

Social Work With Children

Linda Openshaw

Social Work With Children:

Social Work Practice with Children, Third Edition Nancy Boyd Webb, 2011-11-15 This book has been replaced by Social Work Practice with Children Fourth Edition ISBN 978 1 4625 3755 6 Social Work in Schools Linda Openshaw, 2008-01-01 This accessible and authoritative text gives social workers the tools they need for effective and ethical practice in school settings Readers learn practical skills for observation assessment intervention and research that will enable them to respond to the needs of diverse students from preschool through the secondary grades The book presents strategies for dealing with particular problems such as violence trauma parental absence substance abuse bereavement and mental health concerns Also reviewed are developmental issues that can interfere with school success Specific guidelines for implementing interventions including group work are provided Student friendly features include many concrete examples study and discussion questions and reproducible letters forms and checklists *Child Welfare* Kathryn Krase, Tobi Delong-Hamilton, 2020-11-23 Child Welfare Preparing Social Workers for Practice in the Field is a comprehensive text for child welfare courses taught from a social work perspective This textbook provides a single source for all material necessary for a contextual child welfare course As well as combining history theory and practice the authors integrate different practice perspectives to teach social workers how to engage children and families at the micro mezzo and macro levels Covering both broad issues such as child welfare child maltreatment and responses to child maltreatment and current issues in social care including mandated reporting and evidence based policy prevention and preservation the material is designed to meet the needs of social work students entering the child welfare workforce Child Welfare provides students in social work courses at both the undergraduate and graduate levels with a single source for all material necessary to successfully navigate their studies and careers **School Social Work** JoAnn Jarolmen, 2013-03-28 Offering a unique focus on evidence based interventions critical thinking and diversity School Social Work A Direct Practice Guide covers the foundations of working with children and adolescents in the schools Each chapter reviews a basic concept and then provides two in depth activities that allow readers to apply the concepts to real life practice situations Practical hands on experiences best practice approaches and case examples throughout the book demonstrate assessments and techniques in action with vulnerable populations and help readers to understand the nuances and complexities of working in a school environment The book begins with an overview of theory important to social work in the school setting then covers a wide array of topics including a typical day in the life of a school social worker skills and techniques special education crisis intervention collaboration and school consultation current issues in education ethical dilemmas policy program development and evaluation and global issues in school social work Social Control and the Use of Power in Social Work with Children and Families Toyin Okitikpi, 2011 The role of a social worker has always been about balancing the necessity for care and control yet practitioners are generally more comfortable with the care element of their profession rather than the control element In this book ten

contributors explore the complex nature of power and its important function both in social work in general and the childcare field in particular The book examines the extent of social work powers in working with children and families explores the changing role of social workers and childcare social work in particular discusses the crisis of confidence about the role duties and responsibilities of working within the children and families sector examines the increasing policy shift towards social control looks at the tensions and contradictions inherent in the helping process considers the role of social workers in the school environment where exercising power and control is readily accepted by parents but how that is done is crucial discusses whether social workers are not only aware of their powers but also know how they utilize their powers when working with at risk cases asks how the rule of optimism can be redefined and still safeguard vulnerable children and young people examines the ethics of exercising power in practice

Social Work and Child Services Sharon Duca

Palmer,2016-04-19 This title includes a number of Open Access chapters Bringing together the results of studies of child services from diverse countries and cultures this book covers a broad array of topical issues and social work interventions It examines adolescent emotional health children of substance abusers childhood depression and teenage suicide childre

Critical social work with children and families Steve Rogowski,2013-03-27 This book traces the changing fortunes of radical and critical social work examining the theory context and application of such approaches Advancing the notion that critical practices are both necessary and possible in the neoliberal world despite the challenges critical practices face it explores new approaches to family and child services arguing for emancipatory practices that are geared toward meeting immediate needs while still offering a vision of a more just and equal future society Including case studies key point summaries and suggestions for further reading this is a thorough new resource for students and teachers

Social Work and Child Abuse D.M. Cooper,David Ball,1987-11-03 Well publicised cases of child abuse have brought heavy media criticism of the social work role in prevention and child protection This book attempts to bring a sense of perspective to allay the anxieties and fears felt by many social workers The authors resist the idea that child abuse is a special disease and develop a broad based strategy encompassing both individual therapy and environmental approaches Cooper and Ball s short introduction to child abuse in the Practical Social Work Series is a remarkable achievement in that it provides local authority social workers and general social work students with a concise overview of issues related to working in child abuse Issues in Social Work Education

Social Work Practice with Individuals and Families Michael J. Holosko,Catherine N.

