Malina, 2002-11-01 In

order to interpret historical writings the reader must not employ their modern understanding of the world but must strive to grasp the mindset of the original audience To assist the twentieth century New Testament reader in understanding the literal meaning of the New Testament is the goal of this collection of essays *The Social World of Jesus and the Gospels* provides the reader with a set of possible scenarios for reading the New Testament How did first century persons think about themselves and others Did they think Jesus was a charismatic leader Why did they call God father Were they concerned with their gender roles The eight essays in this collection were previously published in books and journals generally not available to many readers Carefully selected and edited this collection will be both an introduction and an invaluable source of reference to Bruce Malina's thought *Designing Health Messages* Edward W. Maibach, Roxanne Louiselle Parrott, 1995-02-10 Chapter

overviews subheadings and summaries facilitate a quick reading and review for graduate students and busy professionals in public health the social sciences communication and related health policy making fields Academic Library Book Review How do you design an effective health campaign message *Designing Health Messages* explores this question from both theoretical and practical perspectives The authors all well known for cutting edge research in their field demonstrate the necessity of basing message design decisions on appropriate theories of human behavior and communication effectiveness by

synthesizing and integrating knowledge and insights from communication and health behavior change Part I covers theory driven approaches and includes content and linguistic considerations the role of fear in content and using positive affect Part II discusses audience centered strategies and looks at the America Responds to AIDS campaign and the Cancer Communication s 5 a Day for Better Health program This comprehensive volume concludes with recent developments and policy and administrative practices for health message design A much needed book Designing Health Messages is an indispensable resource and an essential aid for professors students and professionals in communication specifically mass communication and public health This book would make a strong addition to a graduate level course on health communication With complementary reading to broaden students knowledge of the core theories and empirical research applied by these authors to message design this book would enhance students capacity to link health communication theory and practice Health Policy and Planning Crisis Management: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources,2013-11-30 This book explores the latest empirical research and best real world practices for preventing weathering and recovering from disasters such as earthquakes or tsunamis to nuclear disasters and cyber terrorism Provided by publisher **Social Experience and Anthropological Knowledge** Kirsten Hastrup,Peter Hervik,2003-12-16 Anthropology poses an explicit challenge to standard notions of scientific knowledge It claims to produce genuine insights into the workings of culture in general on the basis of individual social experience in the field Social Experience and Anthropological Knowledge traces the process from the ethnographic experience to the analytical results showing how fieldwork enables the ethnographer to arrive at an understanding not only of culture and society but also of the processes by which cultures and societies are transformed The contributors challenge the distinction between subjectivity and objectivity redefine what we should mean by empirical and demonstrate the complexity of present day epistemological problems through concrete examples By demystifying subjectivity in the ethnographic process and re emphasizing the vital position of fieldwork they do much to renew confidence in the anthropological project of comprehending the world Hebrews: A Social Identity Commentary Matthew J. Marohl,2025-09-04 In this volume Matthew J Marohl introduces a culturally sensitive reading of Hebrews employing a social identity approach This allows readers to encounter a unique and powerful depiction of the faithful Jesus and a dynamic group of Christ followers called upon to maintain their faithfulness In the end this social identity approach reveals a work with two strands thoroughly intertwined Through the lens of conceptual blending theory Marohl examines the way in which the author combines the multiple identities of the addressees shedding light on the community dynamics of early Christ followers Marohl explores how the author describes ingroup boundaries how faithfulness is held up as the ultimate ingroup norm and how the promised rest is grounded in the language of the anticipated future Ultimately Marohl argues that Hebrews is a prime example of literature created out of crisis Women and the Environment Irwin Altman,Arza Churchman,2013-06-29 This thirteenth

volume in the series addresses an increasingly salient worldwide research design and policy issue women and physical environments We live in an era of worldwide social change Some nation states are fracturing or disintegrating migrations are resulting from political upheavals and economic opportunities some ethnic and national animosities are resurfacing and global and national economic systems are under stress Furthermore the variability of interpersonal and familial forms is increasing and cultural subgroups minorities women the physically challenged gays and lesbians are vigorously demanding their rights in societies and are becoming significant economic and political forces Although these social system changes affect many people their impact on women is especially salient Women are at the center of most forms of family life Whether in traditional or contemporary cultures women's roles in child rearing home management and community relations have and will continue to be central regardless of emerging and changing family structures And because of necessity and opportunity women are increasingly engaged in paid work in and outside the home women in most cultures have historically always worked but often not for pay Their influence in cultures and societies is also mounting in the social political and economic spheres In technological societies women are playing higher level roles though still in small numbers in economic and policy domains This trend is likely to accelerate in the twenty first century
