfully reflects on the strengths and challenges that are enabled by diversity Divided into four parts this wide ranging text discusses what social work means in four different countries some examples of the impact social and political context can have on social work practice how social workers see and work with the vulnerable the future for social work from disaster work to involving service users Social Work in a Global Context is the first truly international book for all those interested in comparative and cross cultural understandings of social work

Social Welfare for a Global Era James Midgley,2016-02-03 Written by internationally renowned author and scholar James Midgley Social Welfare for a Global Era provides a comprehensive framework for examining social welfare from a global perspective Drawing on a large body of literature and his own extensive knowledge of the field Dr Midgley offers students scholars and practitioners an up to date account of the complex ways social well being is enhanced in the global era including the major welfare institutions that provide a cultural context for social welfare policy and practice

The Welfare State in Post-Industrial Society Jason L. Powell,Jon Hendricks,2009-06-10 In recent years major social forces such as ageing populations social trends migration patterns and the globalization of economies have reshaped social welfare policies and practices across the globe Multinational corporations NGOs and other international organizations have begun to influence social policy at a national and local level Among the many ramifications of these changes is that globalizing influences may hinder the ability of individual nation states to effect policies that are beneficial to them on a local level With contributions from thirteen countries worldwide this collected work represents the first major comparative analysis on the effect of globalization on the international welfare state The Welfare State in Post Industrial Society is divided into two major sections the first draws from a number of leading social welfare researchers from diverse countries who point to the nation state as case studies highlighting how it goes about establishing and revising social welfare provisions The second portion of the volume then moves to a more global perspective in its analysis and questioning of the impact of globalization on citizenship ageing and marketization The Welfare State in Post Industrial Society seeks to encourage debate about the implications of the most pressing social welfare issues in nation states and integrate analyses of policy and practice in particular countries struggling to provide social welfare support for their needy populations

International Perspectives on Welfare to Work Policy Richard Hofer,James Midgley,2006-09-25 Learn what you can do to promote social policy initiatives that really work International Perspectives on Welfare to Work Policy presents the latest available research on the various interpretations of welfare to work in the United States the United Kingdom Australia and Hong Kong and on the role social work plays in cr

Gender and Social Policy in a Global Context Shireen Hassim,2006-04-27 This book illustrates

why both academic research and policy thinking need to factor in gender hierarchies and structures if they are to address some of the key challenges of contemporary societies the widespread informality and insecurity of paid work and the crisis of care

Responsible Organizations in the Global Context Annie Bartoli, Jose-Luis Guerrero, Philippe Hermel, 2019-03-04 This book aims to spur critical thought on the various dimensions and impacts of responsibility for organizations including companies institutions and governments while considering international differences and similarities as well as global challenges It analyzes to what extent responsibility is becoming a crucial issue for all kinds of organizations examining both the intensifying pressures of international competition and the growing crisis of confidence towards some management concepts and practices As more and more socio economic and political systems are suspected of serving selfish interests instead of the public good more accountable and integrated processes are appropriate in order to deal with the present and future stakes of our society Further with the development of digital technology and the use of data mining new questions regarding responsibility require examination This edited collection is a culmination of the international scientific conference Responsible Organizations in the Global Context co organized by the CIED of Georgetown University United States and the Larequoi Research Center of the University of Versailles St Quentin France in June 2017 in Washington DC It will contribute to research and actions in the areas of social responsibility business ethics organizational excellence sustainability and cross cultural management