Dulmus,Karen M. Sowers,2012-12-27 A lifespan approach presenting evidence informed interventions for working with individuals and families Social Work Practice with Individuals and Families covers assessment of and intervention with children adolescents adults the elderly and families It offers an array of pedagogical features within each chapter as well as online resources and review questions at the conclusion of each chapter to help guide critical thinking about topics Reflecting the current state of evidence informed social work practice each chapter s contributors emphasize the

incorporation of wider forms of systematically collected data such as case studies best or promising practices and consumer focused data Reading this book will not only give readers the tools to work effectively with individuals and families but also develop their skills in evidence informed practice Comprehensive and insightful Social Work Practice with Individuals and Families is a student and practitioner friendly text identifying the best assessment tools and strategies available for social workers to successfully serve individuals and families facing a broad range of challenges *The Social Worker's Guide to Children and Families Law* Lynn Davis,2014 Now fully updated and with up to the minute guidance this is the only book you will need to make sense of the key elements of law involved in social work with children and families in England and Wales Accessible and jargon free this everyday reference explains the fundamental concepts of parental responsibility and human rights and the provisions of private and public law including care proceedings and adoption This second edition incorporates recent changes including the Working Together to Safeguard Children guidance for inter agency working the Children and Families Act 2014 and the Crime and Courts Act 2013 as well as the latest case law Checklists charts and highlighted points allow for easy reference and illustrative case scenarios put the law into context This comprehensive and easy to use guide will be an invaluable resource for practising social workers as well as trainees students and those studying for post qualifying awards Child and Family Assessment in Social Work Practice Sally Holland,2004-03-06 This is an essential guide for both social work students and practitioners involved in the assessment of children and their families It is a guide for practice that is strongly rooted in research evidence Social Work and Child Abuse Dave Merrick,2006-09-08 While social work practice with child abuse is a well documented topic this revised edition of Social Work and Child Abuse actually challenges and changes the focus of existing literature Instead of concerning itself with the ways in which the task of preventing and detecting child abuse can be more effectively undertaken it presents a critical analysis of the task itself There has been much new guidance and regulation since the first edition of Social Work and Child Abuse was published in 1996 making this a timely new edition With a brand new introduction and conclusion this fully revised text discusses the implications of the Victoria Climbié Inquiry the Laming Report the Green Paper Every Child Matters and the 2004 Children Act the 1989 Children Act and the conflicting duties of the social worker to prevent and intervene in child abuse and also to promote the family the emergence of official discourses of prevention treatment and punishment the 1975 Children Act and the role of moral panic Concluding with a call for the full implementation of the UN Convention on the Rights of the Child to strengthen the child protection system by giving children and young people a much stronger voice this book is essential reading for all professionals in social and probation work and for students in social work social policy and criminology **Direct Work with Vulnerable Children** Helen Wosu,Audrey Tait,2012-11-15 The ability to build a trusting relationship is essential when working with vulnerable children Through the use of numerous engaging games and activities developed over 20 years of working with abused and neglected children this book shows how these lines of communication can be opened up through

effective engagement with the child's world *Mandated Reporting of Child Abuse and Neglect* Kenneth Lau, Kathryn Krase, Richard H. Morse, 2008-12-02 A concise and detailed description of a very complex issue rich in detail and insight Leslie J Temme LCSW School of Social Work Adelphi University A must have resource for practicing professionals and an invaluable teaching tool for social work students This is precisely the book that mandated reporters seek to assist in the reporting process and understanding their legal obligations Keva M Miller PhD LCSW School of Social Work Portland State University In all states social workers are required to report suspected child abuse and neglect and face serious penalties if they fail to do so But not all cases of abuse are obvious Mandated reporters are thus confronted with a host of both legal and ethical quandaries when filing a report What are the responsibilities of mandated reporters What are appropriate grounds for reporting abuse How and when should a report be made Does reporting suspected abuse violate client confidentiality What if my employer encourages me not to report my suspicions Addressing these questions and more this book provides clear definitions of different types of child abuse including physical sexual and emotional and delineates guidelines on how to identify risk factors and signs of child maltreatment The authors also clarify difficult ethical issues including client confidentiality and privileged communication and present numerous case studies and theoretical vignettes culled from their own experiences as social workers This guide will be the one resource mandated reporters and social work students cannot do without Child Law for Social Work Jane Williams, 2008-05-18 An invaluable resource for all social workers in practice with children and families this book examines key issues such as child protection family support care planning adoption and case preparation for court With illustrative case studies throughout the text is divided into two sections Part 1 explores the legal context of social work practice with children examining how international human rights standards are absorbed within domestic law Part 2 explores the application of the law policies and systems to individual case work illustrating rights based thinking in practice Accessible to those without a background in law the book highlights links between social work standards and legal values and rules With promotion of the rights of children and families a measure of professional competence and legal obligation the book helps readers satisfy social work standards and use their knowledge of the law to improve their practice The book is vital reading for all levels of social work student including those undertaking the post qualifying award in child care as well as being an indispensable resource for practitioners working with children and families Jane Williams is a lecturer in law at the University of Swansea She specialises in social work law and children's rights Other publications include *Children and Citizenship* SAGE 2007 co edited with Antonella Invernizzi Social Work Practice with Children and Families Francis K. O. Yuen, 2005 The contributors to this text present the framework for family health social work and its applications in various practice environments It provides a unique blend of academic deliberations and practical service guidelines with topics ranging from forensic social work to child welfare Communicating and Engaging with Children and Young People Michelle Lefevre, 2018-04-18 Practitioners must be able to listen talk communicate and engage with children

and young people if they are going to make a real difference to their lives The key principles of collaborative relational child centred working underpin all the ideas in this bestselling practice focused textbook Using an innovative Knowing Being Doing model it features reflective exercises practice examples vignettes cutting edge research findings and theoretical perspectives This new edition includes Updated references to policy legislation professional requirements practice tools and research including around unaccompanied young refugees and asylum seekers and child sexual exploitation New learning from ethnographic and observational research of social workers direct practice with children Added focus on the context for practice including the role of supervision and organisational containment in developing practitioners emotional capabilities With detailed coverage of key skills this book will equip students and practitioners with the critical thinking and tools needed for effective practice in order to promote the welfare protection and rights of children and young people

Social Work with Children and Families Martin Brett Davies, 2012-03-20 Social workers are constantly making decisions under pressure How do policy law research and theory influence what they do This important book provides the answers with a crystal clear map of the field of social work with children and families Focused on four major themes family support work child protection adoption and fostering and residential child care and reveals in detail all the challenges that social workers face every day Edited by the highly respected Martin Davies this authoritative and illuminating book argues that the skill of the social worker can have life enhancing consequences for some of the most vulnerable people in society It is an essential investment for students educators and practitioners alike

Childhood, Youth, and Social Work in Transformation Lynn M. Nybell, Jeffrey J. Shook, Janet L. Finn, 2009-01-30 Social workers today not only face competing claims concerning the rights and needs of children and youth but they also confront contradictions between policy and practice Social workers are expected to fight for the best interests of the child even though financial support for children s welfare and education grows scarce They are asked to save children at risk while at the same time they are urged to protect communities from risky children and they are encouraged to leave no child behind while also implementing zero tolerance policies to keep educational environments free from troubled youth A cutting edge text that deals directly with the confusion and complexity of modern child welfare Childhood Youth and Social Work in Transformation features contributions from a truly interdisciplinary group of practitioners scholars and activists Examining the theoretical political and practical aspects of working with youth today this volume breaks free from existing modes of thought and strategies of practice and prompts readers to critically reflect on accepted approaches and new possibilities of action Contributors analyze how economic political and cultural changes over the last several decades have reshaped the experiences and representations of children and youth in the United States They examine conceptions of troubled children and youth in contemporary policies and programs and assess why certain discourses about troubling youth are so compelling to professionals policymakers and the public In conclusion these skilled professionals explore the reinvention of social work policy and practice including the need

to forge relationships that respect the experiences rights and personhood of children and youth **Social Work Live** Carol Dorr, 2014-09-05 This book includes five video recorded interviews that students can identify with critique and imagine doing themselves to learn about practice It does more than just teach interviewing skills it helps demonstrate how to link what is said in an interview to different theories and practice skills Each interview goes into sufficient depth to tease out many aspects of practice that students need to understand

Enjoying the Melody of Phrase: An Emotional Symphony within **Social Work With Children**

In a world consumed by displays and the ceaseless chatter of fast interaction, the melodic elegance and psychological symphony produced by the written term often disappear into the background, eclipsed by the relentless noise and disruptions that permeate our lives. Nevertheless, set within the pages of **Social Work With Children** a charming literary value filled with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, this charming masterpiece conducts viewers on an emotional journey, skillfully unraveling the hidden melodies and profound affect resonating within each cautiously constructed phrase. Within the depths with this touching evaluation, we can discover the book's main harmonies, analyze their enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.