Shenk, Lisa Groger, 2013-12-19 A selection of proceedings from the 2004 Association for Gerontology in Higher Education annual conference Aging Education in a Global Context is a carefully considered set of papers based on selected proceedings from the 2004 Association for Gerontology in Higher Education annual conference Each forward thinking presentation provides unique perspectives on teaching resources and education presenting a wellspring of creative ideas for new and experienced teachers in gerontology and aging education Respected educators present cutting edge concepts and effective strategies in gerontology curriculum development and cross cultural perspectives for advancing gerontology as a field of study Over the next twenty years the world s aging population will increase dramatically requiring increased attention to global aging issues To prepare gerontologists around the world for future challenges Aging Education in a Global Context provides educators with fresh viewpoints and practical information on which to base the latest teaching strategies Each presentation provides a multitude of valuable ideas perfect for incorporating into aging education curriculums such as how to use films and literature for teaching about aging how to enfold global perspectives into aging courses and how to avoid cross cultural misunderstandings when teaching gerontology in a host country This invaluable resource is extensively referenced Aging Education in a Global Context examines aging education issues and ageism topics such as the consequences of globalization for older people a course design incorporating cross cultural anthropological approaches to understanding aging an approach to teach about death and dying through the cross cultural viewpoint of various religious faiths a study of fourteen international films that provides gerontologists with models of successful aging to pass on in coursework teaching cross cultural aging using Chilean literary portrayals of elders the evolution and present state of gerontology education in Japan gerontology research and cooperative education in Kenya educating about community based long term care in China Aging Education in a Global Context presents a wealth of new ideas for all gerontology educators and educators addressing cross cultural aging issues within discipline based courses in sociology social work anthropology public policy and psychology

CONTEMPORARY POLITICAL ISSUES: A Global Perspective Dr. A Ahammad, 2024-01-26 Contemporary Political Issues A Global Perspective is an insightful exploration of the dynamic and interconnected world of politics in the 21st century In this thought provoking book I delve into a comprehensive examination of the most pressing political challenges facing our global society today The world is undergoing rapid transformations and political landscapes are constantly evolving From the rise of populist movements to the complexities of international relations this book offers a nuanced and in depth analysis of contemporary political issues It goes beyond the headlines providing readers with a deeper understanding of the underlying forces shaping political dynamics across the globe Key Features 1 Global Scope This book takes a truly global perspective examining political issues in different regions and exploring their interconnectedness From North to South East to West each chapter offers insights into the unique challenges faced by various nations while also highlighting the shared global concerns that bind us together 2 Interdisciplinary Approach I adopt an interdisciplinary approach drawing on

insights from political science sociology economics and other relevant fields This multifaceted perspective enables readers to grasp the complexity of contemporary political issues and appreciate the interconnected nature of political economic and social forces

3 Critical Analysis Rather than presenting a mere catalogue of facts this book encourages critical thinking Each chapter includes a rigorous analysis of key issues encouraging readers to question assumptions consider multiple perspectives and engage in informed discussions about the future of global politics

4 Relevance to Everyday Life The book bridges the gap between academic discourse and real world relevance By exploring how political issues impact individuals and communities it aims to empower readers with the knowledge needed to navigate the complexities of the modern political landscape

5 Emerging Trends and Future Prospects Recognizing that the world is in a constant state of flux the book explores emerging political trends and anticipates future developments It equips readers with the tools to understand not only the present but also the potential trajectories of global political dynamics

Contemporary Political Issues A Global Perspective is an essential resource for students scholars and anyone interested in gaining a comprehensive understanding of the multifaceted and ever changing world of politics Through its engaging and accessible style the book invites readers to embark on a journey of exploration inquiry and enlightenment in the realm of contemporary political issues

Nordic Criminal Justice in a Global Context Mikkel Jarle Christensen, Kjersti Lohne, Magnus Hörnqvist, 2022-10-18 This book critically investigates Nordic criminal justice as a global role model Not taking this role for granted the chapters of the book analyze how Nordic approaches to criminal justice were folded into global contexts and how patterns of promotion were built around perceptions that these approaches also had a particular value for other criminal justice systems Specific actors both internal and external to the region itself have branded Nordic criminal justice as a form of penal exceptionalism associated with human rights universalistic welfare and social cohesion The book shows how building and using the brand of Nordic criminal justice allowed stakeholders to champion specific forms of crime control across a variety of criminal justice areas in both domestic and international settings The book will be of interest to scholars and students of criminal justice international law and justice Nordic and Scandinavian studies and more widely to the social sciences and humanities

Freedom of Speech and Information in Global Perspective Pekka Hallberg, Janne Virkkunen, 2017-03-13 This book offers a unique exploration of the current state of freedom of speech as a basic right available to everyone The research focuses on the different development stages of the concept of freedom of speech and the use of modern indicators to depict the its treatment in different legal cultures including the obligations under international treaties and the effects that the globalising and digitalising environment have had on it The authors conduct a broad survey of freedom of speech around the world from Europe over Russia and both Americas to Africa Asia and Australia The aim of this survey is to identify safeguards of freedom of speech on both a national and an international level violations and threat scenarios and in particular challenges to freedom of speech in the digital era

American History from a Global Perspective David Russo, 2000-03-30 This study is the first

interpretive text for the study of American exceptionalism and the first overall assessment of geographic political economic social and cultural aspects of the American past written from a global perspective Russo argues that life in the United States can be better understood if it is examined from either a wider perspective the English speaking world the Western Hemisphere Western Civilization or a narrower perspective regional and local variations Even when the Americans were innovative in their multi ethnic and multi racial society in their egalitarian social beliefs in their political democracy their innovations were soon copied by others Therefore Russo argues they are no longer distinctly American Using nations as the basis for fields of study can both reveal and distort the historical record When one considers different perspectives America s uniqueness recedes in importance American culture was a variant of a wider Western culture The American economy was an extension of Western capitalism whether agrarian commercial or industrial American society was a Western society with racial castes and multi ethnic additions to the population American government functioned like other Western governments even with innovative forms Republican then democratic The American past is thus seen to be far less distinctive than previous syntheses have assumed

Social Work Fields of Practice Catherine N. Dulmus, Karen M. Sowers, 2012-07-23 A contemporary look at social work practice and the many career possibilities with detailed coverage of important new and emerging trends As the practice of social work continues to diversify students need a clear picture of the current state of the field and an up to date source of information and guidance on emerging career opportunities Social Work Fields of Practice provides both Written by a team of experts in their respective specialties this book features a comprehensive overview of contemporary social work practice discussing historical trends and demographics professional issues ethics and diversity for each practice area Both traditional areas and new fields are considered from a variety of perspectives including the clinical ethical cultural legal theoretical and technological Addressing the Council on Social Work Education s required competencies for accreditation EPAS Social Work Fields of Practice contains pedagogical features such as Key Terms Review Questions for Critical Thinking and Online Resources It is the most timely all encompassing resource of its kind covering Child welfare Family centered practice School social work Substance abuse Mental health Social work disability practice Gerontological social work Forensic social work Veterinary social work Military social work International social work Social work practice with immigrant and indigenous populations With expert in depth discussions of the most important specialties and practice environments for today s social worker Social Work Fields of Practice is an invaluable resource for undergraduate and graduate students preparing to enter this noble profession as well as social workers seeking to expand their professional horizons

A Handbook of Comparative Social Policy, Second Edition Patricia Kennett, 2013-01-01 This extensively revised edition of A Handbook of Comparative Social Policy provides up to date and valuable insights on key concepts and issues such as globalization crime diversity housing child poverty gender inequality and social policy regimes To write about these topics editor Patricia Kennett has gathered an excellent team of researchers who deal with both the developing and the

advanced industrial world Students of comparative social policy would benefit from engaging with this illuminating Handbook Daniel B land JohnsonShoyama Graduate School of Public Policy Canada The current context of social policy is one in which many of the old certainties of the past have been eroded The predominantly inward looking domestic preoccupation of social policy has made way for a more integrated international and outward approach to analysis which looks beyond the boundaries of the state It is in this context that this Handbook brings together the work of key commentators in the field of comparative analysis in order to provide comprehensive coverage of contemporary debates and issues in cross national social policy research Organized around five themes this thoroughly revised and updated second edition explores the contextual conceptual analytical and processual aspects of undertaking comparative social research The contributions highlight specific areas of comparative social policy including child poverty and well being patterns of housing provision and housing inequalities and social protection in East Asia as well as crime and criminology in a global context The authors of the Handbook explore continuing and emerging themes as well as issues which are of particular relevance to understanding the contemporary social world International in scope this authoritative Handbook presents original cutting edge research from leading specialists and will become an indispensable source of reference for anyone interested in comparative and international social research It will also prove a valuable study aid for undergraduate and postgraduate students from a range of disciplines including social policy sociology politics urban studies and public policy
